Ahoy Matey!!

What on earth am I talking about you may ask? And if you do, I will say you were not at the District Foundation Brunch on Sunday, November 10, 2013. I am so sorry you missed this wonderful district celebration of the foundation and the wonderful presentation by polio survivor Marilyn Mullin (see Foundation Chair Jeff Krans article on p. 2).

We celebrated the new major donors since last November: PRID Jack and Kathy Best, DG Ellen and Jim Hughes and one other I have been asked not to mention until I can get to a club meeting to present to that individual. We celebrated new benefactors, bequest society members and new Paul Harris Fellows. If all that was not enough, I was proud to announce two new initiatives in the district:

1) The creation of a Paul Harris Society. This group of Rotarians who commit to donating $1000 a year for as long as they are able. The charter members are Beth Cross-Wilhelm, Mahendra Shah, Jack Best, Jane Shaffer, Ken Steadman, Eva Steadman, Eric Schmidt, Diane Krans, Jeff Krans, Al Meilutis, Dave Nagle, Charles Tyo, Barry Kissack, Jim Hughes and Ellen Hughes. Joining is easy to do .. contact PDG Mahendra Shah who is the District Chair at mjshah@stny.rr.com and you're on the way!

2) Sail Aboard the SS Ellen. Join the district Sustaining Member Society by agreeing to donate $100 a year to the Foundation for as long as you are able. Fill out the form and send to Mahendra Shah. We know from RI that 300 Rotarians already give at this level...please join us and bring along the rest of your members. Wouldn't it be great to have 1000 Rotarians sailing with us? I even wore a captain's hat and had my picture taken on a boat....luckily it wasn't moving so no danger of seasickness!

Why all the celebration? Why is the Foundation so important? Well you could read the article I wrote for the Nov. grapevine or I could just say....it is the charity set up by Rotarians for Rotarians to enable us to stretch our dollars and further our purpose of doing good in the world. I always seem to end up back at the same thought....if you say you are a Rotarian, Why wouldn't you give to the Foundation? It is through the Rotary Foundation that we fund simplified grants, global grants for numerous projects in a variety of countries, a $30000 global scholarship, and contribute to Polio Plus to eradicate Polio. Where else can your dollars do so much good? We all choose our charities...we can't give to everything. Imagine sending money to every request you get in the mail and in your community. Now think about the good your Rotary Foundation dollars do in comparison...you might want to consider joining...we would love to add your name to the celebration next year! No one can do everything BUT everyone can do something!

District 7120 Rotary Foundation Sustaining Member Society

I would like to be a member of the District 7120 Rotary Foundation Sustaining Member Society and intend to contribute $100 US or more each year to The Rotary Foundation Annual Fund, Polio Plus or an approved Rotary Foundation Grant as long as I am financially able.

A Message from your District 7120 Rotary Foundation Chair:

Welcome to the first edition of The Arbor, our District 7120 Rotary Foundation Newsletter. It is my hope that The Arbor will support The Grapevine in District 7120! We will produce two editions a year, one in November, the second in June, so look forward to seeing them!

In the pages that follow, you will see reports on the happenings taking place at our Foundation Brunch and new District 7120 initiatives for the foundation. Join in as we celebrate our clubs and Rotarians for their commitments to the foundation, the selection of our very first Peace Scholar, the approval of our first global grant under the new Rotary Foundation grant model, and much more.

In advance of the Foundation Brunch, several of us phoned District Rotarians who had given $1,000 per year for the past three years to ask if they would like to join the Paul Harris Society, one of our new initiatives. As I made some of these calls, I was truly inspired by the passion and commitment of these Rotarians for the Foundation. Every single person I called said YES! Their enthusiasm is contagious, and affected me deeply. See the photo later in this edition and consider joining if you are able!

At the Brunch, we heard from Marilyn Mullen, a woman living with post-polio syndrome. She shared her positive orientation to life, her vibrancy, and her pluck. Seeing photos of her as a teen in a body cast for a year to straighten her spine and then later in a dress ready for a high school dance, you could not help but appreciate the struggle her life has been and rejoice in her determination to live it to the fullest.

Recalling that, let me end with an appeal to all our Rotarians. Archie Punjabi (see the November Rotarian) told us in Lisbon that she chooses to be a Polio Ambassador because it nourishes her soul. We are asking our Rotarians to be Ambassadors: raise funds for polio from your friends and colleagues. Ask them to join you in your commitment to end polio now. Your ASK is a GIFT: Just by asking, planting the seed, you are encouraging them to nourish their souls just as yours has been nourished. I can say from experience that by asking, you will feel a sense of purpose that will fuel your own commitment to all the programs of the Foundation you read about in this newsletter!

