Happy Spring!! Happy New Year!!

Well you are probably wondering why I began that way...but spring is when we begin anew...grass grows, flowers bloom, birds sing...and Rotary begins, not just a new year, but a new era. With July 1 comes the long awaited implementation of the Future Vision Plan. The new grant model begins now. Thanks to the work of many in our district (PDG Gaven Hurley, PDG Chuck Turner, DGE Scott MacDonell, DGN Bill Gormont and especially PDG Jeff Krans) we are ready. Many clubs have attended Grant Management Seminars and submitted signed MOUs to become qualified. We have a variety of grants already in the works...we are off to a great start.

With the new plan came a greater amount of our district designated funds (DDF) that could be used for district simplified grants. These have been awarded and work can begin! The District Simplified Grant Committee led by Doris Marsh of Nunda did a super job of processing the requests and making the final decisions. I look forward to seeing the many projects completed as the year progresses.

We already have global opportunities such as a pediatric clinic and a water project...more on those in the near future (I have to write something every month! Unlike PDG Gaven I do not have a dog to help me. However a cat has just adopted us...we have named him Lollipop.)

The end of June Jim and I attended our first ever International Convention in Lisbon. It was quite an experience as 25,000 Rotarians gathered to meet. For me the fellowship was absolutely the best part. Everywhere we spoke to people from more countries than I can remember...I gave up trying to recall where I had heard what. I have a pile of notes to reread and put to use and new contacts worldwide and more business cards than I can count...we are already planning to go next June to Sydney, Australia for the 105th International Convention.

Someone reminded me this morning that Rotary Day at Frontier Field is only a little over a month away (Aug. 3rd)...yikes! I better learn how to pitch and quickly. I have asked all the 2013-14 Presidents for each club to buy 10 tickets. I would like support from the family of Rotary and hope many of you will come to laugh with me and not at me...in my family they say my middle name is not Grace! If you really can't attend, then please buy and donate the tickets as we need to sell at least 200 for the Red Wings to make a donation to literacy. The tickets are only $7.50 and there are fireworks after the game. Hope to see many of you there (or at least the ones who read this, PDG Gaven told me his readership went up over the year.....)

Finally I would like to thank PDG Gaven, the Council of Governors, the Governor Team and each and every one of you for making the journey to be District Governor so enjoyable and worthwhile. Our district is amazing in the support it gives to incoming governors...actually way ahead of many other districts as I have met and talked with their incoming governors. I have learned a lot from all the training and have said if we required half as much training to be a parent we would have a lot less delinquency! I can't thank you enough and I look forward to working with you all.

So, Happy New Rotary Year as we strive to Engage Rotary, Change Lives.

Yours in Rotary service,

Ellen
Changeover Celebration

On July first approximately 180 Rotarians and friends gathered at the Ventosa Vineyards restaurant to reflect on this past Rotary year under the leadership of DG Gaven Hurley and to welcome Ellen Hughes as our District Governor for 2013-2014. Gaven learned after midnight that he had lost his powers when he logged in RI’s website.

Several Rotarians were recognized for their valuable service to Rotary and the District. Some being the presidents of the clubs, District Secretary Linda Wyse and the District’s webmaster Bill Redden. And not to forget the past district governors.

And yes, the “Passing and Presenting of the Pins”:

Scott MacDonell (left) pins Bill Gormont (right) with the District Governor Nominee (DGN) pin.

Ellen Hughes (left) pins Scott MacDonell (right) with the District Governor Elect (DGE) pin.

Changeover Celebration (continued):

Super bock beer is great on a 30c (86f.) day in Lisbon

Beautiful day on the river along Lisbon for our two zone northland cruise and lunch after the opening session of the convention.

Monday was another busy day. We have over a page of sign ups.

Plenary session with D9700 - We met up with two couples from the D9700 Aussie area that we will be visiting next year.
The District Membership Committee Corner

A tidbit of District membership information:

Did you know how many of the 68 clubs in the District fall within the following divisions?

- 300-399 members = 1
- 200-299 members = 0
- 100-199 members = 2
- 50 – 99 members = 9
- 25 – 49 members = 22
- Under 25 = 34 (50%)

What can Clubs do to increase membership to get to the 25 members level or over? How could the District Membership Committee help?

The District Membership Committee will be holding a Membership Seminar on September 28, 2013 with Mary Berg, Rotary Coordinator for Zone 29, as the Keynote speaker.

Two sessions are planned for this great day. The first session will be held, in the morning, at the Dansville Public Library. The second session is planned for the afternoon at a location in the Rochester area. More details to come.

The District Membership Committee is here to assist Clubs in their efforts to attract, engage and retain members.

If you have any questions, please contact: PDG Norma at 585-425-4812 or leonora@frontiernet.net.

Avon Rotary Presents Scholarship

On June 13th at the Avon Central School Senior Awards night Avon Rotary presented the Linda Kime Memorial Scholarship to Ashley Stappenbeck.

