EarlyAct & InterAct Club Focus

Submitted by in part by Youth Services Director Donald Aitken

What is EarlyAct? As defined by Rotary International, EarlyAct is a Rotary International youth program, sponsored by the Rotary Club in the school's community. It is a self-supporting, school-wide service club in which all students between ages 5 to 12 years are members. It can be an effective vehicle for fostering Character Education in the school without adversely impacting standard curriculum. Its main mission is to carry out at least three service projects annually—

one each for the school and the local community, and one that furthers international understanding. EarlyAct builds leadership skills and helps children understand that they can make a positive difference. It can be integrated with current community service clubs already established within the school. EarlyAct's aim is to help the school promote the high ethical standards upon which Rotary is based. The local Rotary Club works with the school and serves as a resource for the club's needs and activities. Rotarian advisors will attend most meetings, serve as a resource, and offer advice when asked. When possible, Rotary clubs do offer financial and other support to assist EarlyAct clubs achieve their goals.

On March 1, 2011 Rotary Sunrise officially launched EarlyAct to a group of 18 students at George Town Primary School. Since then the club has been actively involved in many projects some of which are the earth day clean up, dog walking excursions and visits to the Pines Retirement home. The EarlyAct club meets on the **first and third Mondays** of each month of the school year **from 1:30pm to 2:15pm**. Their first meeting starts back on **September 16th**. One way for Rotary Sunrise members to show their support of this energized youth club is to make a visit at one of their scheduled meetings.

What is InterAct?

Interact is a club for young people ages 12-18 who want to join together to tackle the issues in their community that they care most about. Through Interact, young adults can:

- Carry out hands-on service projects
- Make international connections
- Develop leadership skills
- Have fun!

Click on this picture to watch a YouTube video of the 2012 InterAct Video Contest Winner. Learn more about what

these amazing young people are inspired to do when given an opportunity.

Rotary Sunrise sponsored the first InterAct club last year at John Gray High School. The club meets on the **first and third Tuesday from 12:15pm to 1:00pm**. The first meeting of the new school year is still to be confirmed.

New Generations Youth Service..... Youth at Risk?

Message from District 7020 Governor 2013/14, Jeremy Hurst

Dear fellow Rotarians, Rotaractors and Family of Rotary,

Michelle and I have just completed our first "Official Visits" to the Rotary Clubs of Haiti Metropolitan, Central and Sud and once again, what a tremendous time we had! Haiti is on the road to recovery, not least due to the tremendous investment of time, treasure and talent that Rotarians from Haiti, from our District and from across the Rotary world have collectively made. I am also impressed with the efforts of the newly formed "Haiti Leadership Team" in strengthening Rotary across Haiti and their first initiative to bring coordinated training and education to the clubs will undoubtedly pay huge dividends.

As with our visit to Jamaica, we could not be more impressed with the "thirst" that the youth in both countries have for Rotary and what it stands for. It is clear that large and important sections of our Youth "get" what Rotary is all about and are embracing its values and the opportunity to serve. These are forward thinking future leaders who see the value of being part of the world's finest service organisation and it is our responsibility as Rotarians to embrace and encourage them and, where the opportunity presents, in the case of older Rotaractors especially, encourage them to cross the bridge to Rotary.

"New Generations" has recently been rechristened "Youth Service", however whatever we call it, I am proud of our success as a District in promoting and supporting RI's own youth programmes: Rotaract, Interact, Earlyact, RYLA and Youth Exchange. Our ratio of Rotaract to Rotary clubs, for example, is 45 to 82 or 53%, whereas in North America and the UK is closer to 6-7%! We are forming new Rotaract Clubs as we speak such as the ones in Montego Bay and Negril and we are similarly vibrant with our Interact, Earlyact and RYLA programmes.

One of the most significant opportunities this gives us is to not only groom "Rotarians in Waiting", so vital for our future, but to get a better perspective of the problems of youth in our communities. So my message to you this month is to support our Rotary Youth Service Programmes – attend their meetings, get involved, do joint projects, invite them to our club meetings – but, at the same time, use these programmes to go deeper into our communities and get better understanding of how we can work with our Youth at Risk – the ones that perhaps are not part of our programmes for one reason or another.

