

## **Peanut clusters**

2 cups butterscotch morsels  
1 6 oz package semisweet chocolate morsels  
1 can 12 oz salted peanuts

Combine butterscotch and chocolate morsels in heavy saucepan. Cook over low heat until morsels melt. stir occasionally. Remove from heat. Stir in peanuts.

Drop by rounded tablespoons onto wax paper.

Cool completely (can put in fridge for 30 minutes).

Put 3 clusters into snack baggy.

Done!

Easy to double this recipe. This recipe makes 48 clusters and we need 1200 clusters.

We need 26 batches so that's only 13 double batches!
