District Governor's Message

2011-2012 will be a great year for Rotary service for you, your club, and District 5020. We have countless opportunities for service everywhere in the world. Consider this feast of opportunities:

- In numerous countries, people are being killed and maimed by bullets and bombs. We can promote peace and conflict resolution.
- Many countries are infested by ugly diseases like polio, malaria, tuberculosis and AIDS. We can help to prevent and treat diseases.
- Millions of people do not have access to safe water nor to proper sanitary facilities. We can improve water supplies and sanitary facilities.
- Every minute, a mother giving birth dies for lack of cheap, hygienic birthing equipment. Every minute, about 19 young children die from causes that could be prevented cheaply. We can improve maternal and child health.
- Millions of people are condemned to lives of extreme poverty because they are unable to read, to write, or to perform simple arithmetic. We can spread basic education and literacy.
- Millions of people are unable to use their productive years for lack of basic tools to earn a living – a bag of seeds, a sewing machine, a breeding stock of chickens. Others are homeless on the streets in our communities. We can foster economic and community development.

There are many reasons why nasty problems exist in the world but there is no excuse for allowing them to continue unchallenged. We can start by imagining solutions. This is part of what RI President Kalyan Banerjee means by his motto: "Reach within to embrace humanity." All creative acts start with an idea within someone's mind. Let us challenge our minds to see solutions to problems.

Governor's Message Continued.....

The best way to open your mind to possibilities is to attend our District conference and the RI Conventions. At these gatherings, you will be astonished to discover what your fellow Rotarians are doing to embrace humanity. You can meet and converse with these amazing people. Armed with new vision, you can build productive alliances between Rotarians, clubs, districts, and Rotary Action Groups.

We also have to “reach within” for the strength that we need to turn our ideas into projects that are properly planned and funded. We will need strength to overcome doubts, scepticism, and the inevitable resistance. Be strong in the face of resistance: work with the few colleagues who will embrace your idea and help to make it real. Win over the others who need to see progress before they will join your team.

All the machinery of Rotary exists to help you. Your club leaders, District leaders, Zone leaders, and RI headquarters are all available to help. Rotary is a large, complex “machine” but there are lots of ways to learn how to use it. The District offers various seminars and webinars on subjects like membership, The Rotary Foundation, and International Service. The annual District Leadership Training Assembly offers information on a variety of subjects. Breakout sessions at the District Conference and RI Convention provide deep insights into the workings of the Rotary “mechanism” and the leaders who are developing Rotary.

I hope that you will develop deep friendships with other Rotarians and enjoy the meetings of your club. I also hope that this Directory, our monthly newsletter, the District website, the RI website, and The Rotarian magazine will keep you informed and inspired.

Let us “Reach within to embrace humanity” in 2011-2012. It will be a great year for Rotary service!

Focus & Increase Humanitarian Service

The District will:

- continue to be a Peace Builder District by supporting the Rotary Peace Centers;
- provide grants for projects in International Service to the limit of our District Designated Funds;
- re-qualify to participate in Rotary Youth Exchange;
- conduct a successful Vocational Training Team project;
- implement strong programs in New Generations Service;
- encourage members to exceed the total Annual Programs Fund target, shown above, by 50%;

- encourage the clubs that are striving to reduce homelessness, using funds from the Bill & Melinda Gates Foundation, to conduct the projects well and to report appropriately.

Enhance Public Image & Awareness

In keeping with our District goal of enhancing public image and awareness, every club should have a plan to be recognized in their own local media for their success as a force for good in the community.

The District Conference, with its keynote speakers, will be publically recognized as an important event in Victoria

District Governor 2011-2012

David and Frances Stocks

David is a native of Montréal. He graduated from the Royal Military College of Canada in 1963 with a degree in Electrical Engineering. He served in the Signal Corps for three years in Kingston, Ontario, and Calgary, Alberta. When war games and sleeping in tents at minus 40°F stopped being fun, he joined IBM's Datacenter in Calgary. After a few years, he left to operate a series of small

businesses in Kamloops, BC, and Edmonton, Alberta. Later, with a large consulting company, he sold and provided management consulting services in Edmonton, the Seattle area, and several states of the USA.

