

Urban Spirits "Overkill" reign as *Name That Tune* Champions

Members and friends of the Rotary Club of Edmonton Urban Spirits were awarded the Super Excellence Award Of Great Achievement at the recent Billy Bud's weekly "Name That Tune" competition held on June 8, 2012.

The skilled Urban Spirits team, known as "Overkill" was composed of Kristi Kingdon, Richard Korbyl, Kevin "Greebsy" Griebel, Reg Cardinal and Rollie Poon. Throughout the night, teams which spanned the entire globe, were exposed to numerous genres of music and fun activities.

While Overkill led the competition throughout the night, the "Bar Beotches" , a strong Yugoslavian duo, inched closer and closer threatening the lead. But after the last round, Urban Spirits "Overkill", were hailed as Champions. They were awarded with not only the prestige of victory, but with several libations and several Billy Bud's Bucks which were used to further celebrate the win.

"The whole team gave 110% and we didn't leave anything on the table.... especially any of the chicken wings", says Korbyl. Long time member, Rollie Poon was overheard between his cowboy poetry renditions: "It was fantastic and a super terrific great event. I can't wait until we do it again"
