

“Par for Polio” Golf Tournament March 13, 2015

It's time to make history. Help us change the world.

Eradicating polio will be a huge global health victory. When Rotary began the fight to end this disease, polio infected nearly 350,000 people – mostly children – in 125 countries every year. Since then, the number of polio cases has plummeted by more than 99 percent and the wild poliovirus remains endemic to isolated pockets in only five countries. Please help us to continue this fight.

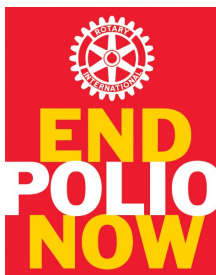

The “Par for Polio” Golf Tournament is hosted by the Alvin Rotary Club and Alvin Sunrise Rotary Club and organized by the Alvin High School Interact Club.

100% of the profits from this tournament go to Rotary's End Polio Now.
