

DICK MATTHEWS

Born April 28, 1920, Crosby Richard (Dick) Matthews was active in the Bellaire/Southwest Houston Rotary Club for more than 40 years, serving as its president in 1979-1980. A devout Christian, Dick loved to argue religion and philosophy at every opportunity. He tirelessly presented the Club News and was noted for selling an astonishing number of tickets to fundraisers for the Club. An electrical engineer, Dick was sponsored for Rotary membership by Mark Druvand, and his primary non-vocational interest was charity work. He was survived by his wife, Genoyce Matthews.
