September is “New Generations” month, and the time to get youth and young adults interested and actively engaged in Rotary. New Generations is the 5th avenue of service, joining Club, Vocational, Community, and International. While youth and young adults are part of the other Avenues of Service, there is added emphasis with the New Generations designation. This is most important as we move forward, i.e., an emphasis on the younger part of the Family of Rotary. Quite frankly, this is an area/group we seemed to forget when we welcomed retired members into our Family.

The Service Avenue of New Generations recognizes and acknowledges the positive and continuing change implemented by young adults and youth involved in leadership development activities, community and international service, and exchange programs. Among these are RYLA, Interact, Rotaract, ROTEX, and Rotary Youth Exchange, all of which enrich our Rotary Family and society as they foster world peace and cultural understanding. They help us grow in many ways.

Today, when younger people see Rotary, they may see a great deal of grey hair or no hair. Take the time to introduce these same younger people to the longer time members of your club. These are the members who joined in their 20s, 30s, or 40s. There may be a look of surprise. All of this begs the questions of the long time member “Why did you join Rotary?” and “Why have you stayed in Rotary?” Then, we get to tell our story, which is a great one.

Many of our younger members of society think Rotary does not want them, although they may realize Rotary needs them. Why? They are not made to feel welcome as they walk in to a meeting knowing few if any. All of us should greet and welcome them in any number of ways --- a handshake, smile, offer of a seat, ask questions about their interests, etc. Show genuine interest. We were all young once. We like to be welcomed. Ask a person why they joined a particular church and they are most apt to say, “I felt welcome.”

While I’ve got the attention of seven of you reading this, I pose this question for later discussion: “Why aren’t more sons, daughters, and other relatives of Rotarians becoming Rotarians?” Your answers may help with all of the above.

Mostly, our youth and younger adults need to be engaged from the start in what they see as worthwhile activities. Ask a new member, of any age, what interests them, point them in the right direction, find out what they might need and let them save the world and Rotary. Many are leaders in their own right and, just maybe, smarter than you or me.

As I age, I more and more realize why my father enjoyed young adults so much….

Speaking of young adults, and in closing, we are seeking working adults age 25-40 to apply to be team members for our Group Study Exchange (GSE) to Sweden and Latvia in April. It will be three weeks in length with virtually all expenses paid by Rotary. It is not a vacation, but a concentrated course in international business and culture. You are on the go every day. I was the Team Leader to Finland in 2010. I consider myself well-traveled and well-educated, yet learned much more than I ever expected. The team members can expect life and outlook changing experiences. Details on the district website. Send someone from your business.

Teddy Bear Picnic

DG Gaven and Monroe County Sheriff Hon. Patrick M. O’Flynn share some laughs with one of many donated teddy bears at the annual "Teddy Bear Picnic" hosted by the Rotary Club of Pittsford and the Rotary Club of Honeoye Falls-Mendon. (Photo: David Boyer) (continued on page 2)
Teddy Bear Picnic (Continued)

Pittsford Rotary Club and the Rotary Club of Honeoye Falls "Teddy Bear Picnic," was held on September 5th at King’s Bend Park in Pittsford. This is a great annual event to serve the Sheriff Department of Monroe County. Members and friends of both Rotary clubs brought a dish to pass - and donate a stuffed animal. The Sheriff Department of Monroe County received over fifty toys that are widely given throughout the year to soothe and warm the hearts of children that are affected by an unfortunate situation.

Pictured above - Rotarian Susie Rose and 2011-2012 past president of the Rotary Club of Honeoye Falls-Mendon, looks over the growing collection of donated Teddy Bears from both the Rotary Club of Pittsford and the Rotary Club of Honeoye Falls-Mendon. (Photo by David Boyer).

Part of the proceeds of this raffle will be a donation to Rotary International's END POLIO NOW program to eradicate polio cases worldwide. (Photo by: David Boyer).

Congratulations!

"We’re engaged!" Pittsford Rotarians Gretchen Schell and Mike DiNardo shared the joy of their engagement at the August 29, 2012 morning meeting of Pittsford Rotary. (Submitted photo: David Boyer).

Governor Presents Paul Harris in Visit to Brockport Rotary

District 7120 Governor J. Gaven Hurley is shown “pinning” Club president elect John Egan as the Club’s most recent member to receive the honor. The governor spoke eloquently of the meaning of the Paul Harris Fellowship. Hurley also had a lot to say to the members in a relatively brief time. In his talk, he stressed the importance of the Club president who along with the assistant district governor is a primary source of information and communication with the governor. He also stressed that he did faithfully read the club bulletins (newsletters) because again they are a great source of information about the health and doings of the club and its members.