Jeff Krans
District 7120 Foundation Chair

Global Grant Needs Support

The District Foundation team is seeking support from our clubs for a Mobile Diabetic Eye Screening Service Project in the State of Kerala, in India. Our goal is to raise $4,000 from the clubs. A big THANK YOU goes out to the Palmyra-Macedon Rotary Club for committing the first $500 toward this goal. Clubs willing to join in this effort should contact Governor Ellen. Checks will not have to be written until after the first of the year, but we need commitments up front in order to apply for the grant.

To share a little about the need for this project, here is part of the proposal our partners in District 3201 sent us:

India has a high prevalence of diabetes mellitus and the numbers are increasing at an alarming rate. In India alone, diabetes is expected to increase from $1 million in 2010 to 87 million by 2030. Kerala is known as the diabetes capital of India with a prevalence of diabetes as high as 20% - double the national average of 8%. Blindness is one of the most feared complications of diabetes. Diabetic Retinopathy and Glaucoma are the two sight threatening diseases that a diabetic person can develop. Ignorance of the people about the eye complications that can lead to incurable blindness also add to the magnitude of the problem. The Mobile Eye Screening Service will contribute to the prevention of blindness screening for the signs of these sight threatening diseases as well as giving health education.

The Mobile Diabetic Eye Screening Service will have a vehicle equipped with instruments necessary to diagnose eye disease. The unit will be manned by trained ophthalmic technicians and supervised by a team of Rotarians that includes Ophthalmologists. An experienced interpreter will be available to manage the cases. The Mobile Eye screening unit will be based at various venues across the district and it will visit each area on a rotation basis. The aim of the project is to ensure that all patients with diabetes are screened periodically for the early detection of diabetic eye disease that contributing to elimination of avoidable blindness.

Remember, your club receives Foundation Recognition Points for every donation, be it to a global grant, the annual fund-SHARE, or Polio, even if the funds you donate as a club are raised in a public campaign within your communities!!!
Below you can see a spreadsheet outlining the use of District Designated Funds (DDF) so far this year. These are Rotary Foundation dollars that have come back to us from previous Annual Fund-SHARE donations by our clubs and Rotarians in District 7120. Clubs, of course, can apply for District Simplified Grants or Global Grants each year. Using DDF for Polio contributions is a matter for the Foundation Committee to determine from year to year, though input from any interested Rotarian is welcome.

Our first global grant has been approved to provide equipment for the Istanbul Faculty of Medicine’s Pediatric Clinic that will help with early diagnosis of birth defects and prenatal care, as well as care for premature births. Dr. Ken Steadman, Geneva Rotary Club, located written materials that have been sent to the Yenikoy Club, Turkey, for translation that will be available to expectant mothers.

The Brighton Rotary Club, with help from the Greece, Honeoye Falls-Mendon, and Penn Yan Clubs partnered with the Rotary Club of Istanbul Yenikoy. The Clubs contributed $3,000 and District 7120 contributed $10,000 in District Designated Funds (DDF) for this grant. With contributions from Turkey and the Rotary Foundation matching funds, this grant’s total value is $44,815.

The second grant will pay for a water treatment plant in northern Turkey. The Canandaigua Rotary Club has partnered with the Istanbul-Maslak Club in Turkey and committed $2,500. District 7120 has committed $8,125 in DDF. Our contributions and those of our partners when matched by the Rotary Foundation will bring the total value of this grant to $50,000.

Our third grant, also in the submission stage, is between District 7120 and District 3040 in India. This grant will support a literacy project. However, at this point, Rotary Foundation staff have raised several questions regarding training and sustainability that our partner must address. In this case, we have not been asked to raise funds from our clubs, as both districts are committing $10,000 of DDF for a $40,000 project.

In the spreadsheet you will see that we committed $2,500 in DDF as support for a rain water project in India. The recent Friendship Exchange visitors from Finland requested that support, and Governor Ellen and the Foundation grants team were happy to support them.

Finally, see a related article explaining the need we have at present to raise funds for a Mobile Eye Clinic in the State of Kerala in southern India.
Meet Bertin Mboko, Peace Scholar

On November 12th, the Trustees of the Rotary Foundation announced that our District 7120 candidate, Bertin Mboko, has been selected to receive a 2014 Rotary Peace Fellowship for studies as part of the Rotary Peace Centers for International Studies in peace and conflict resolution program.

