Well this is my last article … last July the idea of writing 12 articles seemed like a pretty high mountain to climb but here it is my last already. As the Rotary year ends it is truly bittersweet. At times (when I was named DGND) this moment seemed like light years away. But in fact the time has flown. What a great ride! I have loved every moment (oh...maybe not EVERY moment … maybe not the phone calls that started with Madame Governor, would you like the bad news or the worse news.....).

In the Rotary world this is Rotary Fellowships Month. I am planning to join the one for Past District Governors. There are so many choices … do you have a hobby or favorite activity? Any Rotarian can join the fellowship of their choice and if there isn't one to suit you, you can start one. Rotary Fellowships are each separate and join a group of Rotarians who have the same interest. You can be as active as you wish. There are ones for Wine Lovers, Travelers, Computer enthusiasts, many professions, and the list goes on. That list was in The Grapevine earlier this year. If you missed it, contact Diane Krans or look it up on rotary.org. Fellowships are a great way to explore the wider world of Rotary.

How can I begin to tell you about this incredible year? Perhaps I will start with people … with you. You have enriched my life and made being the governor a pleasure. I have enjoyed your meetings and your events … your company and your friendship. I have seen the outpourings of generosity from too many of you to count. After talking to many of my counterparts across the country and world I can say District 7120 Rotarians are the best. It occurred to me to start naming names of people who have impressed me immeasurably during the year, however, that would be a list too long to print. I hope I have thanked you along the way … and know that I am still grateful to you. Whether you have touched my life in simple ways with your kindness or have accepted my inquiry to either do me a favor or accept an opportunity depending on your outlook, I remember you. Whether you have walked beside me gladly or followed (sort of) willingly, whether you answered my cry for HELP or held me accountable, I remember you. You have made this year unforgettable and YOUR efforts are appreciated.

My greatest fear as I began was to disappoint you in any way. So while I do not always say what you wanted to hear, please know that I have worked hard to do my best. Some people say they could never do this job, but I will tell you that there is lots of training and more importantly, lots of help and support in this district. If you are on the fence about stepping up for any leadership position in your club or in the district, I urge you to take the leap. Rewarding does not begin to adequately describe the time I have spent in a variety of positions. No matter what has happened, I have learned from them all and from all of you.

I wish DGE Scott the same good fortune I have enjoyed. He is a fine example of what it means to be a Rotarian and will serve you well. And what will I do in the 13th month? I will, first of all, go to Ohio and take care of my two adorable granddaughters for a week. And then, the newly minted PDG will rest!

Thank you for taking this year to Engage Rotary. Change Lives. I look forward to working together with you and DGE Scott as we Light Up Rotary.

Yours in Rotary service,

DG Ellen
It was Wanda Tubbs Night at the Mendon Golf Club. Wanda is leaving New York for North Carolina but we didn’t want to let her go before we showed her just how valuable she has been to us as well as to Rotary.

Don Alhart was on hand to present Wanda with not only an “Avenues of Service Citation” from Rotary International, but her THIRD Paul Harris. Wanda has set the bar pretty high for the next member, but she would be the first to welcome them with a big smile and wide open arms. We’re going to really miss you.

Penfield Rotary leads Community Event

Penfield Rotarians Jack Best, Linda Kohl, Marie Cinti, Charlie Bellomo, Joe Best, Dave Sturtz, Mike Ciavarri and George Opira led a community event on May 9th to package 33,000 meals. Under the auspices of Stop Hunger Now, with headquarters in Raleigh, NC, packagers included 120 volunteers plus 80 individuals who work at Continuing Developmental Services. They were divided among four two-hour shifts and worked in teams of five to package carefully measured bags of rice, soy, dehydrated vegetables and a vitamins supplement. Their meals were sent to Panama, where about 70% will be consumed by elementary school children. Participants came from local churches, businesses, other not-for-profits and local residents.

Volunteers also donated 12 shopping bags of canned goods and non-perishables which were distributed through the Penfield Ecumenical Food Shelf. Penfield Rotary plans to package 50,000 meals next year. D-7120 Rotary clubs are invited to contact Jack if they would like to collaborate or replicate the project in their own communities.

Corning Rotary Club Honors
Julia Knapp Albertalli with Posthumous
Paul Harris Fellow Recognition
by Elijah A. Baity

The Corning Rotary Club posthumously honored Julia Albertalli with a Paul Harris Fellow recognition at a recent Rotary Club luncheon.

Julia Knapp Albertalli was born in Elmira. She was a direct descendant of Jacob Lowman who was one of the first settlers in Chemung County. Jacob received a Revolutionary War Related Land Grant in the 1790's for 10,000 acres of farm land. The deed to the land was signed by New York State Governor Clinton. The tenant house where Julie lived was built in 1819 - is still in existence and is the residence of Julie's brother.