Gaven discussed the importance of peace and how RI president Tanaka has made it the centerpiece of his administration. Tanaka was described as a remarkable person, who grew up poor during and after WWII. He encouraged all to attend the Eastern Cities Dinner on Sunday, November 4th where Tanaka will be the featured guest speaker.

He outlined the theme of this coming year for the District, which is Peace Through Service, both locally and internationally. The Canandaigua Rotary Club donates in kind services to the community, such as the August Canandaigua Pier Festival with the generous support of many sponsors, complete with the Skycoasters and fireworks. In addition, approximately 60% of its budget is used on local projects.

**Naples Rotary Welcomes New President**

The Naples Rotary welcomes Jerry Giacoman as their president for 2012-2013. Jerry and his wife Terri moved to the community in 2002.

The manager of his bank, a Rotarian, invited him to come and speak about the Ronald McDonald House for which Jerry was a fundraiser for them for years.

Having met the Naples Rotarians Jerry began to see that he could not only become involved with neat people but also good work. The motto “Service Above Self” appealed to him. He was impressed by the projects and the organizations they support both locally and throughout the world.

Realizing Jerry’s basic friendliness and love for people, then President Jamie Tyrrell asked him to be their official greeter. Wal-Mart would love to have him. His enthusiasm is contagious. He was invited to join their Board. The more he learned, the more he loved the club. Jerry has been involved with developing programs, Camp Onseyawa and Membership.

The camp provides its weeklong program, complete with overnight accommodations, daily meals, group athletics, swimming, hiking, crafts, and nature study, for children who have a physical or developmental disability that usually precludes them from enjoying the camping experience. The program is carefully designed to provide needed recreation that is compatible with a wide range of therapies the campers may be undergoing. Particular emphasis is placed on developing the initiative and self-reliance of campers.

The camp is sponsored by the members of eleven Rotary clubs - Bath, Canisteo, Corning, Chemung Sunrise, Elmira, Elmira Heights, Hammondsport, Hornell, Horseheads, Prattsburgh, and Watkins-Montour. No camper is charged for the weeklong event.

September Member of the Month at Belmont Rotary

Charlie Smith, Belmont’s Member of the Month, was born in Bloomville, New York, where he grew up on a farm. His mother, Margaret, was a teacher in a one room school house and was his inspiration to further his education and become a teacher. After completing college, Charlie began his teaching career in the Andes Central School District where he taught math, history, and driver’s education. Eventually, Charlie and his wife, Maureen, moved their family of four children to Belmont, New York, where Charlie took the position of Business Administrator at the Belmont Central School. Later, he went on to become the Superintendent, a post which he held until he retired.

Charles “Charlie” Smith has never been afraid to roll up his sleeves and get involved in his community. Charlie joined the Belmont Rotary in 1987. He credits Leonard Presutti and Bob Hunter for encouraging him to do so. “Leonard would not give up on me,” Charlie admits. “He really wanted me to join, and I liked the work they were doing in our community and for the world. Members of the Rotary put back into the world what they have been privileged to take out.”

Geneseo is to “Dye” For

As part of SUNY Geneseo’s Weeks of Welcome (WOW), members of the Rotaract Club sponsored “Geneseo is to Dye For” a tie-dye t-shirt event held in the MacVittie College Union on September 1st from 10:00 pm to 2:00 am on September 2nd. According to Devin Grau, Rotaract Club President “We provided 100 shirts for students to tie-dye so there was much excitement. An informational poster about Rotaract was set out so students could learn more about it and several students showed interest in joining the Club.” The dates of the WOW event at the College were August 24th to September 12th.

News from the Safe Water, Hygiene and Sanitation Committee

Proposals for Future Vision Grants will start being processed in March 2013. No more grants are being given out this year as the Foundation transitions to the new funding model; we have to wait until 2103 - but the reward is bigger grants!

We on the District 7120 WASH Committee are anxious to do the most we can with the money that 7120 Rotarians have been donating to the Foundation over the years; grants of $200,000 or more will be available plus more money available to the District Governor to distribute. The result is a greater impact in what we as Rotarians can do to create “Peace Through Service”.

Under the Future Vision process we as a District will be able to bundle together multiple projects of various types (water filters, wells, medical care, hand washing and education for instance), but the greatest impact will be where a variety of projects focus on one area in need - grouping projects which will support each other, improve sustainability and make a longer lasting change in the lives of the people served.

Of course we will always encourage, support and help facilitate wherever your club is involved in a water, sanitation or hygiene project. The first step is simply knowing what you are doing.

We have written to all Club presidents to find out what YOUR club is doing for international service projects - what the project is, and the country or region where that project is located, no matter how small or how large. Whatever your project, or your hopes, sharing the this information with our Committee will give us the information to put together a valuable and exciting proposal for Future Vision.
