Hello Fellow Rotarians,

We are now into our fourth month of this Rotary year. Time does fly!

Our October 20th Avenues of Service was a success with about 575 in attendance. Each Forum was well attended as was the Project Faire and the dinner event. The dinner event featured a panel discussion of five projects. A collection of pictures can be seen by clicking [HERE](#).

Our Nov. 2nd District Cabinet meeting is going to feature the Child AIDS Prevention Project VTT (Volunteer Training Team) in Liberia. You do not want to miss this! Click [HERE](#) for more information.

As we approach the holidays, remember to have fun, enjoy your family and do not eat too much.

Yours in Rotary,  
*Arley C. Marley III*  
District Governor 2011-2012

### Technology Section

As you can see on the second page of this Newsletter, we are starting a public awareness campaign that will help every club. I need your assistance with this.

I'm looking for high resolution pictures that relate to District 5170 community service, international projects, vocational service, fellowship and New Generations.

Please e-mail these to me at [arley@info-scan.com](mailto:arley@info-scan.com).  
Type "PR Pictures" in the Subject area.
