CIRCUS SHOW, ANDANZA, & CPS STUDENTS

FLEA MARKET

The Commonwealth-Parkville School Interact Club's international project and the Parent's Association invite you to come to our family and community fund raising event. The funds gathered

in the past five years have enabled us to finance the following programs at **Matenwá Community Learning Center** : **Breakfast Program, Teacher Training, Disaster Relief, Community Library and Anti-Child Slavery Program**

The **CPS Scholarship Endowment Fund** is geared to provide financial assistance to talented students who are applying to our school, yet whose families simply cannot afford the tuition and fees.
