DISTRICT AWARDS:

Since District Awards are normally presented at the District Conference, and since we invite the clubs to nominate members for such awards, the following schedule is suggested.

1. Nomination Request will be sent to the club presidents 100 days before the District Conference.
2. The due date for nominations from the clubs will be 79 days before the District Conference.
3. The Awards Committee selection meeting will be held 72 days before the District Conference. Of course the District Governors will have a major voice as to the selection of award recipients.

The reason for the above time table is to allow for the development of the Conference minute by minute and for the production of award plaques.
