October is “Vocational Service Month”. Rather incongruous as we approach an election, to include that of the President of the United States. From all that I read and hear: one may never have worked prior to elective office, and the other may be out of touch with the average working man. Nice. And we wonder why the rest of the world may feel a little uncertain about where the U.S. is and is headed.

Rotary is moving forward with new ideas and revitalization within our organization. For one area of interest we are returning to the thrilling days of yesteryear…. We are once again recognizing we are a networking organization, and have been since 1905. That was how we got started, did so very well, and then felt we were doing so too well and with good results. The failure of success. Now, thanks to youth and social networking, we have re-discovered who we are: THE OLDEST AND MOST SUCCESSFUL (WORLDWIDE) NETWORKING ORGANIZATION!

So, every week I see lists of “networking” meetings and functions. Most of those attending may have a network of people, but not a network of people with access to jobs and increased or better business. Think about what we have to offer. If we do not have the information, position, or business - we know the people who do. Or, we know the people who know the people who know the people. We have a great deal to offer just by inviting working people, or those looking for employment to our meetings. When employed, they just might join Rotary, but they will speak well of us.

Rotary is based on our classification, i.e., what we or our organization does/did. We are interesting and exciting due to the very diversity of knowledge and experience we have. Share it with the public and with Rotary, and in Rotary we should gladly accept and appreciate a member’s knowledge, experience, and talent. (Read that last sentence again and digest it.) As I visit and listen to our Rotarians, there are times I want to scream “Not all of what you need to know is in your head(s) or in this room/club/town/region/etc.!”

Brendan Behan was nicer when he said “Talent borrows; genius robs!” These days we might become Rotary Robin Hoods and spread around the richness of Rotary’s vocational wealth.

Oh, last month I was wrong when I stated 7 would read my monthly letter. There were 8. I’d be delirious (and some of you think I am) if the number grew to the number of the month. In this case it would be 10, unless you look at the name of the month or ….

Peace Through Service - Vocational Service.

**Partners in Service**  
by Dani Petrilli, Editor  
The Keukonian

Do you have a passion to give back to the community, the world? Want to be a part of one of the largest clubs on campus? You should consider joining Rotaract.

Why Rotaract? YOU can be a part of something huge! The motto is “Service Above Self” which represents what the club stands for. Rotaract’s focus is community service. This provides members with the opportunity to help be a part of something bigger than them.

Keuka’s Rotaract is an internationally recognized club and was recently awarded the Change Maker award. Also recently, Keuka’s Rotaract has recently received a shadowbox from the 10th Mountain Division out of Fort Drum, NY. They received this shadowbox in recognition for their ongoing support of the 10th Mountain Division. In the shadowbox, there is the flag that the 10th Mountain Division flew in Afghanistan while there as well as a certificate expressing their gratitude for all of the support our Rotaract club gave them.

Amy Moore, co-president and senior, has been a part of the club since first starting her college career here at Keuka. “I think that campus should get involved because, we get to help not only the community here, we get to help the entire world,” she went on to say.

“My passion to give back to the community was able to carry over from high school to college, which is something I love.” Alex Morgan, fellow co-president and sophomore, said after being in the club since 2011.

If you are interested, Rotaract meets every Tuesday from 5:00pm to 6:00pm in the Corning room in the Geiser.

Get ready to make a difference on campus and in the community!

---

**Avon & Skaneateles Clubs Fellowship & Peace**  
by: Peter Adams, Skaneateles Rotary President

On Sunday September 16th, 2012 with beautiful blue skies & temperature in mid 70’s, 35 Skaneateles, NY Rotarians, & friends met 28 fellow Rotarians & friends from Avon, NY for a Multi District Wine Tour down beautiful Seneca lake!

We started at the Ventosa Winery on the East side of Seneca Lake. While we had a working lunch, Avon Rotarian & school principal Rob Lupisella, gave us a presentation about his work in Nicaragua building a school for the children there last year. The pictures & video of the impoverished country, inclusive of the old school & the newly built school helped to paint a vivid picture of the needs these people have. It was well done & Rob had handmade baskets made by the ladies of that Village for sale & a signup sheet for those interested in going down there to do work to build a second school! We’ll ask Rob to come to our Meeting in the near future to show his presentation to the entire membership!

