My Fellow Rotarians;

Welcome to a BRIGHT NEW ROTARY YEAR! It is truly my honor and pleasure to serve as your District Governor for 2014-2015.

I congratulate immediate Past District Governor Ellen Hughes for an outstanding year. I thank her for her leadership and am inspired by her commitment to the ideals of Rotary.

This year our Theme, as put forth by Rotary International President Gary C. K. Huang, is “LIGHT UP ROTARY”.

It is based on the Confucian saying, “It is better to light a single candle rather than to sit and curse the darkness”. This can mean many things to many people. To me this means that we can each be that single candle that can light up others around us and spread the good word and works of Rotary. If we do this we will have 2500 candles shining brightly. And those 2500, the membership of our district, will soon light up many more around them.

This theme will resonate with Rotarians everywhere. This is because we immediately understand the metaphor. On a personal level “to light up means to grasp meaning, to gain knowledge, to understand, to see the way”. On another level, President Huang is asking us to light up Rotary “by sharing our service, strengthening our clubs, and letting our light shine in our communities through specific actions such as Rotary Days”. And yet on another level a way to light up Rotary is to shine a spotlight on what we do and the good we accomplish. We can do this by learning about public image and the use of social media. We cannot be afraid to let the world know of our work and our successes.

VIBRANT ROTARY CLUBS: Did you know that Rotary International has a Vision Statement? It is not nearly as well known as the Four Way Test or the Object of Rotary but it is a powerful statement worth sharing:

“Rotary is to be the service organization of choice with dynamic, action-oriented clubs whose contributions improve lives in communities world-wide.”

I think it is powerful because the statement addresses the following elements:

- **Mission**: we are a service organization.
- **Increasing membership**: we are an organization people choose to join.
- **Vibrant and effective**: we are dynamic and action oriented.
- **Doing good**: our contributions improve lives.
- **Where**: in communities, including your own, worldwide.

Did you also know that RI has a strategic plan which lays out how this is to be accomplished? This plan is based on the core values of Rotary; service, fellowship, diversity, integrity, and leadership. It has a Mission Statement: “Rotary is a worldwide network of inspired individuals who translate their passions into relevant social causes to change lives in communities”.

Do you detect a pattern here?

- **Worldwide network**: yes, we work with fellow Rotarians around the world on a variety of projects.
- **Inspired and passionate action oriented people**: in other words we don’t just throw money at problems we roll up our sleeves and do something,
- **Who change lives in relevant causes**: Rotarians make an impact for the better where it counts.

There is nothing staid or old fashioned in these statements. In other words, Rotary is not your grandfather’s organization anymore. A district goal for this year is to continue to get this message out.

Many clubs have developed their own strategic or leadership plan. Your president has posted Club goals for this Rotary year in Rotary Club Central on the Rotary.org website. All Rotarians have access to these goals simply by registering on MyRotary on Rotary.org.

I mention this because it has been proven, and we have exemplars, that when clubs have short and long range goals, when all members are informed and involved, when communication is precise and open, when there is a succession plan and leaders are well prepared, when the club is visible and has a presence in the community, membership grows and the club is healthy and vibrant.

(continued on Page 2)
MEMBERSHIP: One of our major goals for this year continues to be membership recruitment and retention.

In this area it is sometimes important to self-examine and make changes to move forward. We must remember that diversity is a strength and we must actively recruit demographic groups which perhaps have not been considered in the past. Some clubs are making their weekly meetings more family friendly. Is your club actively using social media? Facebook, twitter, Instagram, and YouTube, all have an impact and can help attract younger members and thus help revitalize clubs.

Our District Membership Chair, PDG Norma Madayag-Reilly, is planning a membership seminar on Sept. 27; one session to be held in Dansville in the morning and the other in Pittsford in the afternoon.

I do not believe in change for change’s sake and as we look forward it is important to remember and honor the successes and legacies of the past. Our clubs have done great things for their communities for many years. If these projects and activities still work and meet their goals, celebrate and continue. If, by chance, certain things have grown stale and there is a sense of going through the motions because “we have always done it” perhaps it is time to consider moving on to new and innovative activities.

After all Paul Harris himself once said, “If Rotary is to reach its proper destiny it must be evolutionary at all times and revolutionary on occasion.”

