

Eagle River Area Rotary Club
2011-2012 Vocational Service Award

NOMINATIONS NOW BEING ACCEPTED

The purpose of the Vocational Service Award is to recognize vocational excellence, the practice of high ethical standards and the use of one's vocational abilities for the benefits of the community.

Each year the Eagle River Area Rotary Club honors a business or individual that exemplifies the principle of serving others through their vocation.

The vocational service award committee will consider nominations for any business or individual, either Rotarian or non-Rotarian, that follows the principles of the Rotary 4 Way Test and serves others through their vocation and practices high ethical standards in the Chugiak/Eagle River community.

The selection committee will utilize the following specific criteria for selection:

- 1) Is the business/individual respected in their field by their peers?
2) Does the business/individual conduct their vocation in an ethical manner consistent with Rotary's 4-way test?