Following our lunch, we headed to Three Brothers Winery (which included a brewery) and concluded at Zugibe Winery which had relaxing Adirondack chairs, a deck, live music, with views of the vineyards & the lake while we enjoyed the late afternoon rays of the sun! We enjoyed each other’s company & the fellowship with the Avon Club!

Who knows this just might become an annual trip!

---

**NOTICE**

The due date for Nominations for District Governor 2015-2016 has been extended to October 23, 2012.

See last page for application form.
Let’s Put 7120 On The Map !!!

By Paul Minor, Chair
District 7120 Water Hygiene and Sanitation (WASH) Committee

Sunday, November 4th is the Eastern Cities Dinner at the Riverside Convention Center in Rochester. Last year eighty-six clubs - 680 people - attended, Rotarians and exchange students from all over the world. This is a great chance to showcase what the 68 clubs of District 7120 are doing to make “Peace Through Service” a reality.

The District WASH (Water Hygiene and Sanitation) Committee will have on display a LARGE map of the world. You can place stickers in each of the countries where clubs are currently involved in an International Project - these should not be just water projects. We want to show all the projects where Rotarians are working to build “Peace Through Service”.

WASH plans to prepare a Foundation Global Grant request for next year that will support not just water and sanitation in one or more areas of the world where we are already doing good work, but also will include as many of the other focus areas as we can in our project.

Please help us identify as many of these projects as we can. We will have stickers for you to add to the map if you don’t see your club represented.

Look for our table during the social hour - better yet, just look for the map! Let’s show our fellow Rotarians just how far District 7120 reaches!

Rotarian of the Month at Belmont

Rotarian Mike Healy was recognized as Belmont Rotary’s Member of the Month for October. Mike has lived in Belmont most of his life and chose to raise his three daughters Carissa, Megan, and Devan here. High school graduation led to service in the United States Army, brief employment in local industry, and then a career in law enforcement, from which he retired as a New York State Bureau of Crime Investigator. Always one to be active and involved in his community, Mike is now in his third year as an Allegany County Legislator.

Mike has served two terms as club president (1990-1991; 2007-2008) and has served in various capacities. He currently serves as the Club’s Vocational Chair.

Canandaigua Rotary Welcomes New Teachers

New teachers were recently welcomed at the Canandaigua Rotary Club meeting at Steamboat Landing. The ten teachers were enthusiastic at starting their new careers at Canandaigua Academy.

(photo by Jack Kellogg)
Dick Joseph Receives 3rd PHF

At a recent meeting of the Canandaigua Rotary Club Dick Joseph was presented with his third coveted Paul Harris Fellowship Award.

Mr. Joseph was a Canandaigua Academy graduate of 1942 and served in the US Navy during WW II. He retired from Victor Central Schools after 37 years as a teacher. During that time he also served as treasurer of the NYS Teachers Association for 21 years.

Dick was also very active in the Cub Scouts and Sea Scouts, and the Community Kitchen. He was coordinator of the Ontario County tax counseling for seniors for 15 years, Chairman of the Board of Assessment Review for the City of Canandaigua for 20 years, trustee of the Ontario Children’s Foundation, and the Granger Homestead, and served as a director of Rotary.

Mr. Joseph was also active in the YMCA Variety Show for 25 years, and sang in the Finger Lakes Community College Choral. In his spare time he has enjoyed tennis, biking, hiking, gardening, reading, and has traveled to 90 countries.

He has been married to his wife Anne for 60 years, have four children and eight grandchildren.

Brian McConnell Recognized with PHF

Corning Rotary Club recently recognized Brian McConnell with the Paul Harris Fellowship award for his service in Rotary and the community.

Brian is presently the Executive Director of the American Red Cross, South Central New York region. He has more than twenty years of experience in the human services sector.

Brian was born in Elmira, NY. He received a Bachelor of Science degree in Criminal Justice from SUNY College at Buffalo concentrating in Human Services and Psychology. Brian continued his education and received a Masters of Science degree in Education from Elmira College. He is presently completing his dissertation to be awarded a Doctor degree from Capella University School of Human Services, Nonprofit Management.

Brian has been married to Amy Winner for 16 years. They have two sons, Benjamin 6 years old and Henry who is 4 years old.