Youth at Risk is one of our District's main focuses for 2013/14 and a challenge that is common across all of our islands. So let's use our clubs and district resources to make a real impact here and let me and your district's "Youth Service" leaders know what you think or if you need help. You can find our contact details in the District Directory at www.7020.org.

Have a great September as we Engage Rotary - Change Lives, both younger as well as older ones.

Yours in Rotary Service,

Jeremy Hurst

Literacy Is For Everyone (LIFE) Discussed on "Let's Talk to the Experts"

Tune into *Let's Talk to the Experts* tonight, **Monday, September 9th at 7:30pm** for an in-depth discussion with new host, Ms. Miriam Foster, as she welcomes experts from LIFE to discuss the issues of literacy in the Cayman Islands. The new 30 minute programme will be filled with insightful discussion to inform the viewing public on topics that affect them.

The 4-Way Test

Of the things we think, say, or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

Venue Survey Coming Soon

We are 2 weeks into our temporary venue at the **George Town Yacht Club** with 4 more weeks to go. Your Club Services Committee wants to hear from all the members after the September 11 meeting. So be prepared to complete the survey that will be coming to you by email. Your feedback is important so please take a few minutes to complete the short survey once it comes out.

DARKNESS to LIGHT

END CHILD SEXUAL ABUSE

Rotary Sunrise has scheduled the next training seminar for **Sunday, October 6th**. Mark it on your calendar and look for more details as they become available.

Book Fair was Buzzing

If you missed attending the Book Fair at the Cayman Islands Public Library on Saturday, September 7th then you missed some great bargains on a HUGE selection of used books.

The volume of people who made it out demonstrated the importance our community does place on literacy. People of all ages

came out not only to celebrate literacy but to support LIFE who raised a total of **CI\$1,030** from the sale of books. Special "thank you"s are extended to those who came out, supported the LIFE and Literacy and volunteered at the event. Seen here are members and friends of the *Rotaract Club of Grand Cayman* who came out to volunteer.

President JD and PP Winston Address Graduates on International Literacy Day

Submitted by President JD Mosley-Matchett

PP Winston, as the Acting Minister of Education, was the featured guest speaker during a Graduates Service at Boatswain Bay Presbyterian Church. The church was celebrating the graduation of 21 young people from pre-school through

University. PP Winston offered the audience an inspirational address, urging them to remember their roots and continue to achieve great things in the future.

President JD then spoke on behalf of Rotary Sunrise to encourage the young people to embrace literacy and use it to enhance the quality of their lives. Her address was in honor of International Literacy Day.

Services committee has identified Conch Point Area in West Bay as needing some TLC. So get ready with those garbage bags, rakes and gloves to clean the beach for any unwanted debris. Clean up will take place on **Sunday, September 15.**

Once the clean up crew is done, it will be time for some fun and fellowship with our **Rotaractors, InterActors, EarlyActors** and fellow **Rotarians**. All are invited and come out and enjoy the morning at the beach. Oh, did we mention you should bring your competitive spirit as

we have planned a volleyball beach tournament. All are welcome to come and play or cheer on the teams as we battle it out to declare the victors. Sunrisers, you better bring your "A" game as you know RCGC will be gunning for bragging rights, especially since they will be invading our Club Meeting on September 18th.

More details will be shared at this Wednesday's meeting.

Cayman27's Daybreak Interview on Literacy & Other Upcoming Events

If you missed watching Cayman27's Daybreak segment on Friday, September 6th you would have missed some important information shared by President JD and PP Hendrik regarding

Literacy Initiatives. Watch the 6 minute clip here by clicking on the link. Stay informed, get involved and change lives.

Monday, September 9 - tune into Radio Cayman's "Talk Today" at noon to hear PP Andrea and Rotarian Ciara have a discussion about Rotary Sunrise Literacy Initiatives and events coming up for International Literacy Day. Spread the word.

