Supporting the Mission of Goodwill

The Rotary Foundation of Rotary International supports the object mission of its parent organization to achieve world understanding and peace through local, national and international humanitarian, educational and cultural programs.

The Foundation has three funds to accomplish this support.

- 1) The Annual Programs Fund provides grants and awards given through Foundation programs.
- 2) The Permanent Fund endows a portion of the Foundation's earnings to Foundation programs, thereby assuring their long-term viability.
- 3) The PolioPlus Fund supports Rotary International's expressed dream of a polio-free world and its strong effort to move toward complete eradication of the disease.

Clubs and Districts can apply for grants from the Foundation to carry out qualifying projects almost anywhere in the world.

RI launched the Every Rotarian, Every Year initiative designed to maintain sufficient funding on a \$100 per member capita or more rule.

If you are not using the online Club Runner, I want to encourage you to use it. If you have any difficulties logging on, please feel free to call me at 597-0222 and I'll walk you through the process, anytime.
