

ROTARY INTERNATIONAL

13 January 2010

Errol C. Alberga
P.O. Box 2929
Kingston 8, Jamaica

Dear Governor Alberga:

We are saddened to hear of the earthquake in Haiti and its devastating impact on the lives of so many. On behalf of Rotary International, we want to send our sincere condolences to the communities affected.

As news of this tragedy reaches Rotarians, they will be calling Rotary International, expressing their concern and asking how they or their clubs can help. To facilitate Rotarian contributions to this relief effort, we would appreciate you providing RI with project details so that we may share this information with the Rotary community via the RI Web site. Please work with the World Community Service Program Coordinator (Barbara.Wiczek@rotary.org) to register disaster relief and recovery projects with the RI projects database, [ProjectLINK](#). Registering your projects with ProjectLINK will enable Rotarians to flow their contributions through RI to send contributions to your designated project contact.

As always, when organizing your district's response to a local or international disaster, we encourage you to work with emergency relief organizations such as UNICEF and the International Federation of the Red Cross and Red Crescent Societies, Doctors Without Borders and the grassroots Rotary project, ShelterBox, to meet the immediate needs of victims affected by the disaster.

Please know that you have the support of Rotarians around the world as you cope with this tragedy.

Sincerely,

A handwritten signature in blue ink that reads "John Kenny".