FOUNDATION: I cannot say enough about the leadership of PDG Jeff Krans and our Foundation Committee. This past year our Annual Programs Fund giving exceeded $200,000 for the first time. One thing this means is that in three years, 2016-17, Tom Rogers’ year, our district will have over $100,000 in Designated Funds come back to us. Half of this money will go toward District Simplified Grants and half toward Global Grants. Thanks to Jeff and our Grant Management Seminar Team more than 80% of the clubs in our district became qualified to apply for grants this past year and 45 received over $46,000 in Simplified Grants to be used in their local communities. This will only expand in the future. We are well on our way to becoming an Every Rotarian/Every Year district.

Don’t forget, it’s a good idea to qualify your club every year for this program through the Grant Management Seminars. I would also urge you to consider joining our Sustaining Member Society. This simply means that you pledge to give $100 per year to the Foundation. Details are on the District website Foundation page.

POLIOPLUS: As you well know, we are “this close”. I urge every club to continue and expand their efforts in this area.

The Gates Challenge still is in effect. For every dollar we give they will match 2 to 1. RI has asked each district to contribute 20% of its Designated Fund to this campaign. Therefore, our district will contribute $18,000 to PolioPlus during the 2014-15 year, which will be matched by the Gates Foundation.

To me “Light Up Rotary” is more than a theme; it is how we make a difference every day, in every club, in every community and, indeed, to every person we serve.

This past year we “Engaged Rotary and Changed Lives”. That theme is timeless and does not end. Rotary promotes honor, integrity, tolerance, peace and goodwill, and the inherent belief in the value of each and every human being. As we go forward and “Light Up Rotary”, we will continue to change lives for the better everywhere.

I wish you a fantastic Rotary year.

DG Scott

2013-2014 Final Numbers for POLIO

The amount contributed to Polio this immediate past Rotary year was $48,446.65 from members and clubs. This is a significant increase over $37,906.11 the previous year. Just imagine what it would have been if the missing 17 clubs had participated. The top 10 clubs in dollars contributed were:

- Avon $3000
- Pittsford $2143
- Spencerport $2891
- Fairport $2025
- Newark $2617
- Elmira Hts. $2000
- Dundee $2527
- Corning $2000
- Canandaigua $2471
- Greece $1640

The greatest per member giving was Spencerport with $107 per member followed by Dundee with $84, Elmira Heights with $74, Gorham with $66, and Avon at $61.

We are thankful for each and every participating Rotarian and club in this - Rotary’s signature project to rid the world of the scourge of polio.

Gaven Hurley, District Polio Chair
On July 1st, 2014 the Penn Yan Rotary Club had representatives of six not for profits who were recipients of these funds. Representatives of these six agencies spoke with us about the work that has been done and the needs still needing addressed. Each in their own way expressed how deeply impressed they were by the resiliency of the human spirit and the united community efforts.

Since the heavy rains hit Penn Yan, Yates County, Branchport and the Town of Jerusalem on May 14th our community has worked together toward a solitary mission of helping restore people’s lives but also do positive good. During the height of the flood response we saw Milly’s Pantry, the Living Well, and Project kidCare provide food, clothing, and household supplies. The ARC of Yates, Camp Good Days, and the Masons received funds for use in replacing materials and equipment ruined in the flood.

Penn Yan Rotary wishes to thank all those who helped make our effort much bigger than our small club could have accomplished alone. Rotary’s motto Service Above Self has been a universal operational motto since May 14th. We saw the best of our youth: virtually every Penn Yan Academy student volunteered, the young Mennonite men came, as did the vans full of Keuka College students and Dundee varsity athletes. Each day you saw the volunteers arrive clean, smiling and ready to tackle any job assigned to them. As they emerged later in the day they were muddy, sweating and thirsty, but still the smile was there. Each volunteer provided Service Above Self and many continue in that role.

