Area 7 – [Charlene McIntyre](#)
Area 8 – [Deborah Rice](#)
Area 9 – [Ginny Lear](#)

Hello Fellow Rotarians,

It's hard to believe that the first quarter for this Rotary year is near completion. I have visited 49 out of the 54 clubs in our District 5170.

My "Phase 1" visits are providing much insight into the types of tools and ideas that the District leadership needs to provide to each club for clubs to grow and achieve their goals and objectives. As I mentioned in my previous newsletter, Phase 2 will be to assist clubs in the implementation of those tools.

Our September 7th Cabinet Meeting was dedicated to the memory of 9/11 with a special speaker and video from the FDNY not seen publicly before.

Clubs should send me direct links to their newsletters and events so that we can create hyperlinks to each. Specific topics within the newsletters will be used for direct access.

Yours in Rotary,

[Arley C. Marley III](#)

District Governor 2011-2012

Avenues of Service

The Avenues of Service event is established for ALL members in a club from the newest Red-Badger to the experienced Rotarian. The Project Faire and Forums provide a unique perspective on thought provoking ideas to help build your club and develop partnerships with other District Clubs.

The dinner will include a panel discussion of several successful community projects.