Linda Kime was a special member of Avon Rotary and the Avon community, and truly lived a life of “Service above Self.” Linda volunteered her time and resources without hesitation and always with quiet humility. honesty and integrity were always guiding principles for Linda, and never let her health difficulties get in the way of her desire to give back to her community through her leadership of the Avon Interact Club and the Rotary Foreign Exchange Student Program.

It was with great pride and pleasure that Avon Rotary presented the $1000 scholarship to Ashley Stappenbeck. She is a familiar face having participated in RYLA last summer and the 12-13 Interact President. Ashley’s volunteer record is very impressive, making a difference in the lives of others. This Scholarship aims to honor Linda by recognizing hard work and service to others, and it is our hope that Ashley will carry these values with her into her future.

On May 30, Newark Interact, led by President Bethany, ran the Newark Rotary Club meeting. For the program, they presented their fundraising efforts to purchase a Rotary ShelterBox. Over $300 was donated by Newark Rotarians during the meeting, which enabled the students to meet their goal. The meeting concluded with the introduction and pinning of club officers for the next school year.

Newark Rotarian Delivers School Supplies & Toys to Haiti

Newark Rotarian Doug Doebler delivered 28 backpacks filled with school supplies and toys to the Kay Espwa II orphanage in Bon Repo Haiti in May. The 28 orphans were excited to receive these gifts provided and sent by the Newark NY Rotary club. Newark Rotarian Doug Doebler has been involved in fund raising and building over 1000 new homes in Haiti since 2003. The Newark Rotary Club has been donating funds to The Kay Espwa Orphanage in Haiti since the 2010 Earthquake.

Corning Rotary Presents Multiple Paul Harris Fellow Recognition

Pictured above is Floyd English with Rotary Club President Michele Donegan. Photo by Richard Perry

The Corning Rotary Club recently recognized Floyd English with a Multiple Paul Harris Fellowship award. Floyd has received five Paul Harris recognitions in appreciation of his service to the Club and the community.

Floyd is a Past President of the Corning Rotary Club. During his 59 years of service to the club, Floyd has been extremely active with the Youth Exchange Program. He was the chairperson of that committee for 13 years where he coordinated the hosting of Rotary high school exchange students in the Corning Painted Post school district.

Floyd continues his service to the community and Rotary through his participation with the Rotary Interact Program. Floyd has been the lead person for the Rotary Interact Program for over 5 years and continues to serve on that committee by transporting selected Interact students to weekly Rotary luncheons and introducing the students to the club.

Floyd has served as a board member of Camp Star. He has served as treasurer of the 5 Rivers Boy Scout Council and served as president of the United Fund Campaign which is currently named United Way Campaign. Floyd is a past Master of the Free and Accepted Masons of Corning. He is also a past member of the Corning Junior Chamber of Commerce formerly known as the Jaycees.

Floyd and his wife Carolyn have been married for 68 years. They have three sons David English, Penn Yan, NY, Doug English, Rochester, NY and Tom English, Painted Post, NY. Floyd and Carolyn have 4 grandchildren.

Past Rotary International Director
Dr. William P. Cadwallader, Jr.
1938-2013

PRID Bill Cadwallader, who was a great friend for our District (7120), who helped the Rochester Rotary Club arrange to have the current RI President to be the keynote speaker for the Eastern Cities Dinner, passed away on July 5th. Bill attended every Eastern Cities Fellowship Dinner and was also active with PETS.

Bill belonged to Rotary International from 1968-2013 and lived out its Four-Way Test. He served as president of the Cortland Rotary Club in 1974 and went on to hold additional positions of Youth Exchange Chairman (1979-81), GSE Team Leader to India (1978), District Governor (1982-83), Rotary International Director (1990-92), and National Coordinator for PolioPlus for the Northeast (1988-2002) when Rotary raised $240 million to vaccinate the children of the world against polio. He also led a worldwide Task Force on Population and Development chairing conferences in Zurich, Switzerland with the United Nations, New Delhi, India with the Indian government and Brasilia, Brazil for all of Latin America. Using the ZAP tools developed in Cortland County, Bill worked tirelessly on a project to promote Zero Adolescent Pregnancy as well as HIV/AIDS testing and treatment in Central and South America. Bill expressed strongly the need for literacy and education among young people around the world as means to improve women’s health and reduce infant mortality. Bill’s strong desire to improve the lives of the less fortunate took him around the world with visits to countries in 6 of the 7 continents.

Bill grew up on a dairy farm in southern New Jersey learning the fruits of hard work and musical humor of Phil Harris. He attended the George School in Newtown, PA where he made many lasting friendships and admired teachers who instilled a love and passion for life-long learning. He did his undergraduate work at the University of Pennsylvania and received his Doctor of Veterinary Medicine from Cornell University in Ithaca, NY.

