What a start for March! Weather-wise, March started as a lamb. Let’s wait and see how it will end. Meantime, March started strong in our District. To start, Lima Rotary had a successful Membership Drive on March 1st. The event was highlighted by the presentation of two Paul Harris Fellow Recognitions. That definitely was a special touch and left a very positive impression on the attendees to include the prospective members.

This past weekend, our Club Presidents-Elect received training in Syracuse at the Multi-District Presidents-Elect Training Seminar. At PETS, DGE Gaven informed the P-Es that there are changes to come and Future Vision is coming. One of their (P-Es and DGE Gaven) tasks for 2012-13 is to help prepare each Rotary Club of our District for these changes. More to come on Future Vision - what is it and how does it impact on the way we do our Rotary business.

Rochester Rotary Club celebrated 100 years of membership with Rotary International on Monday, March 12, 2012. Rochester Rotary is the 36th club accepted as an associate member of the National Association of Rotary Clubs (later to become Rotary International) in March 1912. How many of you knew that a member of the Rotary Club of Boston who was transferred to Rochester on business initiated the founding of Rochester Rotary? The story almost paralleled that of Paul Harris’s founding of Rotary. The Rochester celebration started with the unveiling of the plaque for the Centennial Clock donated to the City of Rochester, followed by Luncheon and Program. In attendance from our District was yours truly accompanied by my Executive Administrative Assistant and some of our past, present and future District Leaders: PDG Robert Hunt and his wife Cindy, PDG John Hall, PDG Jeff Krans and his wife Diane, DGE J. Gaven Hurley, Assistant Governor Luisa Baars and her husband Wim and Latino Club President Diana Hernandez and her husband Abraham. AG Luisa was a former member of the Rochester Club.

**March is Rotary Literacy Month.** Various Rotary Clubs in our District are busy undertaking Literacy projects such as reading to a class/child. Others are collecting books to put in their Red/Green/Blue Bookshelf, whatever color the club might have chosen. We are all aware of the importance of literacy in one’s life or family. I thank all those clubs who have considered literacy as one of their areas of service focus.

An update on the GSE Team: Team Leader Tim King and five members left for the Philippines on February 27, 2012. District Chair, PDG Bob Hunt, was at the Rochester International Airport to send them off at 4:00 in the morning. Yes, 4:00 A.M. Thank you, Bob for your dedication and commitment to the GSE program. So far, I received 2 e-mails. One e-mail said “Governor Norma, I love your people and your culture” JB Manin. I will send the second e-mail to District Editor, Howard Selleck, so he could include it in the Grapevine in its entirety (see page 2). In sum, they are having fun! You could follow their trip and activities on Facebook. Contact John Kenny to get connected. Meet and greet them at the District Conference.

Two upcoming events in the District for March are the Oratorical Contest - Finals will be on March 24th at 12:00 noon, Brockport College and the Future Vision Training to be held on Friday evening, March 23rd at the Peppermints Restaurant in Avon. Assistant Governors, Foundation Area Directors, Presidents-Elect and the 2012-13 Club Foundation chairs are invited to attend. Please take note of the Registration deadline for the training is March 15th.

(continued on page 2 - See DG Norma)
**DG Norma (continued):**

Lastly, but not the least, if you have not registered for the conference and reserved your hotel room, please do so soon. Let’s all get-together and celebrate all your accomplishments, renew old friendships and make new ones. See you at the Hyatt Regency Hotel in Rochester on May 18, 19 & 20, 2012. Please contact Marc Kreuser, Conference Registrar, and/or District Conference Chair, Scott Healy at:  
7120conference2012@gmail.com.

See you in Rochester.

Warm Rotary regards,

**E-mail from the Philippines (continued):**

Philippines; been to kilometer zero for the Death March (amazing story), went to an inland water park and did wall climbing, zipp lines. Now at Subic Bay which is the old military base. It's now a Freeport Zone and they are trying to develop it for tourism.

Today we went to Zoobic Safari and did tree-top zip lines, held a 8 foot python, met tons of beautiful girls (no wife yet), and had a historical tour of the local museum. Our host families are amazing. Way to much to type in an email.

Tomorrow we are off to a Beach Resort to spend the day on a white sand beach. A day filled with things like surfing, snorkeling, and more.

Life is grand. Wish you were here to experience it with me.

See you all soon.

Love,

Jamie (James Cronkwright)

Hi everyone.

It’s there version of Budweiser only good. It’s 37 pesos, which translates to about 85 cents a beer!!! Also went for an early morning swim in the bay with one of the hosts. Water is amazing!!!

It's day four and I can't believe how much has been crammed into the trip. We've been to Mount Samat, which is the place where the US/Philippino army made their last stand against the Japanese in the

Thanks go out to the Avon, Brighton, Naples, and Red Jacket Clubs for hosting our four semi-final contests. All went well and showed that the competitiveness of this contest gets more and more stiff each year. What a wonderful development. As reported on the application forms, 136 students participated in this contest at the local level. We had thirty-one in the semi-finals, and there will be nine finalists competing on March 24th.

For more information on the contest, visit our district website, click on the New Generations tab, then on the Oratorical Contest tab. Travis Piper of the Bloomfield Club arranged for the video-taping of our winning finalists that is posted on the website, and is doing so again this year. Special Thanks to Travis!!

**India is No Longer Polio Endemic**

The World Health Organization has officially removed India from the list of polio-endemic countries. Ghulam Nabi Azad, India's minister of Health and Family Welfare, made the announcement at the Polio Summit 2012 in New Delhi on 25 February. Azad said that he had been informed of WHO’s action by its director-general, Dr. Margaret Chan.

"It is a matter of satisfaction that we have completed one year without any single new case of polio being reported from anywhere in the country," said Indian Prime Minister Manmohan Singh at the summit, which was organized by the government of India and Rotary International. "This gives us hope that we can finally eradicate polio not only from India but from the face of the entire mother earth. The success of our efforts shows that teamwork pays."

India’s last reported case was a two-year-old girl in West Bengal State on 13 January 2011. Before polio eradication can be certified in India, it must go two more years without another case of the disease. Polio remains endemic in only three countries: Afghanistan, Nigeria, and Pakistan.
