# SLAPSHOT

**Student Leadership Award Program for Students High On Training**  
*A fun-filled WEEKEND of personal and leadership development activities for HIGH SCHOOL STUDENT LEADERS, 15-18 years old*

*"SLAPSHOT proved to be a fantastic experience for me as a leader. I was very fortunate to spend the weekend with 100 teens, just like me, from Canada and the U.S."*

"I got a chance to network with lots of other scholars and find out about the events that other schools hold to raise funds."

*"The High Ropes showed me how important it is to be able to work with others. Also, since there is so much trust involved, it was a great opportunity to realize that you can't do everything yourself. Sometimes you have to let things fall into the hands of capable people who want to help."*

"The program involved outstanding speakers and exceptional leaders who motivated my creativity. Perhaps one of the most memorable presentations was made by a young, enthusiastic, and very well educated speaker known as Joel Hilchey."

**SLAPSHOT is unique to Rotary District 7090. SLAPSHOT promotes, honours, celebrates & fosters youth leadership.**

**SLAPSHOT** is an award program that takes place over a full weekend at the end of April each year on the beautiful campus of Canterbury Hills Conference Centre in Ancaster, Ontario, Canada. The primary focus is to maximize the promotion of leadership, self-esteem and teamwork. Six meals and two overnight stays in cabin settings provide the backdrop for training in listening and interpersonal skills, assertiveness and problem-solving, team building and presentation skills. Each year, students leave SLAPSHOT feeling more confident in themselves and prepared to strengthen their involvement with Interact Clubs and other initiatives that they believe will make a difference in their schools and local communities and beyond.

**SLAPSHOT** offers the perfect opportunity for 100 high school students throughout District 7090 to come together for a wonderful experience in fun, fellowship and learning. The program is founded on Rotary ideals and serves as a strong link on the continuum of Rotary's youth leadership development opportunities – EarlyAct, Interact, Youth Exchange, RYLA and Rotaract.
