# Elevator speech?

The Semiahmoo Rotary Club is a fun and energetic group of business and community leaders. We meet every Thursday morning at the Rotary Field House for breakfast, fellowship and to hear engaging speakers on a range of topics. Our 60+ members are actively involved in hands-on work and fundraising to support our local hospital, and to champion projects within our community with a focus on families and youth. Funds are raised through our annual golf tournament, Wine & Dine and the SASSY Youth Awards. We are proud to participate in Rotary international's humanitarian efforts focused on polio eradication, clean water and literacy, and to take part in international humanitarian projects. Join us at one of our breakfast meetings to learn more.
