

Dear Visitor:

We are pleased that you have chosen to join us today! Hopefully you have come with a Dayton Rotarian who can explain some of the nuances of our meeting... some that are Dayton traditions and others that are particular to today's gathering. Whichever, we hope that you will enjoy your visit and leave with a better understanding and appreciation of Rotary.

We are proud to be members of an organization that is truly international, apolitical, and without any specific religious or denominational affiliations. And it has changed the world for the better. Most notably, more than twenty years ago Rotary launched the Polio Plus campaign to eradicate the scourge of polio from the face of the earth. We are well on our way to making that a reality!

But Rotary's roots remain in the men and women who attend their local club meetings for fun and fellowship, while committed to the joy of serving!

Please come again!