Congratulations are due to Mr. Mboko, the Pittsford Rotary Club, and counselor Bob Vukosic! Only fifty three scholars were accepted worldwide, from a pool of over two hundred and fifty candidates.

Mr. Mboko requested and was assigned The University of Bradford in England for his program of study. His experience as a war refugee in Gabon, having fled from conflict in the Congo, gives him special insights into the painful circumstances created by war. He will no doubt contribute as much as he gains in Rotary’s peace program at Bradford.

Mr. Mboko writes of his experience:

“As a refugee, I established relationships with fellow refugees and eventually helped to develop an organization within the camp to provide many needed services: translation, procurement of resources, connection with non-profit and United Nations organizations, direct help with counseling and application for permits and change in status, negotiation with governments (both beneficent and hostile). I engaged in public speaking and education through the media, both to educate the public about the efforts and needs of refugees and to reach greater numbers of the refugee community.”

Mr. Mboko lived and worked in the refugee community for ten years. For eight of those, he was hired by the United Nations High Commission for Refugees and contributed not only as an organizer but also as a policy maker working particularly on water projects and micro-business support.

Upon resettlement in the Rochester area, both Mr. Mboko and his wife have worked for Wegmans, while he studied at Monroe Community College and Rochester Institute of Technology. He graduated from RIT in May 2013 with a B.A. in International Studies to complement his B.A. from the University of the Congo in Development and Economic Studies.

Peace Scholar (continued):

Efforts are underway to provide Mr. Mboko a forum at both the District Training Assembly April 5th and the District 7120 Conference in Burlington, May 2-4.

Peace Scholar expenses are paid for totally by the Rotary Foundation's World Fund. When our District nominates a candidate such as our Bertin Mboko, we are not required to attach any DDF or cash contributions to the nomination. Just as a point of information, in the past six years, Governors in our district have approved donations totaling $35,000 of DDF to the Rotary Peace Centers.”

District 7120 Recognizes Top Five Clubs in Total Giving

The Foundation’s awards for annual fund giving do not reflect the total giving by clubs. Many of our clubs give substantially to Polio and Global Grants. For 2012-2013, the top five clubs in District 7120 for Total Giving are:

**First place: Greece,** with $20,707 in total giving. This is a record for the Greece Rotary Club, and a substantial contribution that will help our district in the year of their favorite son’s Governorship!

**Second place: Pittsford,** with $18,072 in total giving. Quite a powerful way to show their Governor how much they appreciated his leadership!

**Third place: Canandaigua** with $16,987 in total giving. Canandaigua had a little problem with the recording of their end of year donations, but here at least our District recognizes the club as one of the top five on a regular basis!

**Fourth place: Newark,** with $12,568 in total giving. Newark is a great supporter of international grants and will be taking a lead role soon on a new global grant!

**Fifth place: Rush-Henrietta,** with $8,910 in total giving. Rush-Henrietta was First place in Annual Fund giving with $222.05 per capita!

Rotary - puts smiles on the children of the world!
A few Q and A from your Foundation Chair:

1. What is the first step to take for a club interested in sponsoring a global grant? **ANSWER:** Download the global grant proposal form, fill it out, and send it to Foundation Chair Jeff, the DG, or Grants Chair Chuck Turner. The team will appoint a person to serve as the club’s liaison through the process.

2. Where can we find the benefactor form? **ANSWER:** It’s a new form, and it looks like it is for Bequests. It is, actually, but the middle column on the form mentions that for a commitment of $1,000 in your will to the Permanent Fund of the Rotary Foundation, you will receive the wings of a Benefactor. Sign in under My Rotary at www.rotary.org, go to Ways to Give under the Foundation tab, then scroll down to the bottom and click on “Your Rotary Legacy” which is en330.

3. So, how do I sign up for online giving to the Rotary Foundation? **ANSWER:** Again, sign in at My Rotary, choose Annual Fund and SHARE, you’ll see a list of funds you could donate to. We encourage Rotarians to donate to Annual Fund—SHARE since these donations help us provide District Simplified Grants, support Global Grants, and support Polio-Plus.

4. Do we HAVE to attend a Grant Management Seminar (GMS) this year if we did last year? **ANSWER:** Every year, two members of the club MUST attend either a renewal GMS (for those who attended last year) or a full GMS (for those who are new to it) in order to be qualified to participate in foundation grants during the next year. See the District Foundation webpage for details.

5. Do you have other questions? Please email jkrans@rochester.rr.com and you will receive a response.

What are the rules governing Rotary Club banner recognitions?

