Today's Meeting

Monthly Club Assembly to be held this week

Our weekly membership meeting for September 20 will feature our monthly club assembly. Members should attend prepared to discuss the work of their committees.

Following our regular meeting, members will break off into their avenues of service to discuss committee business, activities and plans. Following the brief committee meetings, a representative from each committee will give a brief report to the membership.

Committees need to determine their spending priorities for the year and forward those figures to Club President Marty Klauber.

Club Song

Refrain:

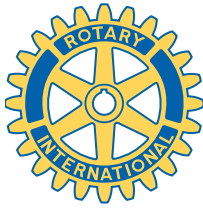

*Oh, I feel healthy, happy and terrific
 Happy and terrific, that's the way I feel.
 I feel healthy, happy and terrific,
 Happy as a member of Rotary*

*Each morning I wake up I say a little
 prayer*

*And give thanks for the way I feel.
 I greet the day with love in my heart
 With a pride I can't conceal!*

Refrain:

Oh, I feel healthy...

Judge Ray McKoski tells us about the courts

Judge Ray McKoski of the Lake County circuit court filled us in on the recent happenings in our court system. One of the things that hasn't changed is the sad fact that young people who get in trouble, charged with minor crimes, seem to have no desire to do anything constructive and have never done anything constructive. Drug or alcohol problems are involved in 80 percent of such cases.

Lake County residents are more likely than others to show up for jury duty. A full 90 percent of those called participate. Even so, the judge had a list of his favorite excuses for not serving, including the person who was a former mental patient, someone who can be bought by an attractive clever man no matter what side he is on, and someone who had rectal dysfunction.