Frances is a native of Victoria, BC. She graduated from the Ottawa Civic Hospital School of Nursing in 1964 and married David the same year. They have a son, a daughter, and one granddaughter. She worked for several years in a veterinary clinic and then as a nurse in geriatric rehabilitation and assessment.

From 1998 through 2006, Frances & David operated a B&B in a historic farm west of Victoria. They are now retired in Colwood. Frances enjoys gardening while David works on their collector cars. They both enjoy touring in the cars and attending car events.

David first joined Rotary in Kamloops, BC, in 1969 where he served as Treasurer, Secretary, and President. After moving to Edmonton, his new job and young family made attendance difficult so he dropped out of Rotary in 1982. His commitment to Rotary remained strong and he always carried a copy of the Objects of Rotary and The 4-Way Test in his wallet. He re-joined in 1998 in Sooke. He served as Chair of the Auction Committee, Treasurer, and President while with the Sooke Club. He also served on several boards and commissions in the Sooke area. He is currently a member of the Rotary Club of West Shore (Victoria). He is a Paul Harris Fellow and Benefactor.

Judy & David Byron

Judy was introduced to Rotary through the Group Study Exchange Program. She was selected as a Team Member and travelled to India in January, 1998. The GSE experience was the beginning of her Rotary journey. Judy joined the Rotary Club of Sidney in May of 1998 and has been an active member ever since. She has held most offices, including Club President 2003 - 2004.

Judy has served in a number of capacities at the District level from 1998 to the present. She was GSE Team Leader to the Russian Far East in 2002, District GSE Chair 2003-2006, DLTA Chair, 2003 and 2009, District Council Chair, 2009/10 and Assistant Governor, Area 4B 2006 – 2010.

Judy recently retired as a Program Officer with the Correctional Services of Canada. Her career with the Correctional Services of Canada has been both challenging and rewarding. She spent 23 years facilitating treatment programs for male offenders.

Retirement will give Judy the time necessary to serve Rotary at the Governor level. What began as a dinner conversation about a program entitled Group Study Exchange has led to an exciting partnership with the family of Rotary.

Judy and her husband Dave were married in 1965. They have two adult children and 3 grandchildren. They are fortunate to have both children and grandchildren living in the Greater Victoria area. Judy and Dave live on a small acreage in North Saanich, BC.

District Governor 2013-2014

Peter & Kristine Taylor

Pete was born in New Jersey, raised in Miami and graduated from Duke. After Coast Guard service in Hawaii, he embarked on a career in communications, starting with DJ work in Miami, Honolulu and San Francisco. He then went into management as VP&GM of WJIB Boston and KFOG San Francisco. Pete ran his own advertising and PR firm in San Francisco for 18 years before retiring in 1996. He still does occasional voice work.

Native Tacoman Kristine attended Stadium and UW and then went on to the University of Oregon Medical School, emerging as a Registered Dietitian. She and Pete met in San Francisco where they married in 1978. Their son John went to UW, lives in Seattle and works as an engineer in Everett. Kristine retired from Franciscan Health System January 1, 2011.

Pete joined San Francisco #2 in 1984. While there, he served as club president, District PR Chair and Conference Chair. After retirement, the family moved to Tacoma. He joined Tacoma #8 in 2002 and was President 2006-07. He has recently served the District as Area 7 AG and Council Chair.

The Taylors live in Northeast Tacoma. Pete has served as chair/member of numerous community organizations. He works out five days a week; Kristine thrives on water-walking and is active at church.

Pete is proud to be in Rotary, honored to serve as DGN, and looks forward to working with DG David, DGE Judy, and all of you as we strive to keep this incredible district productive and relevant.

Rotary Organization & Administration

Clubs:

Rotarians are members of about 34,000 Rotary clubs, which belong to the global association of Rotary International (RI). Each club elects its own officers and enjoys considerable autonomy within the framework of Rotary's constitution and bylaws.

