PORT AU PRINCE/CARREFOUR

- Rebuild the school for 1200 students
- Total cost is \$250,000

DAF #55 – Increase the Capacity of Dairy Farmers

PETIONVILLE

- This project will increase the capacity within four dairies and assist 1500 Farmers.
 - It will provide cold storage, refrigeration, equipment and monitoring
 - It will be organized by the Agogo Network and operated by Veterimed, a local NGO
- Total Cost is \$40,000

DAF #61 – Plant and grow Castor Oil Seeds and Banana

PETIONVILLE/CHINCHERON, ARCAHAIE

- They will mobilize 25 plots of land for farming
 - They will allow the farmers to lease the land and provide them with technical assistance
 - It will be organized by the Cooperative Lumiere de Chinchiron (COLUC)
 - It will assist 480 families
- Total Cost is \$33,184

DAF #63 – Repairing the Canal at Village Isaiah Jeanty

PETIONVILLE, CHANCERELLES

- The Canal needs to be flushed and repaired in order to get back to providing good sanitation
 - Currently the water is being contaminated and will cause malaria, dengue fever, etc.
 - It will be coordinated by the Unity to Combat Hunger
 - The Urban Service Engineering Department has already surveyed the area to determine what needs to be done.
- Total Cost is \$40,000

DAF #66 – Improve Goat Farming in Mormont Community

HINCHE

- This project will buy goats, train the farmers, provide cross breeding, food, medical care and expertise

Haiti Earthquake Relief – September 22, 2010
Project not funded
Page 5

--They will distribute 60 indigeneous goats and mix the breeds
--The goats will provide income to some 1500 people
Total cost is \$24,935

DAF #68 – Assist with Peanut Farming

MIREBALAIS

--This project will assist with the training for planting, storing, selling and saving as related to Peanut Farming
--150 Farmers will be involved
--Scocenter will fund \$17,620
Total cost is \$115,420 so they still need \$95,447

DAF #75 – Uniq School of Health Sciences

DELMAS AIRPORT

--This project is to provide a library and consultation room for the Doctors in training who work in the community helping the population within the clinic
--They provide the primary care for that community
Total cost is \$80,000