Bill was married to Jean Patricia Kitts on June 11, 1961 in Ithaca, NY. They have three children, Beth (Kent) Horsager of Minneapolis, MN; Blake (Lori Thrune) of Eden Prairie, MN; and Deb (Harrison) Taylor of Nashville, TN.

Bath Rotary’s Fundraiser

By Elaine Tears

On June 29th and 30th the Bath Rotary Club sponsored a coffee break fundraiser at the Campbell Rest Area on I-86 East. Since the event was held on state property, the club could not charge for any of the food or drink available. Donation jugs were placed throughout the four tented areas, and as a result, the club profited $ 1775.72 for the two day fundraiser.

The money earned from this fundraiser will be used for the local club’s international project in Ko Village, Ghana. The project has three phases: (1) mosquito nets to help reduce the incidents of malaria; (2) medical supplies for the local medical clinic; (3) treadle sewing machines and training for young women on these machines.

Working Meeting for Spencerport

Spencerport Rotarians took their weekly meeting to Foodlink to sort nine skids of rescued products that will be redistributed throughout ten counties in Western NY state. How rewarding it felt to have played a very small role in a process that collects, sorts, proofs expiration dates, and distributes 13 million pounds of food annually to over 450 not-for-profits. That’s 6 million meals to 150,000 different people. We’ll go back to help again!
Waterloo Rotary has pledged to donate $1,500 over three years to the National Memorial Day Museum repair and restoration fund. Rotary Past President Doris Wolf made the presentation to Waterloo Library and Historical Society President Coreen Lowry and Jim Hughes, chairman of the capital campaign for the National Memorial Day Museum.

The museum is located at 35 East Main Street, in the village that is officially recognized as the “Birthplace of Memorial Day.” The historic building was constructed in 1835 as a private residence and professional offices. It was acquired by the Waterloo Library and Historical Society to become the Memorial Day Museum in 1965 and was designated the National Memorial Day Museum in 2010.

Memorial Day Museum (continued)

Through exhibits and artifacts, the museum honors the soldiers of the Civil War and tells the story of the village’s designation as the official Birthplace of Memorial Day. Additional upstairs rooms honor the veterans of all wars. Additional contributions were received from Sessler Family and Celebrate Commemorate. Contributions are tax deductible. For more information, or to donate, contact Jim Hughes at 315-539-3674 or jhughes10@rochester.rr.com.

Gananda Rotary Scholarship

Lauren Friedl, a graduate of Gananda High School Class of 2012 received the Gananda Rotary Scholarship this year. Lauren has volunteered more than 50 hours of community service with the Gananda Rotary Club. Gananda Rotary, in the summer of 2012, sent Lauren to attended RYLA, a Rotary Youth Leadership Academy. She plans on attending MCC in the Fall pursuing a career in Business Administration. Lauren is the daughter of Elisa and Dennis Friedl of Walworth.

GSE Team Member at Bath Rotary

Ryan Hallings, a member of the District 7120’s GSE team to District 2410 - Sweden and Latvia, receives a certificate of appreciation from Becky Stranges, Bath Rotary Club President, for his presentation to the local club on June 27th. Stranges also informed him that a book would be given to the Red Bookshelves of Steuben County in his name. Elaine Tears, Bath Rotarian and first cousin once removed of Hallings, had asked him to be a speaker.

Rotary Day At Frontier Field
Come out and join the fun at Frontier Field on Saturday, August 3rd at 7:05 PM.

Rochester Red Wings vs Syracuse Chiefs
DGE Ellen Hughes has challenged DGE Dennis Schonewetter from District 7150. If the Red Wings win Dennis will donate a $1 to the Foundation for every Rotary ticket sold. If the Chiefs win DGE Ellen will have to donate! DGE Dennis from 7150 has said he will come to the game! What good fun! Please come out and support DGE Ellen as she tries to throw out the first pitch (should be good for a laugh and well worth the ticket price according to DGE Ellen's sister). She would like some people there who are laughing with her and not at her!

Remember if we sell over 200 tickets the Red Wings will give $1 for each Rotary ticket sold to our literacy committee. DGE Ellen would like each club to buy 10 tickets. If you really don't want to come, there are numerous places to donate them . . . . the schools your club donates to, the little league team your club funds, the ARC … use your imagination.

Come early and share a delicious picnic, or just come to the game, support the Wings and help our cause.

The club that sells the most tickets can provide the -- Honorary RED WINGS BAT-KID for the game!!!

Gates open and picnic begins at 6:00 PM (Picnic will go on rain or shine!)

This your chance to come out and have a great time with Rotarians from across the District, and help both the Rotary Foundation and Literacy all at the same time.

Ticket order form can be downloaded from the District’s website. Ticket orders must be received by the Red Wings no later than July 19th!!!!!!

Hope to see you there!
