C. Activities during the past 6 months [output]

List of Activities	Who Did It [Name]	When?
Construction of two class rooms at Srimathi Lingammal Ramaraju Rotary Vidyalaya (Matriculation School) Rajapalayam, District 3212, India, for the benefit of accommodating more number of students and improve the all round literacy.	Rotarians from District 5580, USA.	19.01.2010 to 30.10.2010 Visited by Rotarians of District 5580 from 12.02.2010 to 19.02.2010.

D. What difficulties have been encountered?

No difficulties encountered.

E. What changes have occurred in the lives of the recipients [target population], as a result of this project [outcome]?

Addition of two class rooms in Rotary School has resulted in accommodating more number of students and the increase in demand for admission has been met.

F. What new experience, skills, understanding, have been acquired by District 5580 Rotarians as a result of this project?

A total of 14 Rotarians of District 5580 had visited the Construction site and participated in the construction activities. They understood the need for the increase in the class rooms for the school. They took part in the Annual Day celebrations of the School and interacted with students and Staff. The visiting and Host club Rotarians had the unique opportunity to know the culture and environment of other countries.

G. How has this project enhanced partnership and international fellowship among Rotarians?

The visiting Rotarians have been accommodated in the houses of Host Club Rotarians and this resulted in increased friendship and fellowship among them. The visit to few Rural Institutions by the members has increased their resolve to help the rural student community in the coming years. __

H. How have women participated in the management of this project?

Four Women Rotarians and One Rotaract member of District 5580 participated in the construction activities and interacted with students and staff of the Rotary School. _

I. How has this project impacted the environment [physical, social, cultural]?

The physical environment of the school has changed due to availability of more spacious class rooms for Junior students. The visit of Rotarians from District 5580 to Rajapalayam In South India greatly augmented the social and cultural relationship of two greatest democracies of the world.

J. What lessons have been learned with the completion of this project?

International Rotary participation in a project like this Bricks and Mortar Project of District 5580 to build two class rooms in Rotary school will help in future to work together to build an entire school in a Rural Area.

K. Publicity

Attach any available photos, media reports, etc.