The Living Well is an outgrowth of Yates County Methodist churches to fill the gap when the Red Cross closed its office in Penn Yan last October. They came on the scene since

Milly's Pantry's mission is to prevent childhood hunger in our community by coordinating food for the needy program and the backpack program. Milly's Pantry P.O. Box 734, is located at 19 Main Street, Penn Yan, NY 14527

kidCare provides diapers and underwear to children throughout the year but especially at Christmas and in the fall when school starts. The need for underwear and diapers was huge following the storm. Many individuals are happy to take the donated clothing but want new underwear. They have been called upon to provide many dollars worth of diapers during this emergency. kidCare, 3025 Norris Road, Penn Yan, NY 14527

The ARC of Yates lost its home which housed the day treatment and programming was conducted. The print shop was also lost. This is an agency that has recently seen some funding cuts. Given that every club in District 7120 supports a handicapped children’s summer camp this was for many a priority. ARC of Yates, 240 North Avenue, Penn Yan, NY 14527

Camp Good Days and Special Times was ravaged by water on both the 14th and then again two days later making it impossible for the camp to open on time. This camp has been operating for thirty five years and campers had to be told it was not going to open as early as usual. Camp Good Days and Special Times, P.O. Box 665, 1332 Pittsford Mendon Road, Mendon, NY 14506.

Free & Accepted Masons of New York building on Elm Street was ravaged by flood waters. It rents space to The Living Well and Yates-Ontario Literacy Volunteers. The electrical infrastructure of the building was destroyed. Free & Accepted Masons of New York, 120 Elm Street, Penn Yan, NY 14527.

Penn Yan Rotary thanks everyone who has worked at each of these sites and continues to support all the local businesses and individuals who have lost so much.
Paul Harris Presentation at Newark

At the June 19th Newark Rotary Club meeting, educator and community member Joe Contario was presented with a Paul Harris Fellow award. Belmont Rotary Celebrates
Lila Johnson

Rotarian Noreen Pace (left) ended her year as president on a high note as she happily announced the Belmont Rotary Citizen of the Year Award and presented the plaque to Lila Johnson.

Once a month, the Belmont Rotary Club sponsors a meal at the Senior Citizen Nutrition Site in Belmont. Representatives from the club enjoy a meal and plenty of laughter with the seniors at each visit. Lila Johnson, of Belmont, site manager for the past twenty-four years, has welcomed the Rotarians with open arms. She sets a table worthy of Martha Stewart during the holidays, and makes sure things are just so for her friends every Tuesday and Thursday. And, when Lila rings her little bell in good humor to call the lunch to order, she has everyone’s full attention!

On Thursday, June 26th, Lila Johnson was aware that the Rotary was coming as a group to present a special program for the senior citizens. Much to her surprise, Lila was the topic of this special program, as she was awarded the Belmont Rotary Citizen of the Year Award. Past Presidents Mary Fuller and Noreen Pace took great pleasure in awarding Lila Johnson the award. Lila’s name has been engraved on a Rotary Plaque for public display. She also received a bouquet of flowers and most reverently, a glass bell engraved with her name for meal time.

“I really appreciate this award, and had no idea this was coming,” said Lila. “This is something I like to do and I have an awful lot of nice people to work with. I have thought of retiring, but just told my husband, I may do this a bit longer.”

Rotarian Mary Fuller, who originated the concept of sponsoring the senior lunch, summed things up nicely as she spoke about Lila. “Lila puts so much of herself into this luncheon site. She exemplifies all that’s best in Belmont.”

The Victor-Farmington Rotary Club received a 2014 “Significant Achievement Award” from Rotary International President Ron Burton. In a letter to Club President Dave Luitweiler, Rotary International President Burton stated that the award was being made in recognition of the club’s outstanding contributions towards meeting the pressing needs of the local community they serve.

The award honored the club’s “School 16 Project.” The Rotary club adopted School 16, located on Scio Street in Rochester, which serves mainly low income, single parent families. The club met with school officials and faculty to identify what support could be provided. Many of the children had no access to educational resource books at home. The Victor-Farmington Rotary Club set up a program to provide personal dictionaries for students.

In suburban schools items such as backpacks are a common item – in School 16 they were a seldom seen luxury. The Victor-Farmington Rotary Club, with support from the Salvation Army, provided backpacks and made certain the backpacks were filled with school supplies.

Pictured above is Victor-Farmington Rotary presenting backpacks to the students at School #16.

The quilt documents and celebrates a very important part of Avon Rotary's history and will be used to promote the Avon Rotary Corn Festival for years to come.

Thank you to all, including the various local t-shirt artists, who helped make this a reality. It brings back many memories of a wonderful community event and fund raiser that is still going strong!

