Last Weeks Guest

Thank you to Reid Haglin for his guest speaker, Dave Greenman from FDLTCC Law Enforcement Program. Dave is a Duluth Police Officer and an Instructor at FDLTCC. He spoke about how the program got its start and how they have added to it. They offer the required classroom courses as well as the full skills program. A few things that set them apart from other schools are size of classes, and most of the instructors either currently work or have worked in the field they are teaching. FDLTCC also gives instructions on filling out an application, how to dress for an interview and how to interview. I use to teach the Medical First Responder Course for the Law Enforcement students and can personally say they have a great program and would recommend the program to anyone.