After graduating from the University of Rochester, Julie moved to Vermont to teach elementary education. Julia went on to receive her Master's Degree from Elmira College and started teaching at the Hoffman Street School and then moved to the Booth School where she taught for more than 20 years.

Julie's passions included children and animals. In 1991, Julie coordinated a program on behalf of the Elmira SPCA that presented "critters" to schools in the Elmira, Horseheads and the Corning areas. Julia conducted up to 75 presentations per year. She continued these presentations until shortly before her passing in 2014. Julie also taught a living history course for 4th graders at the Brown Town School at the Benjamin Patterson Inn. The classes were held in authentic school house conditions to those of 100 years ago. These 4th grade classes were part of the curriculum of the local elementary schools.

Julie was the President and Treasurer of Delta Kappa Gamma honorary teachers' organization (Elmira Chapter). She served as the Treasurer for the Riverside Cemetery in Lowman. Julie also participated in Habitat For Humanity where she specialized in "decking" and serving meals at the Salvation Army.

Julia Knapp Albertalli (continued):

Julia has been a generous contributor to charities providing significant gifts to organizations that focused on children, animals, underdeveloped countries, and women assistance.

Geneva Rotary

The Geneva Rotary Club inducted two new members, Brian Finnerty of Geneva and Joe Scibona of Phelps, at its regular weekly meeting June 3.

Brian Finnerty (at left) is the owner of Pedulla's Liquors at Tops Plaza in Geneva. Scibona is the Branch Manager for Five Star Bank in Geneva. Brian is a member of the Knights of Columbus and the Board of Directors of the Nester Hose Company of the Geneva Fire Department. Active in the March of Dimes and the Geneva Family and School Association, he is a member of Our Lady of Peace Parish and is a Eucharistic minister.

Joe Scibona (at right) grew up in Seneca Falls and graduated from Mynderse Academy and Le Moyne College in Syracuse. He began his career in banking in 2001 and this year joined Five Star Bank where he manages the two Geneva branches.

Joe has a long history with the Rotary Club and was a part of the Seneca Falls Interact Club while he attended high school in the ‘90s. He is an active member of the Geneva Area Chamber of Commerce and has served on the Village of Phelps Planning Board. He is part of Geneva’s Our Lady of Peace Parish Fund Raising Board and is also the director the church’s annual golf tournament.

Ground Breaking for Playground at Avon
by Laurie Vonglis

For the last 3 years each President/Board of Directors committed $2500 per year to help build this playground. Along with a District matching grant of $3750 we are proud of our strong level of support totaling $11,250. The presidents involved were: Marcia Cameron, 2013-14 President, Laurie Vonglis, 2012-13 President and Kirk Vanderbilt, 2011-12 President. Pictured, left to right are: Marcia Cameron & Laurie Vonglis.

Hammondsport (continued):

Hammondsport Rotary was delighted to receive awards in three categories: Literacy, Vocational Service, and a Simplified Grant to support a new Duffy Books program at Hammondsport School. Duffy Books is a program which gives new books to elementary school throughout the school year. We have been modest supporters of this program for the past four years. With this grant the club will be a major supporter of a new after-school program involving reading, exercise, snacks, and of course, free books for grades 1 through 4.

Hammondsport club has met the requirements for the Literacy Award for the past four years. The vocation award was for club participation in a presentation of vocational opportunities in our local area.

Cub Scouts, Boy Scouts, Academic All-Stars, Little League, Babe Ruth League, Hammondsport Volunteer Fire Company, Fred and Harriet Taylor Memorial Library, Music in the Park, the Palette Project, A Taste of Haverling, and the Jack Lisi Award are just a few of the local initiatives the club supports or sponsors.

Rochester AM’s Rotarian of the Year

On Awards day, Friday, June 7th Rochester AM’s President George Hulbert presented Kate Sherry with a plaque in recognition as "Rotarian Of The Year" 2013-2014.

Belmont’s June Rotarian of the Month

Crystal Sallazzo became a Rotarian because she wanted to become a helping hand in her community. She enjoyed community service and thought Rotary would be a good fit. As a youth Crystal participated in her Presbyterian Church Youth Group, volunteered as a crossing guard after school, and was track manager for her school’s track team during her senior year. In her adult years she volunteered for the daycare responsibilities during Vacation Bible School for the Wellsville Bible Church, served on the Head Start Policy Council, assisted with the Genesee Valley School Odyssey of the Mind team and has served as secretary/treasurer for her rather large family reunion.