Wednesday, September 11 - President JD and PP Woody will be busy at John Gray High School at 8:15am as they begin the hand out process of 230 Rotary Sunrise donated dictionaries to high school students. The Minister of Education Hon. Tara Rivers and Concillor Winston Connolly will also be on site to support the Literacy Initiative. Cayman27 will be there to capture the event so watch for a later news story later that evening.

Speaker's Corner - Mr. Barry McQuain

Topic: Renewal Energy in Cayman - a.k.a. Caledonian's New Solar Car Park

What the Prez Sez...

Join In!

Submitted by President J.D.

Something magical is going to happen after work on Friday at Casanova's restaurant.

The Rotary, Kiwanis, and Lions Clubs are joining forces to plan a joint project on-island. Friday is a kick-off and sign-up meeting that is doubling as a fellowship to underscore our solidarity in a recycling information project that will happen on Saturday, November 2nd.

our homes and businesses.

The plan for **November 2nd** is to station **1 Kiwanian, 1 Rotarian** and **1 Lion** at every single supermarket in Grand Cayman, so that the community sees that we're working together for something that is important and very needed in Cayman. We will NOT be asking for money. Instead, we will be providing information about ways to recycle and how to promote recycling in

The idea was the brain-child of President Kadi Merren of the local Kiwanis Club and all of the other service club presidents have embraced the idea and helped it develop to its present stage. Here's what's been agreed upon so far...

(1) Have bright green t-shirts made for the participating service club members with the following wording on the front:

Join In. Recycle!
Make Cayman a Better Place

And on the back it would be:
www.joinin.ky
(and all of the service clubs' logos)

2) Create a website www.joinin.ky which would have:

- a) Statistics on "Mount Trashmore" and how much it has grown in the past 5-10 years.
- b) Information on what the residents of Grand Cayman can recycle and where bins are available.
- c) A listing of what companies have "Joined in" and committed to recycling efforts.

3) Create a Facebook page with information on the initiative.

We are envisioning a wave of green-shirted service club members providing information to shoppers on a single day in November. **So, please stop by Casanova's on Friday at 5:30 p.m. to "Join In" and fellowship with the other service clubs who share Rotary Sunrise's mission to make Cayman a better place!**

Cayman Islands Crisis Centre

sourced from www.cicc.ky

Since 2003, the Cayman Islands Crisis Centre has been helping women and their children create new violence-free lives for themselves. Renovated in 2012 through overwhelming community support including donations, in-kind gifts, and hours and hours of volunteer time, the Cayman Islands Crisis Centre has been transformed into a welcoming place for healing. With room to shelter 18 women and their children, the Home is in a secure, private location with onsite 24-hour security.

The Cayman Crisis Center's annual budget is approximately \$600K for which 50% comes from private donations and fundraising efforts, the remainder from the Cayman Islands Government.

This Wednesday, September 11th, Rotary Sunrise through the Community Service committee will be presenting a cheque to a representative of the Crisis Centre. This donation is one of other funding and hands-on initiatives planned by the Community Service committee this year.

To help in promotion of the CI Crisis Centre's own fundraising initiatives, Rotary Sunrise has posted information about "It's a Crazy Love Affair" luncheon happening this Friday, September 13th. Leslie Morgan Steiner, author of a New York Times bestseller Crazy Love, will be the keynote speaker at the Ritz-Carlton luncheon.

Leslie Morgan Steiner will talk about how she survived domestic violence in her first marriage. When she was 22 and a recent

Harvard graduate working at Seventeen Magazine in New York City, she ended up on a baffling, terrifying journey of true love turned devastating. Leslie will discuss why people living in violent relationships stay and why it isn't fair to judge the victims. Tickets to this event are CI\$100 and includes a fabulous lunch with a glass of wine, in-house shopping from local vendors, chances to win a raffle prize and book signing by Leslie Morgan Steiner. All proceeds go to Cayman Islands Crisis Centre. Contact denise.gower@fountainhead.ky for tickets or sponsorship.
