Rotarian of the Week 10-05-11
by Adams, Ted J.

Our Rotarian of the Week grew up 45 miles west of Laramie, Wyoming. His first paid work experience was delivering papers, probably the Laramie Boomerang. He made about 25 dollars a month.

Rotarian, Jim Hearne attended Laramie High School, home of the Plainsmen and then went on to the University of Wyoming graduating in 1972 with a Bachelor of Science degree in Accounting.

Jim has been married to his lovely wife Peggy for 38 years. They have two children, Michelle and Christopher and two wonderful grandchildren Kayla and Nate.

Other than his family, Jim's proudest accomplishments include, becoming a partner in McGee, Hearne and Paiz and being selected to serve as General Chairman of Cheyenne Frontier Days.

Jim Hearne was sponsored into the Cheyenne Rotary Club by Mike McGee. He has served on the 4 way test essay committee and the Board of Directors of our Club. His most memorable Rotary Experiences include assisting with the Italian Exchange Group and his years on the Board of Directors. Ron likes Rotary because of the camaraderie and the great weekly programs.

His favorite meal is a Rib-eye steak grilled medium rare with a baked potato. When he is relaxing, he enjoys ranching, sports, especially hunting.

In recognition of his service to our club and our community the Sargent at Arms will present Rotarian Jim Hearne with a gift certificate from the Club

Rotary 101
by Millin, Lori

The next Rotary 101 will be held on Thursday, Oct. 27th 5:30p.m. at the home of John and Lori Millin, 308 Stetson Drive. All new members are encouraged to attend this fun orientation and presentation on the history of Rotary and to learn the basics of Rotary

Grants Awarded to Build Playground at New Boys and Girls Club

by Schwem, Mary

Through the efforts of Ron Hammel, our club has been awarded two matching grants from District 5440 and assistance from the local foundation to purchase materials and build the playground for the new Boys and Girls Club facility. Thanks so much, Ron.

Youth Exchange Update

by Miller, Anne E.

You may have noticed the flag sticker of Mexico on your badge. Our newest Youth Exchange Student is Paolo (pronounced "Pow") from Mexico. This year we are encouraging all Rotarians to visit with and/or invite her to dinner, ball game, symphony, bowling, bike ride, or whatever you can think of. Only then may you remove the sticker from your badge. There are slips of paper with her contact information at the Sergeant of Arms table. Also, if you will be spending time with her outside of a Rotary function please fill out and send in an affidavit first, also found at the same table. Thank you for your participation!

World Community Service Update

by Nelson, Ann M.

We have just completed a rush of fundraising events this past summer. The money raised is designated to help fund the following projects selected by the World Community Service Committee:

Nakuru, Kenya project.

The objective of the Nakuru, Kenya project is to purchase desks and lockers for students. In three quarters of the 150 schools in the Nakuru District, students at best share desks, chairs and lockers, in most cases they sit on the floor to do their class work. The situation deteriorated from the effects of the 2008 post-election violence which displaced thousands of families causing a flood of displaced families to settle in refugee camps in Nakuru. 2400 students in 40 schools will benefit from the new furniture. The processes of teaching and learning will be improved through a better educational atmosphere. Our interest in this project is due, in part, to our contact with a club in Wisconsin which has partnered with the club in Kenya several times with positive results, past Rotarians Matt and Sherry Potter are intimately familiar with this area as they visited Nakuru in the recent past.

The proposed budget/funding allocation is as follows:

RC of Nakuru	\$100
District 5440 USA	\$10,000
Rotary International Match	\$22,231
RC of Cheyenne	\$5,000

District Club support (5 Clubs, two individual Rotarian gifts) \$10,500
Remaining Need \$8,963

Total - \$56,794

Jaguarao, Brazil

The object of the Jaguarao project is to buy a 16 passenger van for the transportation of about 130 poor students with special needs, including those in wheelchairs. The van would transport all 130 students each day (multiple trips each day), meaning more than 300 each month or 36,000 each year. The van would also carry teachers, management and employees so that they could attend training courses. Hiring of drivers and maintenance would be provided by APAE, the organization that serves the students. Jaguarao is a poor community in the Brazilian countryside and without this van students with special needs would depend upon public transportation with is difficult and expensive.

The proposed budget is as follows:

District 4780 Brazil	\$5,000
District 5440 USA	\$10,000
Jaguarao RC	\$6,000
Cheyenne RC	\$5,000
Scottsbluff/Gering	\$1500
Non Rotarian	\$500
Rotary International	\$22,500
Remaining Need	\$2,500

Total \$52,500
