Provide a description of your club's document retention system for maintaining original documents required by the Club MOU for a minimum of five years, or longer if required by State law. Include the specific location where documentation will be maintained and contact information for the Rotarian(s) maintaining the documentation. Documentation should include, but is not limited to documentation related to club qualification, all records and documentation of policies and procedures required by the MOU, documentation related to grants, including original documents for all grants, copies of proposals and applications, copies of grant agreements, copies of reports submitted to TRF and the district, receipts and invoices for all purchases made with grant funds, written or electronic correspondence.

All documents required by the FV MOU will be secured and maintained by the Club Secretary. Hard copies will be kept in a locked file cabinet in the Secretary's home. The Secretary and Club President will each have keys. In addition, electronic scanned copies will be kept via password-protected internet online storage, with club members having properly authorized access.

Provide a description of how your club will report and resolve any misuse of grant funds.

All financial records will be reconciled monthly by the Treasurer, reviewed at the monthly Board Meeting, and audited during the Annual CPA Audit. Any discrepancies will be thoroughly reviewed and investigated by the Club President, Future Vision Committee Chair, Treasurer, and outside Auditor if warranted. If funds are determined to have been misused, a full report will be made to the District Grants Chair followed by discussions as to the most appropriate method of resolution.