Brian joined The Corning Rotary Club in 2003. He has served as Rotary Finance Chair, Master of Ceremonies for the Rotary annual International Dinner fundraiser, and has served on the Rotary Board of Directors. In 2006 Brian was selected president of the Corning Rotary Club.
**Pittsford Rotary hears about the “4-Walls Project”**

The Pittsford Rotary Club hosted two guest speakers from the, "4 Walls Project,” which is changing the lives of families in the rural town of El Sauce, Nicaragua, by building safe and sturdy houses using hand made bricks, hand cut wood, zinc roofs and more.

Pittsford Rotarian Charlie Rosenberg (left) said in 2013 he will volunteer and travel internationally with the "4 Walls Project" by building a house with handmade bricks, hand cut wood and a zinc roof in El Sauce, Nicaragua. Colleen Dunham (center) and Founder Bonnie Yannie gave a presentation on how 52 homes were built by volunteers since 2008 in almost 105F (40.5C) heat! For more information about this worthy family enriching project, surf to: www.4WallsProject.org (submitted photo: Dave Boyer).

2012-2013 Pittsford Rotary Club President Bruce Spector (left) is delighted to accepted a very generous donation of $1,450.00 from Amica Companies Foundation to the Foundation of the Rotary Club of Pittsford, New York. This check was presented by outgoing Pittsford Rotarian John Siegfried of Amica Mutual Insurance Company. John has accepted an out of state new position with Amica. He said he will seek out and transfer his membership to another Rotary club. (submitted photo: Dave Boyer).

---

**Bath Rotary Presents Dictionaries**

On October 11th as part of October’s National Information Literacy Awareness Month, Bath Rotary Club presented dictionaries to all third graders at the Vernon E. Wightman Primary School in Bath.

Displaying their new dictionaries are the students in Mrs. Erica Streicher’s class. Back row left to right: Colleen Clancy, Guidance Counselor at VEW; Elaine Tears, Bath Rotary Club Public Relations Director; Becky Stranges, Bath Rotary Club President and Literacy Project Coordinator; Neal Wrinkle, local Rotarian; John Stranges, Bath Rotary Club Vice-President; Erica Streicher, VEW 3rd grade teacher. Absent from photo: Al Johnson, Robin Lattimer, and Michael Slovak.

In a letter sent home to the parents of all third graders Stranges wrote, “We hope you will take time to read with your child and encourage the use of the dictionary whenever an unfamiliar word should appear. A strong vocabulary is a vital ingredient in the recipe for success in life. Together we can share the dream that all children in the world may be afforded a chance to become literate.”

The local club will also present dictionaries to all third graders at Campbell-Savona Central School on October 18th. Since this is the first time that the Bath Rotary Club will enrich the school years for these students. Stranges and a group of local Rotarians look forward to meeting those students, their teachers, and respective administration.

In order to promote literacy further, highly valued by all Rotarians, books, donated by the local club members, will be given to the local library or some other institution or organization in honor of the speakers at the club’s weekly luncheon meetings. In addition, the local club sponsors magazine subscriptions for the Dormann Library and fills bookshelves at laundromats, banks, hospitals, and the library with children’s books.
Canandaigua Rotary

At a recent meeting at the Steamboat Restaurant the Canandaigua Rotary Club inducted Kathi Nevin and Jen Barlow.

Kathi Nevin is the newly appointed City of Canandaigua BID Director and has been involved with Wood Library, Gleaners Community Kitchen, Thompson Guild, and Arts in the Garden. She has 3 children and a grandchild, and is married to Dr Phil Nevin. They have called Canandaigua home for over 20 years.

Pictured above is Jen Barlow with her sponsor Zoe Fackleman. Jen Barlow is an Advertising Representative for the Messenger for the last 5 years. She is married to Robert Barlow, and they have an eight year old child.

Two more new members were inducted at Canandaigua Rotary - Thresa Fantone and Bob Matson.

Theresa Fantone is with Dale Carnegie, has two daughters and a son with husband Bob of 25 years. Both use to work for American Airlines. Theresa has also been involved with Youth Ministry.

Bob Matson’s name may be familiar since he was editor of the Messenger, but is now the Director of FLCC Community Affairs. His wife works for the Rushville Health Center and he reports that their 3 kids have grown up and gone.

