Last Week's Meeting: President Cormane called us to order and turned the meeting to Paul Branson, who presented us with an honor guard of veterans and Marines. They ceremoniously presented the Flag to a huge response from our members in recognition of Flag Day. After Curtis introduced guests Steve Doll reported on the July 2 demotion party for our Prez. Everett Millais and Bob Schilken told us about the July 4 fireworks project, and asked some of us to sign up next week to sell tickets at the Ventura Street Fair. The Rotary moment was given by Robin Calote about a craft talk when she had just joined our Club and the thoughtful remarks of Sir Tom. Abram Abrams, pictured, was called to the podium, and to a rousing ovation received a Paul Harris Fellow. The program began with our Rotary exchange student, France Wantiez, highlighting her stay in Ventura with our host families. Her Powerpoint presentation showed pictures of these family hosts in opening their homes for France, and many trips around the states, including Hawaii, thanks to Linda Roos. Because of our Club fundraiser France will conclude her year with a railroad train trip across the United States. Randy Hinton, a third generation member of our Club, was introduced by Sally Crain, and and gave a fascinating Craft Talk about his upbringing, his wife Barbara, her art, his financial planning business and his many interests. Randy is the current President of the Ventura Chamber of Commerce.

The Julius Gius Memorial Foundation announced $73,000 in community grants earlier this month. Many of these grants will be matched by other sources. We should all be proud to know that our collective contributions have been reinvested back into our community. *Rosa Lee Measures, President, JGMF*

New Member Proposed: Saurabh Bajaj has been proposed for membership by Sally Crain under the classification of "Signs." Any objections to this membership must be communicated to Jim Deardorff, the Secretary of the Rotary Club of Ventura, within 10 days of this publication.

Notable Quote: A fishing rod was a stick at one end and a fool at the other. *Samuel Johnson*
