## Stories

[Feb 27 Rotary Discovery Garden Interviews.](#)  
Posted by Raymond Ward on Feb 27, 2013

On February 27th, some of our members were interviewed about our garden project, Rotary Discovery Garden. Rotary Districts were asked to submit 3 major project beginning stage, one in progress and one which is completed to Rotary International. We are very proud that our project was chosen as the in progress project.

[Feb 27 Club Meeting with Tony Araro of the Sacramento River Cats](#)  
Posted by Cindy Chapman on Feb 27, 2013

We were pleased to have Tony Asaro join us this week. Tony is the Director of the Rivercats Foundation and numerous other non-profit organizations in the Greater region.

Tony speaks to over 200 students at school assemblies throughout the state on an annual basis - sharing the importance of character and integrity. He has three important topics: relationships - our most valuable assets; cause - become involved in a cause greater than yourself; and finish - always finish what you start no matter the obstacles you have to overcome in order to make it happen.

Tony announced that April 21st is Rotary Day at the Rivercats. "End Polio Now" is the goal for the event. A portion of the proceeds from ticket sales will go directly to this important cause. Tickets purchased for this event, can be used towards any future game during the season. If you are not a fan of our nation's greatest pastime, purchase tickets that can be given to children who cannot afford to attend on their own.

#### Feb 23 - Feast for Rotary

Posted by Raymond Ward on Feb 23, 2013

On Feb 23<sup>rd</sup>, the Rotary Club of Rocklin/Loomis Basin held their 20<sup>th</sup> Annual Feast for Rotary Crab Feed.

The event was a near sell out again this year; and the participants left happy and full of their favorite shell fish. The dinner started with green salad and clam chowder a pasta course; and was completed with all you can eat tiger shrimp and crab.

In addition to the fine food, this event featured a raffle, dessert auction, silent and live auctions. The auctioneers kept the room entertained as many guests walked away with great prizes.

The Feast for Rotary is a major fundraising event for the Rotary Club of Rocklin/Loomis Basin which provides support for local schools and other local and international In addition, this Club is building a garden at Lonetree Park in Rocklin that will teach students and other community members about methods that can be used to build sustainable garden, as a lawn substitute, thereby reducing water usage and the need for pesticides.

#### Feb 20 Club Meeting with Linda Reid on Self Protection

Posted by Cindy Chapman on Feb 20, 2013

Last week we were joined by the energetic and 8th degree black belt, Linda Reid. Linda is a Master in martial arts with over 35 years of experience. She is of "NEVER A VICTIM" a non-profit organization dedicated to empowering women through education and self-defense. She is considered to be one of the top women's self-defense instructors in the nation.

She, and her late husband, founded the Reid Family Martial Arts School. The school is presently owned, operated, and directed by her son Master Daren Reid. Who continues to teach Martial Arts, cardio-kickboxing, and self-defense techniques.

Additional information about Linda and her non-profit agency, NEVER A VICTIM, can be found at [www.neveravictim.com](http://www.neveravictim.com) or on Facebook.

#### Feb 13 Club Meeting Peter Dannenfels From The Relationship Skills Center

Posted by Raymond Ward on Feb 13, 2013

This week Peter Dannenfels from The Relationship Skills Center joined us to discuss the problem with our youths and the relationships they form as adults.

A few statistics: 46% of all children born in Sacramento County are born out of wedlock. In the African American community it is over 70%.

Why is this important?

Children learn about relationships up to 6 years old. Therefore if they experience an unhealthy relationship, they are more likely to repeat it as adults.

Can these children change? During puberty there is an opportunity to change the future of these children. The Relationship Skills Center has a program for middle school help change these children.

#### Feb 6 Club Meeting w the CA Car Museum

Posted by Raymond Ward on Feb 06, 2013

Today we heard from Carl Guttermann from the California Automobile Museum. Carl gave a lesson of the museum which started as the Towne Ford Museum to present day. The museum currently reached an agreement to buy their location and are raising funds to rebuild on property.

Some of the cars displayed are: 2 of only 150 Ford Model K known to exist; a 427 Shelby Cobra, which is valued at over \$250,000- it would be worth over \$1M if it were. They also have a large selection of motorcycles on display.

Currently they have a special exhibit of 1968 cars and soon a new exhibit of Microcars will be on display.

Also if you are interested they will teach you how to drive a model T and let you drive one around their parking lot.

For more information, please go to [www.calautomuseum.org](http://www.calautomuseum.org)

#### Feb 1st Dictionary Delivery

Posted by Raymond Ward on Feb 01, 2013

As part of our literacy objective, the Rotary Club of Rocklin/Loomis Basin provided dictionaries to the 2nd grade students at Cobblestone and Rocklin Elementary Schools. Rotarians understand the importance of students learning to read at a young age. Students learn to read until the 3<sup>rd</sup> third grade. If students have not mastered this milestone, their entire futures are adversely affected by their lack of literacy. Our Club is committed to helping our young students learn to read in order to realize a bright future. The dictionary project is just one of the ways we are assisting the students in our community.
