BLESSING BY THE BOX!!

Crenshaw/Watts Rotary Club has started a project working with the LAPD to provide free food baskets to needy families in the South Central Los Angeles area. Each month Crenshaw/Watts Rotary will provide specialty food boxes, each medium-sized box at $30.00 per unit. Each month's menu is different than the previous month and consists of both fresh and frozen items with an average retail value of approximately $60.00. Generally, one unit of food assists in feeding a family of four for about one week or a single senior citizen for almost a month. The food is all the same quality that one can purchase at the grocery store. There are no second-hand items, no damaged or out-dated goods, no dented cans without labels, no day-old breads and no produce that is almost too ripe. For more information on how you can donated to the wonderful project please contact Ms. Cresie Page at 323-377-4859 or Mr. Jones at 310-425-6961.