The Rotary Foundation offers four Club banner recognitions. They are based on data the foundation has on record as of June 30th of each Rotary Year.

- **100% Paul Harris Fellow Club,** for clubs in which all dues-paying members are Paul Harris Fellows. This is a one-time recognition. Please inform your district governor that your club has achieved this goal. The Governor must take the initiative to request this banner.

For the following three, the Governor each year receives the banners for the previous year automatically:

- **100% Rotary Foundation Sustaining Member Club,** in which every dues-paying member personally gives $100 or more to the Annual Fund. Awarded annually at the end of the Rotary year.

  Two helpful hints from your Foundation Chair: 1) Encourage your members to check the box for Annual Fund—SHARE so that half their donation comes back to the district to use for District Simplified Grants, Polio, Global Grants, or to support the Rotary Peace Centers. 2) If everyone in your clubs gives $100 each year in their own name and then your club inducts a new member in June, consider requesting that new member to make a $100 donation in his or her name so that it is recorded before June 30th.

- **Every Rotarian, Every Year Club (EREY),** for clubs that achieve a minimum $100 per capita with all dues-paying members contributing some amount to the Annual Fund. Awarded annually at the end of the Rotary year.

  Two helpful hints from your Foundation Chair: 1) Encourage your members to check the box for Annual Fund—SHARE so that half their donation comes back to the district to use for District Simplified Grants, Polio, Global Grants, or to support the Rotary Peace Centers. 2) If everyone in your clubs gives something each year in their own name and then your club inducts a new member in June, be sure to send in a donation in his or her name so that it is recorded before June 30th.

- **Top Three Per Capita in Annual Fund Giving,** for the top three per capita giving clubs in each district. Clubs that give at least $50 per capita to the Annual Fund are eligible. Awarded annually at the end of the Rotary year.
**Foundation Brunch - 2013**

During 2012-2013, District 7120 Rotarians gave a record amount to the Annual Programs Fund--SHARE. Thanks to the generosity of ALL our Rotarians, District 7120 will receive more foundation funds than ever before in the annual allocation on July 1, 2015. These are the funds, called District Designated Funds, that the District can choose to use in 2015-2016 for District Simplified Grants, Global Grants, and/or as future contributions to the Strategic Endgame to Eradicate Polio. Pictured below are some of the award winners and recipients of recognition for special efforts in giving.

**Presentation of Chevrons to Paul Harris Society Members at the Foundation Brunch**

Our first Paul Harris Society (PHS) member and District 7120 Coordinator for our Paul Harris Society, PDG Mahendra Shah, presents the first class of PHS members with their chevrons.

Pictured above, left to right: Mahendra Shah, Jeff Krans, Diane Krans, Ken Steadman, Eva Steadman, Beth Cross-Wilhelm, Jane Shaffer, Jack Best, Ellen Hughes, and Jim Hughes. Additional members not present at the Brunch are Dave Nagle, Albert Meilutis, Eric Schmidt, Charles Tyo and Barry Kissack. DG Ellen congratulated all these members for their sustained commitment to the foundation. To become a PHS member, a Rotarian makes a commitment to donate $1,000 a year to the Annual Programs Fund-Share, the Polio fund, or an approved Global Grant, so long as they are able to do so. For further information, contact Mahendra Shah.

**Every Rotarian Every Year**

Seven clubs achieved the goal of averaging at least $100 per member in donations to the Annual Programs Fund--SHARE during the 2012-13 year.

Pictured above, left to right, are: DRFC Jeff Krans, Larry Evarts of Greece Rotary, IPDG Gaven Hurley, DG Ellen Hughes, Mary Fuller of Belmont Rotary, Linda Wyse of Ontario-Walworth Rotary, and Jeff Cassim of Waterloo Rotary. Receiving banners but not present were Chemung County Sunrise, Clyde, and Penfield-Webster.

**Milestones in Giving Recognized by The Rotary Foundation**

Pictured above on the right is Bob Owens, President of the Rush-Henrietta Club, receiving the banner for 1st Place in Annual Fund Per Capita Giving for 2012-2013 at $222.05. Also pictured with Bob is, left to right - Foundation Director Jeff Krans, DG Ellen Hughes and PDG Gaven Hurley.

(continued on page 8)
Milestones in Giving (continued)

Pictured above on the right is Larry Evarts, President of the Greece Rotary Club, receiving the banner for 2nd Place in Annual Fund Per Capita Giving for 2012-2013 at $202.73.

Pictured above on the left are Jack & Kathy Best receiving their Major Donor Crystal.

