Gary and I would like to wish every Rotarian in our District and their families a joyous and safe holiday season! For all of us who have the opportunity, enjoy the time that you spend with your families, friends, neighbors. For those who, for whatever reason, may not be around their families this holiday season, through modern technology, they can be a bit closer. Yes, SKYPE is wonderful. It makes the world smaller. Even these cyber moments are treasured and enjoyed.

As December draws to a close, this Rotary Year is almost halfway over and what a wonderful past 6 months. As we visited each of the 68 clubs, Gary and I marvel at the commitment of every Rotarian in our District to service. We have met wonderful Rotarians - friendly, warm, inspirational but, most of all, committed in making a difference in the lives of people, young and old, near and far. Dictionary projects are common and are welcomed by school teachers and students alike.

The work being done on the local community service projects by the 15 clubs that received District Designated Funds (DSG) for 2011-2012 is in progress. A few clubs have already completed their projects and submitted their reports. To this date, our District is embarking on three new international service projects: One in Mexico for decreasing pre-mature babies mortality; replacement armchairs for students in the Philippines; and, economic development to assist seafood handpickers in Brazil. This is our Foundation at work!

Membership continues to be a critical issue in some of the Rotary clubs in our District. The District Membership Committee chair, PDG Eric Parker, has gone around the district presenting to areas or clubs. Thank you, Eric for sharing your time and talent! I am pleased to note that these clubs are demonstrating their interest in growing their club.

Soon, clubs will be hearing about the Oratorical and Vocal contests! I strongly encourage all clubs to take the extra effort to identify these potential contestants. Get your Rotary champions out in the schools and inspire the students to test their talents. There are a lot of scholarships to be had.

There is so much more to be accomplished for the remainder of this Rotary Year! Please continue your giving to our Foundation. Provide our youth with opportunities that help them become leaders of tomorrow. Show non-Rotarians how much fun there is in helping others and inspire them to become members.

As a reminder, the 2012 District Conference will be held on May 18-20, 2012 at the Hyatt Regency in Rochester, New York. The Newark Rotarians have started visiting the clubs to promote the 2012 District Conference. If you haven’t been contacted yet, the Newark Rotarians will be contacting the club presidents soon to schedule their visits. I encourage that you register early. We are planning fun-filled and informative District Conference with lots of fellowship activities. For more information, check out www.newarkrotary7120.org

Thank you for all that you have done for Rotary. Let us continue to do what we do best – service to others. May your New Year be filled with peace, joy, happiness and health!

DG Norma
Rotary Friendship Exchange from D7120 to District 2420 (Istanbul, Turkey)

The following team members participated in a Rotary Friendship Exchange to Istanbul in October: Dave and Mamie Anderson, Carl and Linda Grovanz, John and Maureen Hall, Meg and Michael Huff, Mike and Merle Platt, and Linda and Kurt Werts.

Istanbul is one of the oldest and largest cities in the world; it was the capital city of two empires. It is the only metropolis located on two continents (Europe and Asia). Istanbul is also the location of Rotary District 2420.

Our group activities began on Tuesday morning, October 11th when we all met at a van provided by Istanbul Rotary D2420 for our tours. Each day, we were also joined by at least one of our hosts and sometimes professional guides. The Dolmabahce Palace is on the Bosphorus a short distance from where the ferry arrives and was our initial tour. The palace was built by the order of Sultan Abdulmecid between the years of 1843-1856. There are 285 room, 44 halls, 68 toilets and 6 Turkish bathrooms. It is now a National Palace but was once the home of Sultans with lavish halls, meeting areas and gardens. During the afternoon we enjoyed views of the Asian and European sides on a boat tour up the Bosphorus in the area between the two bridges that span the Europe and Asia continents. Dinner was at the Istanbul Tarabya Rotary Club where we thanked D2420 Rotarians for hosting us and exchanged banners.

The next day, our Istanbul tour started in Sultanahmet Square at the Topkapi Palace. The palace construction began about 1459 and was completed in 1478 and is located at the edge of the ancient peninsula of Istanbul overlooking the Bosphorus and Golden Horn. There are several separate palaces, court yards and the Harem where Sultans spent private time and lived with their families. Following the foundation of the Republic of Turkey in 1924, the palace became the republic's first museum.

After lunch we visited the Hagia Sophia Museum. Hagia Sophia is a masterpiece of architectural applications and is considered by some as the 8th wonders of the world. Hagia Sophia was built and used as a church for 916 years, was as a mosque for 481 years and has been a museum since 1935. This is the 3rd structure built on the site; it was started in 532 and completed 537. Of significance are the large dome and mosaics with beautiful examples of Turkish art of glazed tiles and calligraphy.

Thursday was reserved for a day of shopping at the Grand Bazaar and Spice Market. The Grand Bazaar, founded in 1461, is the oldest and biggest closed bazaar in the world and is located in the center of Istanbul. It contains 60 streets and over 3600 shops. We then took a short walk to the Spice Market in the afternoon to buy items such as saffron and other spices. The Spice Market is the second largest closed market and was commissioned in 1663 by Turhan Sultan.

On Friday morning, Canan Boydas (D2420 International Services Chair) was our host and the initial stop was the Rahmi Koc Museum. This museum was started from Koc's private collection and now contains areas such as aviation, cars, trains, navigation, communication devices, film, printing and an olive oil factory. The outside displays included air craft and a submarine. This was an extraordinary collection of items and everyone enjoyed the visit.

After lunch we walked along many of the narrow cobblestone roads in the Galata region and learned about the history of the area. Several of the team members enjoyed the view from atop the Galata Tower. This beautiful tower is the oldest in the world; it was built in 528 during the sovereignty of the Byzantine Emperor Justinianus.