Districts:

Clubs are grouped into approximately 535 RI districts, each led by a district governor, who is an RI officer and leads an average of about 64 clubs and 2,250 Rotarians. The district administration, including assistant governors and various committees, guides and supports the clubs. Districts are organized into 34 Zones. Each pair of Zones elects one director to the RI Board.

The RI Board:

The RI Board consists of the 17 Directors elected by the Zones as well as the RI president and president-elect. The Board meets quarterly to establish policies. It is a tradition for the RI president, who is elected annually, to develop a theme and emphasis for the year.

The Secretariat:

RI is headquartered in Evanston, Illinois, USA, with seven international offices in Argentina, Australia, Brazil, India, Japan, Korea, and Switzerland. The office of Rotary International in Great Britain and Ireland (RIBI), located in England, serves clubs and districts in that region. The Secretariat's active managing officer is the general secretary, who heads a 650-member staff working to serve Rotarians worldwide.

Council on Legislation:

The Council on Legislation, Rotary's "parliament," meets every three years to deliberate and act upon all proposed enactments and resolutions submitted by clubs, district conferences, the RIBI Conference or General Council, and the RI Board. The Council itself also makes proposals.

The Trustees of The Rotary Foundation:

The 15 directors of The Rotary Foundation are appointed by the RI president, with the agreement of the RI Board. The Trustees manage all business of the Foundation. The trustee chair serves for one year and is the head of the Trustees. Each trustee is appointed to a four-year term.

Leadership Meeting

Prior to the Club meeting, the DG and the AG will meet with the leaders of the Club to review the Club's Planning Guide and to obtain specific information requested by the DG. At this meeting, the officers of the Club may raise questions or issues which they want to discuss with the DG.

The AG will work with the DG in making arrangements for the meetings and will accompany the DG to all meetings.

If time and schedule permit, the DG would like to visit Rotary community projects in the area before the Club Meeting.

Club Meeting

The DG, his partner, and the AG are guests of the Club. The Governor's presentation *is the program* for the visit meeting. ***Please do not schedule any other program on that day.***

The AG will introduce the DG.

The Club officers may ask the DG to perform a new member induction, to award a Paul Harris Fellow, or to make any other special presentation.

Please make every effort to have all active club members attend this meeting. Invite spouses, partners, and guests as

well. Where possible, the DG would like to meet young people who are guests or members of Rotaract and Interact Clubs.

ROTARY INTERNATIONAL DISTRICT 5020

National Anthems & Flag Etiquette

O Canada

O Canada, our home and native land.
True patriot love in all thy sons command.
With glowing hearts we see thee rise,
The true North strong and free,
From far and wide, O Canada,
We stand on guard for thee.
God keep our land, glorious and free-
O Canada, we stand on guard for thee,
O Canada, we stand on guard for thee.

The Star Spangled Banner

O say can you see by the dawn's early light
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars, thro' the perilous fight,
O'er the ramparts we watched, were so gallantly streaming?
And the rocket's red glare, the bombs busting in air,
Gave proof through the night that our flag was still there.
O say, does that Star Spangled Banner yet wave
O'er the land of the free and the home of the brave!

Flag Etiquette

All clubs in District 5020 should display the national flags of Canada and the USA. These flags should also be displayed at District meetings. When the District Governor visits, both nations (USA and Canada) should be acknowledged with the singing of the national anthems or other appropriate ceremony.

Canada: <http://www.pch.gc.ca/pgm/ceem-cced/etiqt/index-eng.cfm>

U.S.A: <http://www.ushistory.org/betsy/flageti.html>

“When flags of two or more nations are displayed, they are to be flown from separate staffs of the same height. The flags should be of approximately equal size. International usage forbids the display of the flag of one nation above that of another nation in time of peace. The order of precedence for flags generally is **National flags (US first, then others in alphabetical order) as the audience looks at the flags.**” *US flag on the left then Canada flag when in the US. When in Canada it would be Canadian flag on the left then the US flag, as the audience looks at them.*