Pictured above on the right is Roger Ressman, President of the Spencerport Rotary Club, receiving the banner for 3rd Place in Annual Fund Per Capita Giving for 2012-2013 at $198.74.

Pictured above is Ellen Hughes receiving her crystal and pin as a Bequest Society Member.

Pictured above on the left is Jim & Ellen Hughes who received their Major Donor crystal & pins.

Pictured with DG Ellen is Roger Ressman receiving his Major Donor crystal and pin.
The Paul Harris Society and the District 7120 Rotary Foundation Sustaining Member Society

Trustees of The Rotary Foundation (TRF) recently adopted The Paul Harris Society as an official recognition program that recognizes individuals who make annual contributions of US $1000 or more. District 7120 has been requested to promote the program locally. Currently less than 3% of TRF supporters give at this level. Yet this small but committed group represents more than 35% of all Annual Fund contributions. District 7120 would like to recognize individuals in our District who have made a commitment to continue contributing $1,000 or more annually and become members of The Paul Harris Society. Those interested in joining the Paul Harris Society are invited to confirm their interest by contacting PDG Mahendra Shah, the Paul Harris Society Coordinator for District 7120.

Another Option

District 7120 has a large number of Rotarians who have made a serious commitment as Rotary Foundation Sustaining members. Some clubs have Sustaining member groups for those who make a contribution of $100 or more every year. We would like to recognize this group of Rotarians at the District level by inviting them to join the newly created District 7120 Rotary Foundation Sustaining Member Society.

To start, clubs are being asked to share this recognition opportunity with their members and encourage Rotarians to make a commitment to continue giving at least $100 or more annually to TRF Annual Programs Fund, Polio Plus or an approved Foundation Global Grant project as long as they are able to do so. Members who sign the commitment form for Rotary year 2013-2014 and send it to PDG Mahendra Shah will be Charter Members of the District 7120 Rotary Foundation Sustaining Member Society. The form is available on the District website: from the Foundation tab, click on Donating to the RI Foundation and scroll down to the bottom of that page.

District 7120 will also recognize this group at District functions to encourage more Rotarians to make the commitment to support TRF. Application form for membership in the Paul Harris Society is on page 9 of this publication. The form for membership in the District 7120 Rotary Foundation Sustaining Member Society is on page 1. PDG Mahendra Shah is available to assist any club or individual with questions and guide them through the process.

The District Foundation leadership will greatly appreciate any help from club leaders and Foundation Area Directors in identifying potential candidates for these two societies. Please feel free to contact PDG Mahendra Shah at mjshah@stny.rr.com or by phone at 607-734-5024.

DRFC Jeff Krans presented Paul Harris Society Chevrons to Al Meilutis and Dave Nagle - members of the Greece Rotary Club.

Pictured at left, left to right are: Greece Rotary President Larry Evarts, Area 9 FAD Dan Barletta, Jeff Krans, Al Meilutis and Dave Nagle.
Your gifts help provide...
- Vocational training in South Africa
- Water filters and hygiene training in India
- A scholarship for a medical professional in Italy to reduce child mortality rates
- Peace-building seminars in Uganda
- Insecticide-treated mosquito nets to prevent malaria in Mali

By making a gift of US$85 a month or US$250 a quarter you can join the society in a safe and secure way! You can sign up for Rotary Direct online or by completing the form below and see your life-changing gifts throughout the year.

Donating to the Foundation, Resources for Clubs

Multiple Donor Form, Standard Contribution Form, Rotary Direct On-line donating:

1. The quick and easy way to donate: Sign in at rotary.org, click on take action now, and choose the “Give Now” option for an on-line giving process.

If you check the Annual Fund-Share box, half of the annual donations come back to our district in three years as District Designated Funds (DDF). We use DDF to fund district simplified grants, global grants, and polio eradication. Of course, the Foundation is thankful for any donation, whether to the Annual Fund, Polio, the Permanent Fund, or other opportunity listed at the on-line giving page.

2. Sign in at My Rotary, hover over the Rotary Foundation Tab, then choose “Ways to Give” – The first item is called Recurring Giving: if Rotarians click on the Rotary Direct enrollment form, the form can be filled out on-line.

3. To download hard copy forms:

Follow directions in #2 above, then scroll down to the Resources links at the bottom of the Ways to Give page. Choose either the multiple donor form or the Rotary Foundation Contribution Form.

Club Presidents can download a pre-populated multiple donor form with all the club members listed, add dollar amounts each member is donating with this submission, and then print the form to mail with a check.

Club Foundation chairs, if the current president has reported to RI that they are the chair, can also download pre-populated forms.
