First of all, I would like to thank all of you for your on-going support to The Rotary Foundation. Your contributions to the Foundation make it possible for us to undertake far-reaching projects, such as clean water and sanitation, literacy, Rotary Peace Fellows, fighting hunger, reducing child mortality, etc. We are all working together in fulfilling our promise to the children of the world - a polio free world. And we are so close.

Talking about contributions, there are many ways on how we can send our contributions. TRF has been taking steps in making it easier to send our contributions on-line. For the sake of those who are not quite familiar with on-line contributions like me, please check out page 3 of this Grapevine on the steps of making on-line contribution. Of course, any one could still use the hard copy of the TRF Global Contribution Form by going to rotary.org; printing a copy of the Form; completing it and sending it to RI.

This year, Annual Programs Fund Chair, Don Alhart, introduced a new twist to the Give-Me-Five Campaign. First, a “Give-Me-Five” plaque was awarded to the club that sent a copy of their contribution form to Don closest to 12:00 AM. but not before it on November 1st. Nunda Rotary Club was the winner! Congratulations!!

Second, for the month of November only, all clubs that have sent a copy of their $5.00 per member contribution to TRF would be included in a drawing of 1,000 Foundation recognition points. Likewise, for clubs whose every member has contributed $10.00 each would be included in a drawing of 2,000 Foundation recognition points.

Contributions to TRF are always appreciated and, at the Foundation Brunch on November 13th, several clubs received recognition from RI. There were three categories of recognition that included (1) Highest Per Capita at the District level; (2) EREY (Every Rotarian, Every Year recognition for clubs where every member made a personal contribution; and, (3) Certificate of Appreciation to clubs that contributed a minimum of $2,000.00 to Rotary’s Challenge to End Polio Now. You will find the list of winners on page 4 of this issue. Wouldn’t you like to see your club receive one or all of these three recognitions next Rotary Year? Give to The Rotary Foundation. It will be a win-win situation. Thank you for taking pride in our Foundation and making a difference in the lives of people around the world!

DG Norma

Looking for Matching Grant financial support
Will your club help???

Many clubs in our district have seldom had the resources to fully support a matching grant. If we pool resources, however, we can help clubs or district leaders wishing to support matching grants.

Governor Norma has selected District 3790 in the Philippines for our Group Study Exchange Team this year. We have a team of young professionals going out to the Philippines in February and March, and we look forward to hosting young professionals from the Philippines in April and May.

AG Tim King would like our district to support a Rotary Foundation Matching Grant with District 3790 to help the Rotary Club of Vigan supply armchairs to schools in Vigan City and the District of Ilocos Sur. Twenty percent of the students in this school district do not have chairs. This grant will provide funds for 1,840 chairs.

Continued on Page 2
Will your club help?? (continued)

We are searching for $5,000 in donations from clubs and ask that if your club can contribute any amount toward this goal whatsoever, email Governor Norma (Leonora@frontiernet.net).

The second grant we are looking to fund is with District 4190 in Mexico. This is the district we exchanged GSE teams with during the 2010-11 year. The Rochester Latino Rotary Club is sponsoring a Rotary Foundation Matching Grant to provide specialized newborn nursery equipment to the General Hospital of Minatitlan. The hospital currently has a survival rate of only sixty-one percent in cases involving premature birth. The new equipment will improve that survival rate. In conjunction with the equipment being purchased by the grant, members of the Rotary Club of Minatitlan and the Rochester Latino Rotary Club are collaborating on a sexual education project that might help reach out to young women in the hopes of reducing the number of premature births. We are looking for $1500 from clubs to support this grant. If your club can contribute any amount toward this goal whatsoever, contact Luisa Baars of the Rochester Latino Rotary Club (585-266-8112).

Rochester Deaf Rotary Club “Hears” about Grant

The Rochester Deaf Rotary Club recently received word that the grant they sponsored with the Erenkoy Rotary Club in Istanbul, Turkey has been completed. Forty-two children, ages two to seven, were tested and given hearing devices that now allow them to hear. Testing at this early age and inserting the hearing devices saves these children from being profoundly deaf all of their lives. In their report, leaders from the Erenkoy Rotary Club included stories from families who reported how happy their children now were. In one case, a child that had never spoken all of a sudden did! What a great story.

Child with hearing device paid for by Rotary Foundation Matching Grant 73866

ON-LINE Contributions to The Rotary Foundation ... a little explanation! First, go to www.Rotary.org.

**Annual Programs Fund**
The top half of this page is the first screen you would see after signing in through member access at the RI website and clicking on make a contribution. The bottom half of this page is the screen you would see after selecting Annual Programs Fund.

**PolioPlus Fund**
The words at the left here are the words you will see after clicking on make a contribution.

**Permanent Fund**
Making a contribution on-line is easy, but we have a request! If you are donating to the Annual Program Fund and you would like to see 50% of your contributions returned to District 7120 to use for local and global projects clubs in our district choose to support, you

**Disaster Recovery Funds**

**Approved Foundation Grants**

* Continue

**Annual Programs Fund**

The primary source of funding for Foundation grants and activities worldwide. Eligible for Paul Harris Fellow recognition. Only gifts to APF-SHARE will generate District Designated Funds (DDF).

- APF - SHARE
- APF - World Fund
- Peace and conflict prevention/resolution
- Disease prevention and treatment
- Water and sanitation
- Maternal and child health
- Basic education and literacy
- Economic and community development

You will receive Paul Harris credits for any option you select and 100% of your donation will go to that fund.

However, by choosing APF-SHARE, 100% of the donation will go to the SHARE fund and 50% will come back to us in three years.
Foundation Awards for 2010-2011

NEW Recognition Forms Available

As part of the Foundation's ongoing efforts to provide more accurate processing and faster acknowledgement to our donors, the Global Contribution Form (123) and Recognition Transfer Form (102) have been revised. The new version is now available at www.rotary.org. These forms are now available as one double-sided document and the TRF Contribution Form (123) includes a recurring gift option for donors who wish to give monthly or quarterly (via Rotary Direct).

The new contribution form includes the option to make one-time or recurring contributions, and also prominently features a Quick Response (QR) Code at the top of the page. The QR Code allows users with mobile devices to scan and land directly onto Rotary's online giving page, which can also support one-time or recurring gifts.

Foundation Brunch (continued)

During the 2011 Foundation Brunch, the Give-Me-Five Plaque was presented to Spencerport as the club to have submitted their contribution notice right at midnight on November 1st, 2010. Pictured above is DG Norma, PDG Roger Ressman accepting for Spencerport, PDG Don Alhart & PDG Jeff Krans.

Pictured above is Ken Veneron from Nunda Rotary accepting the "Give-Me-Five" plaque as the club winner on November 1st, 2011.

Congratulations & Thank You Spencerport & Nunda!!

Who will win the “Give-Me-Five” Award in 2012?

Foundation Brunch - 2011

Pictured above are the club representatives form the clubs with the Top Three Highest Per Capita.

Pictured from left to right: PE Gerald Thompson, Nunda (3rd place $169.31); Assistant Governor (Area 12) Barb Harper, Clyde (2nd place $182.93); Joe Denny, President Seneca Falls (1st place $345.52), and PDG Jeff Krans.
Two Major Donors Recognized at the Foundation Brunch
