

To our friends and supporters:

We are pleased to announce that the Fourteenth Annual Mesa Oaks Charity Classic golf tournament will be held at the Cypress Ridge Golf Course on the Nipomo Mesa. This has been a popular venue in the past, and we know that our Golfers at all skill levels enjoy the experience on this famous and challenging course.

Our regular supporters also know that the net proceeds of the event are used exclusively for the charitable activities of the Rotary Club of Nipomo. We are proud to let you know that over the years more than one hundred thousand dollars have been donated to worthwhile causes, including vocational scholarships for deserving students, support of youth activities including Scouting, sports leagues, 4-H and FFA. Other major projects have included senior citizen programs, assisting with area hospice and blood donor programs, supporting the eradication of polio worldwide, and assisting schools with special projects, programs and celebrations. This year our intent is to continue our record of service to senior citizens and youth and to support such other vital projects as we are able.

There are many ways in which you can help, and we ask you to consider:

- Donating items to be auctioned, given as prizes or used as favors.
- Becoming a sponsor (*event, corporate, tee, or hole-in-one*).
- Treating your friends or associates to a memorable day of golf.

If you have been a sponsor or player in the past, we hope you will consider maintaining or increasing your level of support. Without our valued golfers and sponsors this tournament would not be the success it has become over the past years. This year we are looking forward to another superb meal in the user-friendly Cypress Ridge facility where golfers and guests alike can join in the festivities.

Thank you for taking the time to consider supporting the Rotary Club of Nipomo and the worthy projects to which we are dedicated.

2010 Mesa Oaks Charity Classic chairman,

*Mike Streator*
