Aloha District 5000 Rotarians –

During July, I was able to visit 20 of our 48 clubs and I met so many of our wonderful Rotarians. It was great seeing old friends and making new ones. I have had the privilege of inducting several new members and presenting many Paul Harris recognitions. Our clubs are off to a great start to this new Rotary year.

August is Membership and Extension month. Identify the leaders in your community and within your vocation. Invite them to join you at a service project or fellowship event. Let them experience what we do as Rotarians and get to know our members. This is the best opportunity to invite someone to join you in Rotary. Once they meet our members and understand our commitment to service, they will be eager to join.

September 9-11, 2011 is our District Conference. Please plan on joining me for this District wide event. We will have the opportunity to learn, share and enjoy the fellowship of our fellow Rotarians. Visit the District website to register at www.rotaryd5000.org. There you will find the link to register as well as the link to reserve your hotel room.

Finally, several youth exchange students will be departing on their exchanges and other will be arriving to spend their next year within our District. If you have the opportunity, please take the time to get to know these students and to spend time in an activity with them. They are our future leaders and their knowledge of our community and culture will lead to better understanding and world peace.
