# Rotary Club of Marquette E- Newsletter

## September 2011

### Rotarian of the Month

Each addition of the E-News we will feature a Rotarian of the Month as a new way to get to learn more about our fellow club members. This month we would like to spotlight Rotary Club President Jack Frost.

#### 1) How did you become a Rotarian?

I was in Kiwanis in Charlevoix and moved to Marquette. I attended the Kiwanis Club and Joe Burdick invited me to attend a Rotary meeting. I felt welcome at the Rotary meeting and was immediately asked to get involved and support the club and the community.

#### 2) Favorite vacation spot and why?

Germany, the birthplace of my wife, Kim's mother. I enjoy the history and architecture. I love the food, hospitality, and diversity of the landscape and people.

#### 3) What song best describes you? Imagine by John Lennon

#### 4) Name two things you hope to accomplish as President this year?

I hope to bring the club forward in our communications with the website and newsletter. I also would like our club to complete the visioning process during my year as President.

#### 5) What did you want to be/do as a child growing up?

I wanted to find the cure for cancer and also play professional baseball. Neither has happened. I never thought about being in a service club, or being a Rotarian as a child. Today, I think the greatest thing I can do is to help others less fortunate than myself.

Congrats to this years Rotary Volleyball team!!  
This years team finished 5-5 overall.

**Congratulations** to fellow Rotarian Brett Conklin & his wife Samantha as they welcomed the birth of their first child John Michael Conklin 7lb. 1oz. 21" long born on Tuesday, August 30, 2011.