How does Crystal view Rotary after her one year of membership in the Belmont Rotary Club? She sums it up quite nicely as she speaks from her heart. “Rotary does good things in the world. It is a program about people helping other people and making the world a better place. It is a bunch of little acts making a big impact. It is SERVICE for GOOD!”

Corning-Painted Post West High Interact Club Presents Rotary International Committee with $200 Donation

By Elijah A. Baity

The Corning Rotary Club was presented with a $200.00 donation from the Corning-Painted Post West High Interact Club. The donation was presented to the Corning Rotary Club International committee and will be used to provide clean water in third world countries. The donation will be matched with other Rotary International funds to provide over $800 to the effort of digging wells and providing a steady source of clean water to villages in African and Asian countries. The donation was a result of the Rotary Interact Club fundraisers

Bath Rotarians helped hang the baskets and position the barrels that day with the assistance of personnel from the Bath Village Department of Public Works. Funding for the flowers was provided by the Bath Rotary Club and the Bath Beautification Trust.

Pittsford Rotary’s 18th Annual Fishing Derby

The Pittsford Rotary Club hosted the 18th annual Kids Trout Fishing Derby from 9 to 11 a.m. last May 17th at Powder Mills Park. Due to flooding from recent torrential rains, the only access into Powder Mills Park was from Route 96. Kevin O’Grady, who organized the event had to pass this sad news the day before the event to everyone who was planning to attend. He organized additional volunteers stationed at Park Road school redirecting anyone trying to enter the park from that end. Fortunately, we were able to move the event from the Powderhorn Lodge to the fish hatchery which was unaffected by flooding. Otherwise, we would have had to cancel the event.

The Town of Pittsford Parks Department staff unloaded a couple of large fish in the hatchery pond for the little fishermen to catch. It was strictly a catch and throw fishing day. Unlike previous years, the young fishermen were allowed to take home their catch provided they were 9” or larger. It turned out to be a beautiful (slightly chilly) day to fish. But everyone had to go home empty handed.

Pittsford Interact Recognition Day

June 11th was Interact Recognition Day at Pittsford Rotary Club. As has been done in the past, Interactors took over all of the elements of the meeting except the club announcements. Some of them served as greeters and sold raffle tickets. Others handled the pledge, invocation and 4 Way Test. They had a Powerpoint of this year’s service activities while Pat introduced each one of the Leadership Team members to the Club. A couple of the seniors made brief speeches. Pat Mallery awarded pins and certificates to each one of the Interactors and Pres. Jerry helped him present them at the appropriate time.

Two hundred members of the Pittsford Mendon and Sutherland Interact clubs logged over 1,500 hours of community service hours in 2013-2014, and the year is not yet over! Among the organizations supported by the Interact clubs this year were Special Olympics, InterVol, HUGS, American Red Cross, Teens Living With Cancer, Heather Heights Senior Living Center, Salem Nutrition Center, Salvation Army, PS##34 Dr. Louis A. Cerulli School, Monroe County Office for the Aging, Parks & Trails NY, ARC of Monroe County and the Town of Pittsford.

At the RI Convention

RI President Elect Gary Haung (at right) spoke at our Zone event - Saturday Night Live. At left is PE Gary’s wife Corinna Yao.

Pittsford Rotary President-elect, Grace Soong (second from left), attended the Rotary International Convention in Sydney, Australia last week. This is her first Rotary International convention. She arrived safely in Sydney on the 1st day of the Convention, June 1st, and met her hosts, Carlingford Rotarian, Pamela and Robert Lawrance (mom and dad of fellow Pittsford Rotarian, Benjamin Lawrance) at the Convention site which was held at Olympic Park. Grace saw fellow Pittsford Rotarian and PDG Gaven Hurley. She also briefly met President-elect Gary CK Huang (pictured third from the right) at the President-Elect luncheon.

Grace attended a meeting at the Rotary Club of Carlingford, where she exchanged flags with Rotarians from Bombay (India), Timog-Quezon City (Philippines) and Accra West (Ghana). She also took 2 day trips after the convention. The first was a tour of Sydney, and the second was a trip to the Blue Mountains. Grace is looking forward to attending next year's International convention in Sao Paolo, Brazil. But this time, she'll take the whole family with her.

Brighton Rotary Meets with Rotarians at RI Convention

Brighton, NY: Monday, June 2, 7:15 PM and in Sydney Australia it was Tuesday, June 3, 9:15 AM:

Skype callers at the District 7120 DGE Home Hospitality Booth in Sydney line up to join Brighton Rotary’s regular Monday evening meeting in Brighton. Most all of the callers were alumni of the Milt Matthews Governor Elect Hospitality program.