Elmira’s “Dancing With Our Stars”

Pictured above are the dancers that participated in Elmira Rotary’s annual fundraiser “Dancing with our Stars”.

Local celebrities who danced in this year’s event presented their charities of choice with a check donation. This year dancers raised $30,000 which goes towards the dancers’ charities of choice and the Rotary Club’s partnerships.

Dancers, Bill and Martha Benedict, won most overall votes, raising more than $2300. In honor of their win, they were able to donate $1000 to Health Ministry of Southern Tier. Michael Slovak, of Health Ministry, says, “A few years ago, there were 42 million uninsured, now there are over 60 million uninsured. So it gives us an opportunity to serve that many more people who don't have health insurance.”

Misty Purdy, President of the Elmira Rotary Club said, “It means a lot because we can do a lot of the things with the proceeds such as the partnerships we have with Diven Elementary, Community Kitchen, international projects and the playground at Harris Hill.”

On Wednesday, 12/6/11 Elmira Rotary Club’s Immediate Past President Shelley Bailey (left) and current President Misty Purdy were honored at the annual Chemung County Chamber of Commerce’s annual awards breakfast. Shelley was honored with the Outstanding Partner in Education Award and Misty was honored with the Ambassador of the Year award. In front of a room of around 200 local business and community leaders, the Elmira Rotary Club was mentioned multiple times through those honored and the Chamber’s Presidents involvement in the “Dancing With Our Stars!” fundraiser. **Deadlines for District Awards & Contests**

**January 31, 2012 - Website Contest:** Clubs websites should be up to date ready for judging by January 31, 2012 as judging will begin February 1, 2012 and will conclude on March 1, 2012. This will allow ample time for the judges to review the clubs websites and get the results to the Awards Committee in time to have the awards prepared for presentation at the District Conference.

**February 1, 2012 - Bulletin/Newsletter Contest:** This Rotary year, 2011-2012, clubs will select three (3) bulletins, published in the time frame July 1, 2011 to January 31, 2012. The reason that the whole Rotary year isn’t judged is to allow time for the submissions to be received by the judges, judged, and for the results to be sent to the Awards Committee for the awards to be made in time for the awards presentations at the District Conference. Club’s submissions of their 3 selected bulletins are to be emailed to: Howard Selleck at hselleck@empacc.net. Submissions should be attached to an email message in the format of a “pdf” file or Word document file. Entries are due on or before **February 1, 2012**.

Questions regarding the Bulletin & Website Contests should be directed to contest chairman Howard Selleck at hselleck@empacc.net.

**February 28, 2012 - District Achievement Awards** – Nominations are due February 28, 2012. That date includes club projects that started between July 1, 2011 - through February 28, 2012. There are usually over one hundred submissions and this gives the achievement committee time to go through each application and judge them.

Questions - JJ Johnson - jjsr66@rochester.rr.com

**Attendance/Membership Awards:**

**March 24, 2012** - deadline for attendance/membership, which allows members 14 days into March to report February make-ups and then the Secretaries have an additional 10 days to report the information. Information available on the web site at that time, will be used for the comparisons. The information will be processed and made available to the awards committee by March 31, 2012.

**Attendance Awards:**

The Rotary Manual of Procedure requires Rotarians to attend at least 50 percent of meetings, so clubs which meet or exceed 50 percent attendance are eligible for an attendance award. Attendance percentages will be calculated as the average of reported values from July through February.

**The Fischer Award**

This award is given to the club with the highest average percentage attendance from July through February. Awards are given to the top three clubs in each category: Division A (Over 400 members), Division B (300-399), Division C (200-299), Division D (100-199), Division E (50-99), Division F (25-49), Division G (under 25). The categories are determined as of July or if no information was provided in July, then August would be used.

**The Jack King Award** - is given to the club with the highest percentage increase in membership from June through February. Awards are given to the top three clubs in each category: Division A (Over 400 members), Division B (300-399), Division C (200-299), Division D (100-199), Division E (50-99), Division F (25-49), Division G (under 25). WG Interact Club's Dinner is a Hit Again

Watkins Glen Interact Club hosted its 15th annual Thanksgiving Dinner Sunday, November 13th, in the Watkins Glen High School Cafeteria. Marie Fitzsimmons and Nancy Laughlin, who originally thought of the idea, are elated as to how much this special event has grown. “Every year we raise money at the NASCAR event to fund our dinner,” said Fitzsimmons. "We never ever accept payment because this is our chance to take care of our lovely community.”

Watkins Glen students were hard at work throughout the afternoon to ensure every guest was taken care of. Work began at 6 a.m. chopping, dicing, and slicing away at various vegetables grown in the local community garden. An astonishing 100 pounds of potatoes and squash were donated from this garden, all thanks to Mr. Ed Murphy. With over 75 take-out orders, students bustled around to Jefferson Village and Romeo Village, and to individual homes for personal deliveries too.

As the cafeteria slowly filled with hungry guests, students and staff took on numerous roles. Kirk Peters tirelessly carved turkeys, band members provided entertainment (with the help of Diana Groll), Pat Stansfield aided students in the kitchen, and Jenna Gimbar and Elise Groll played away on the piano. Meanwhile, additional students warmly welcomed and served each guest.

Full happy stomachs filled the atmosphere around two o’clock when the event came to a close. What used to be a five-hour dinner is now a short and sweet two-hour occurrence. However, this experience would not have been made possible if it weren’t for the donations from Tops, Glen Mountain Market, and Wegman’s.

After supper, guests were given tickets to attend the Sunday performance of the Lake Country Players’ “Sweeney Todd” in the high school auditorium.