Pictured above, left to right, are John Spare, Greg Gullo, sponsor Lindsey Dixon Marianetti, Theresa Fantone, Bob Matson, and sponsor Tom Mees.

Newark Rotary

On October 4th, Newark Rotary inducted Vincent Riccio (left) into membership. Vincent’s sponsor was President Elect John Zornow (center). Club President Bob Bendix is on the right.
Avon Ambulance Building Dedication -

On August 19th, Ted Coyne, long time Avon Rotarian, was surprised when he was diverted to the Avon Ambulance Building, where a group of friends and family gathered to pay tribute to his 57 years of continuous service to the Avon Rotary-Lions Ambulance Service.

Ted was one of the original founders of the Avon Ambulance in 1955, which started providing service to the Avon community with a used hearse and a handful of volunteer drivers. For a great majority of the years, Ted has served on the board of directors, keeping an eye on expenditures and making sure that the ambulance was fitted with everything it needed to operate. When the ambulance moved to its current home base, Ted was there donating time, equipment and experience to help bring the facility up to a suitable operational level.

Over the past 57 years, the Ambulance has provided lifesaving services to those in need, and it is through the generosity and dedication of those like Ted that has made it all happen. It is an incredible feat that Ted has quietly achieved to have dedicated this many years to a cause that benefited so many citizens of Avon.

Regular Price (after 10/16/2012) - $47 per person

District Governor Visits Bath

On his visit to Bath Rotary, Governor J. Gaven Hurley spoke about the Rotary International theme of Peace Through Service. Before his presentation he asked those Bath Rotarians who had served in the military to stand and be recognized by their fellow Rotarians; this group included Al Johnson, Ernie Peltz, Greg Schultz, and Neal Wrinkle as well as visiting Hammondsport Rotarian, Larry Bates.

DG Gaven presented President Stranges with a copy of the book, “Paul Harris and the Birth of Rotary.

Dr. Hans Koomen Receives Multiple Paul Harris Pin

At the September 11th Avon Rotary meeting Dr. Hans Koomen was presented with a multiple Paul Harris pin.

District Governor J. Gaven Hurley was present and congratulated Hans - reminding the club of the importance of being a multiple Paul Harris Fellow.
Naples Rotary contributes to Ngamba Preserve

Based on DNA studies, we humans are 98.7% chimpanzee. With this statement Jack Jones introduced his friend Stany Nyadwi (pictured at left) to the Naples Rotary Club. Jack is researching his next book which is tentatively called “My Brother Chimpanzee.” Stany is a co-founder and manager of the Ngamba Island sanctuary for orphaned chimps in Uganda. The preserve is on a 100 acre island in the middle of Lake Victoria in Uganda. The non-profit sanctuary, now an independently operated wildlife refuge, was established by The Dr. Jane Goodall Institute. Dr. Goodall is the world leading authority on Chimpanzees.

Dr. Goodall is being honored this month by the United Nations for her work. She invited Stany and Jack to NY to be her guests at the U.N. on Sept. 21st for the annual International Day of Peace ceremonies after learning that Jack and his friends were bringing Stany to the U.S. in September. Jack took the opportunity to introduce us to Stany, one of only five people in the world who can actually “talk” to Chimpanzees, according to Dr. Goodall.

Jack has spent much of his journalism career writing about prisoners and forensic issues. He has written books on the Son of Sam, the man who murdered John Lennon and other high profile killers. He is interested in the connection between chimpanzee behavior and human violence.

Stany explained during an interview that, like the orphan chimps, he also has survived life-threatening trauma and loss of family. A member of the Hutu people, he lost his parents and 6 siblings to a Tutsi murder squad while out of his native country relocating 20 members of a besieged Jane Goodall Chimp colony in Burundi. Besides talking to Chimps, Stany is the Founder and Executive Director of a Christian mission to aid human orphans. On the evening he spoke to our Rotary, he was wearing his Chimp hat and described our closest primate relatives as being strong, smart and curious.

Stany also explained that Ngamba Preserve is in need of a new fence to contain them. In the wild chimps need about 75 acres per animal to assure an adequate food supply.