Cathy Roth, DGE from Geelong, Victoria, Australia, and her husband John arranged the Australian end, while Pete Schwarz and new Brighton member Roland Steorts handled the US end. Dave & Judy Luitweiller, Victor Farmington RC and co-chair of the Milt Matthews Governor Elect Hospitality program attended the meeting and joined in on the conversations. PDG Mahendra Shah joined the call from his computer in Elmira Heights. PDG Norma & hubby Gary added their faces and hello before signing off.

It was a fun evening enjoyed by all.

**Peace Corps, Rotary Bound by Service**  
*By Carrie Hessler-Radelet, acting director of the Peace Corps*

I come from a family of Rotarians. My father is a Rotarian, and my Aunt Ginny - whose Peace Corps service inspired me to become a volunteer - was also a Rotarian. Peace Corps volunteers and Rotarians like my father and aunt are bound by a common purpose: Service. That’s why I’m excited about Peace Corps’ partnership with Rotary International and to see what we can accomplish together.

The missions of our two organizations reflect and reinforce each other, and our two families - encompassing Rotarians, Peace Corps volunteers and returned volunteers - overlap and intersect, many times over. In an increasingly interconnected world, coming together in common cause provides more opportunity than ever to have the greatest impact.

The Peace Corps and Rotary are old friends. Our organizations have collaborated on projects in literacy, water, sanitation, and health. Volunteers of both organizations work as members of local communities to address community needs. Rotary contributes to the Peace Corps Partnership Program, a mechanism for Peace Corps volunteers and their communities to access small amounts of funding to support grassroots, sustainable development projects. Rotary funds have helped to purchase everything from construction materials to library books.

This new collaboration will build on our continued efforts to promote service and global development, beginning in three pilot countries: Philippines, Thailand, and Togo. By piloting ways of working together, we hope to be more strategic at the country level, find administrative efficiencies and maximize our development impact.

We are eager to join together as we continue to inspire volunteerism across the country and around the world. If you are a Rotarian working with a Peace Corps volunteer, or a Peace Corps volunteer working with a Rotarian, please feel free to share your story!

*Carrie Hessler-Radelet is the acting director of the Peace Corps. She began as deputy director on 23 June, 2010. She is a returned Peace Corps volunteer (Western Samoa 1981–83) with more than two decades of experience in public health focused on HIV/AIDS and maternal and child health.*

Exchange Student Hosts Rotarians for an Evening of French Food and Thanks
By Dave Luitweiler

Rotary Exchange Student, Constance Bostoen (France), wanted to express her thanks for what she has considered as “the best year of my life” by hosting members of the Victor-Farmington Rotary Club to an evening of French cuisine – and so she did. On June 12th, Constance and her host family, Carol and Joe Zimmerman of Fishers, entertained a large group of Rotarians and friends and provided a variety of French food prepared by Constance and her “associate chefs.”

Preparing crepes - Margo Maybeck, Julliette Bellest, Constance Bostoen & Irene Zimmerman;

Helping in the preparations, under Constance’s guidance, were the Zimmerman family, including daughter Irene who will be a Rotary Exchange student in Belgium this coming year; Margo Maybeck of Victor who will be a Rotary Exchange student in Sweden this coming year; and Julliette Bellest, a current Rotary Youth Exchange student from France who is being hosted by the Canandaigua Rotary Club.

Popular items were the crepes – two varieties – and the crème brûlée dessert that was prepared in a true French fashion.

Constance spoke briefly to the group on her year in the Victor-Farmington community including the past year as a member of the senior class at Victor Senior High School. She noted the many friends she has made since her arrival last August. She thanked her two host families, Terryn and Steve Maybeck and Carol & Joe Zimmerman, for making her a part of their family life and providing her with two “Rotary sisters” – Irene and Margo.

In addition to the members and spouses of the Rotary club Constance had two other special guests, Yvonne O’Shea, Principal of the Victor Senior High School and Gretchen Dinardo, a member of the Pittsford Rotary Club and the Rotary Country Officer for French exchange students in this district. Constance noted that being an exchange student for a year in the USA was a dream she has had for some time and she thanked Rotary, and Gretchen in particular, for their help in making that possible.

Constance will participate in the graduation ceremony with her classmates at Victor Senior HS on June 27th at the Blue Cross Arena in Rochester.

On July 1st Constance will depart from Rochester on a Rotary-sponsored thirty day tour of the United States for exchange students via motor coach that will visit areas including Washington, DC; New Orleans; San Antonio; San Francisco; New Mexico; Houston; Yellowstone National Park; Salt Lake City; the Dakotas; Minneapolis/St. Paul; Chicago etc.