Since 1987, more than a quarter million dollars has been raised via the Avon Rotary Corn Festival for community projects, as well as providing a fund raising venue for other local community organizations and a social opportunity for the Avon community. The 2012, 2013 and 2014 Corn Festes are being set aside for the next quilt!

Bath Rotary Club Sponsors Fundraiser

On June 28th and 29th the Bath Rotary Club sponsored a coffee break fundraiser at the Campbell Rest Area on I-86 East. Since the event was held on state property, the club could not charge for any of the food or drink available. Donation jugs were placed throughout the four tented areas, and as a result, the club profited $ 2081.28 for the two day fundraiser.

Elaine Tears and Bill White, co-chairs of the fundraiser for the last five years, remarked that the event was a success due to the participation by Bath Rotarians and the local businesses that donated food, drink, gift cards, cash, and other services. The tables were full of donuts, brownies, cookies (including animal crackers for children, sugar free cookies, and gluten free muffins), packages of crackers and cheese or peanut butter, Slim Jims, potato chips, nacho chips, pretzels, popcorn, cheeessies, roasted peanuts, bubble gum, apples, oranges, bananas, soda, bottled water, coffee, tea, and hot chocolate; grilled hotdogs with all the condiments were also available. Exchange Students - off to see the USA

On July 1st Rotarians and hosts were on hand to see the exchange students off on their 31 day trip across the USA. In addition to the exchange students of D-7120 there were students from the Buffalo area and southern Ontario, Canada.

Bath-Haverling Student Attends RYLA

By Elaine Tears

From June 29th – July 3rd on the campus of Rochester Institute of Technology (RIT) twenty-five students, sponsored by their community’s Rotary Club participated in the Rotary Youth Leadership Award (RYLA) program. The participants were talented, young people from throughout Rotary District 7120. The program is designed to develop leadership skills which will be beneficial to the students in future endeavors. It aimed to increase the participants’ understanding of leadership through both classroom presentations and discussions as well as through interactive challenges and projects. Those who completed the program will be better able to manage successfully their own lives and careers as well as make a mark on society.

Pictured above are the students that attended RYLA - photo provided by Julia Longacre

Julia Longacre, daughter of Joseph and Connie Longacre, who recently completed her junior year at Bath-Haverling Central School, attended the workshop; she was sponsored by the Bath Rotary Club. At the local school Longacre is a member of the school’s Rotary Interact Club. She is also Secretary for the Class of 2015, Vice-President of the French Club, a member of the National Honor Society, Student Representative of the Bath Eels Swim Team, and a member of the Haverling Varsity Swim Team and Varsity Indoor and Outdoor Track Teams.

Longacre stated that she learned an incredible amount about becoming a successful leader.

Michael Slovak, Bath Rotarian and Assistant District Governor for Area 3, and his wife, Jo, who with Julie Carney, an Avon Rotarian, and her husband, Jim, served as “Moms and Pops” to the participants for the five day workshop. Past District Governor Roger Ressman, RYLA Committee Chair, served as emcee of the graduation ceremony on July 3rd.

SUBJECT:

Dear Rotarians, incoming, current, Past District Governors:

São Paulo Convention Dates Changed

After careful consideration, Rotary International President Gary Huang and the RI Board have decided to change the dates of the 2015 Rotary Convention in São Paulo to Saturday, June 6, through Tuesday, June 9 – starting and ending one day earlier than previously scheduled.

The dates were changed because the original opening day (Sunday, June 7) coincided with one of the city’s most popular parades. The new start date will dramatically reduce traffic congestion and make it easier for Rotary members to attend the opening plenary sessions. It will also make it convenient to attend our very own Rotary Carnival, a Host Organization Committee event, on Saturday evening.

We will communicate the new dates through all available Rotary media, including our websites, newsletters, and magazines. Please make certain everyone in your district is aware of the change by updating the 2015 Rotary Convention dates on your district websites, calendars, and communications.

Check riconvention.org regularly for dates, deadlines, and registration and housing details. Find information about Host Organization Committee events at: www.rotary2015saopaulo.org.br.

We apologize for any inconvenience this decision may cause, but we are confident that Rotary members will enjoy a great convention in São Paulo. And now they can start the celebration a day sooner!

Thank you,

RI Meeting & Events Staff