Naples Rotary (continued):

Having 48 Chimps on a hundred acres presents real challenges. The Naples Rotary Club voted to give the preserve $500. These sanctuaries are becoming even more important as habitat destruction had reduced the wild population by 90% in under 30 years. Less than 100,000 chimps survive in the wild.

Belmont Rotary Welcomes First RYLA Student

Last spring Genesee Valley high school student Mackenzie Ward became the first person to ever receive the Belmont Rotary Club “Rotary Youth Leadership Award”, enabling her to attend the Rotary Youth Leadership Camp in Rochester, New York. Miss Ward engaged in activities designed to develop and enhance the leadership qualities of our youth. Mackenzie enthusiastically shared her involvement in the camp activities stating, “I would go again in a minute - it was a great opportunity for me!”

Shown above, left to right are: Miranda Van Dyke, Mackenzie Ward’s mother, Belmont Rotary President Mary Fuller, and RYLA student Mackenzie Ward.

Reserve Now for the District 7120 Conference

Do it now so you won’t forget!
Registration information and forms can be found on the District’s website at http://www.rotary7120.org
See you in Lake Placid - May 3rd, 4th & 5th, 2013
Allison Osborn of YEA visits Avon Rotary

YEA (Young Entrepreneurs Academy) is a groundbreaking educational program offered at the University of Rochester and SUNY Geneseo that takes students in grades six through twelve through the process of starting and running real businesses over the course of a full academic year. Students work closely with local business leaders to cultivate and research business ideas, write a business plan, present their plan to a panel of investors (think Shark Tank meets The Apprentice meets American Idol!), obtain funding, develop their brand and actually launch their real, legally-registered business. Through YEA!, kids 11 to 18 years old learn to make a job, not just take a job.

At their Tuesday, September 25th meeting Avon Rotary presented a check for $500 to help sponsor an Avon High School student.

Exchange Students have birthdays too.

At left is Bloomfield’s Exchange student Santiago Arroyo Narvaez from Mexico. He just turned 16.

President Dan Kwarta presented Santiago a birthday gift of two Baltimore Ravens jerseys, Santy’s favorite football team. He also received another cake with candles.

Haverling Interactors Support Their Co-Advisor During Wineglass Marathon

On September 30th nine members of the Bath-Haverling Central School Interact Club rose early, donned volunteer t-shirts, held up their handmade poster, and awaited at the mile 2 water station of the 31st Annual Wineglass Marathon for their Co-Advisor, local Bath Rotarian Dave Stewart, to run by and hear their cheer, “Run, Mr. Stewart, run! You can do it!” Before and after Stewart passed by, the students offered Gatorade to the other marathoners.

Also helping at the water station were Bath Rotarians Joel Brazie, Bernie Burns, Betsy Burns, Al Johnson, Joanne Sheehan, Elaine Tears, and Bill White. Joel Brazie, the local club’s Director of Community Service, organized the setup at the mile 2 water station.

Dave Stewart, also the local club’s Director of New Generations, finished the 26.2 mile run in 4th place in his age class, 70-99 year old males, with a time of 4:42:48. In addition to Stewart local Rotarian Kelly Fitzpatrick ran the 2nd Annual Half Marathon which started in Campbell and also ended in Corning. Fitzpatrick placed 3rd in her age class, 45-49 year old females, with a time of 1:43:34.
**HF-L Rotary Interact Club Community Service Project**

The Honeoye Falls-Lima High School Rotary Interact Club sponsored a clean up and bulb planting in the Honeoye Falls Rotary Park on Sunday, September 30. Twenty plus high school students raked leaves, planted hyacinth, daffodil and other bulbs and colorful mums in the garden at the lower entrance to the Rotary Park playing fields.

Interact Board advisor Allison DeMarco helped the Rotarians serve burgers and hot dogs to the hungry students after this Community Service Project. A fun football game and casual talk followed the picnic lunch.

Interact Board members are: Maddy Avallone, co-president; Ana Rose Cromwell, co-president; Jake Apthorpe, vice president; Joseph Moore, committee chair; Abby Tobin, Community Service chair; Sophia Cromwell, secretary; Kendall Knaak, treasurer; Mrs. Alison DeMarco, Interact Advisor; Mrs. Chris Radi, Assistant Interact Club Advisor; Principal Dan McCarthy, HF & M Rotary New Generations Chair.

Above are members of the HF-L Interact Club.
