As I write this article I am reflecting on the past two months which have been a whirlwind of visits to more than 50 of the 69 clubs in our district. A common thread that I have found is that all Rotarians I have met are warm, gracious, kind, and welcoming. I am not surprised at all to find this. It simply affirms what I experienced in past visits and what my predecessors had told me to expect. Each club has a unique culture and personality but all are united in the ideals of service to the community, as well as fellowship, kindness, and hospitality. I cannot begin to describe how impressed I am with the dedication and hard work evident in all of the district 7120 clubs. The visits have been extremely rewarding and enjoyable. Thank you all for everything you do for your communities, on many levels and in many ways, and for everything you do for Rotary!

SEPTEMBER IS NEW GENERATIONS MONTH ON THE ROTARY CALENDAR

“New Generations Service recognizes the positive change implemented by youth and young adults through leadership development activities, involvement in community and international service projects, and exchange programs that enrich and foster world peace and cultural understanding”. From “An Introduction to New Generations Service” RI publication #735-EN.

It is the newest of our Avenues of Service having been adopted in 2010. It refers to Rotary’s youth and young adult programs which include: Interact, Rotaract, Rotary Youth Leadership Awards (RYLA), the Rotary Youth Camps, the Oratorical Contest, the Vocal Competition and Rotary Youth Exchange.

Our district has embraced this Avenue of Service enthusiastically. After all, as Past RI President Luis Vicente Giay, who coined the term in 1996, has said, “the New Generations are our investment in the future. Let us begin to build the future today”. We recognize that supporting new generations is not only helping to provide an “amazing” growth experience for the young people involved, but it is also a commitment to the future of our Rotary clubs. The alumni from youth programs are very often our most ardent and vocal supporters. They truly are very much our future.

In this edition of the Grapevine you’ll see an article on District 7120 Youth Services by Chairperson, Betsy Fisk of the Elmira Heights Rotary Club.

You’ll also find an article by District Youth Exchange Chair, PDG Mark Wyse of the Ontario-Walworth Rotary Club, which describes our very successful youth exchange program.

In closing I would like to share with you an excerpt from an article in the September “Avon Rotary News” written by Rotarian Dan Jones about their recently returned exchange student, Ashley Stappenbeck.

Ashley’s experience revealed the true value of the Rotary Exchange Program. (This) Program allowed her to discover the value of understanding another culture. Ashley reflected, “The people in Poland are just like us – filled with love and wanting to make the world better. I am so much more aware of how similar people are around the world.” Her words remind us of the Rotary commitment to build goodwill and better the lives of people not just here in Avon but around the world. Thank you Ashley for helping us put faces to our international commitments.

Well stated Ashley and Dan!

Thank you to all Rotarians and clubs that are engaged in Youth Services. If not involved I urge your club to consider becoming involved. The positive impact for your youth, for your community, for your club, and for you is immeasurable.

District 7120’s Involvement in Rotary Youth Exchange

For the last few years I have been blessed to have the opportunity to chair the District 7120 Youth Exchange Program. This is one of the outstanding programs offered by District 7120, and everyone involved is rewarded with experiences that will last a lifetime.

The US Department of State has 92 Youth Exchange Programs operating under their rules and guidance. Of those program Rotary Youth Exchange is clearly the number one program with over 80% of the students that go out on Youth Exchange going through the Rotary Program. The District 7120 Youth Exchange Program is a Charter Member of Empire State Youth Exchange, Inc. and certified with CSIET, US Dept. of State and Rotary International. These certifications guarantee the safety of the students involved, and allow the students to participate in high school sports.

This year the District 7120 Youth Exchange Program is sending out 21 Outstanding Youth Ambassadors and we are receiving 21 Outstanding Youth Ambassadors from around the world. We are currently offering exchanges with 25 different countries. There are a few more countries that we have youth exchange agreements with but have temporarily suspended exchanges with these countries due to situations going on in those countries, for the safety of our students. The safety of all the students in the program must be first and foremost.

The Rotary Youth Exchange Program is open to students ages 15 to 18 ½ years of age on the date they leave on exchange which will be August of 2015 for the next class of Youth Exchange Ambassadors. Applications are due to Outbound Chair Julie Carney by October 15, 2014. All students are required to have a Sponsoring Rotary Club, fill out two (2) copies of the application and four (4) copies of the guarantee forms to apply. There is a $200 nonrefundable application fee and the total cost of the program is $5,500. This cost is about 1/3 the cost of our nearest competitor while our Rotary Youth Exchange Program offers more than double the support for the students. All students and their parents are required to attend Interview Weekend which will be November 22nd & 23rd at the Rochester Rotary Sunshine Campus.

The Rotary Youth Exchange Program changes lives: theirs and yours. It promotes Peace one student at a time. Everyone that gets involved with the Rotary - - - -

- - - Youth Exchange benefits with experiences and friendships that will last a lifetime.

District 7120 Youth Services
By Betsy Fisk, Youth Services Chairperson

Youth Services in District 7120 is active and engaging this year. Youth Services encompasses several diverse areas of service. Youth Exchange and Interact are probably the most well known and recognizable areas of Rotary Youth Service, but this service area also includes Rotaract, the Rotary Youth Camps, the oratorical contest, the vocal competition and RYLA.

This month I would like to bring District 7120’s six Rotaract clubs into the spotlight. Rotaract is a Rotary-sponsored service club for young men and women ages 18 to 30. Rotaract clubs are either community or university based, and they’re sponsored by a local Rotary club. Rotaract clubs are required to complete both community service programs and international service programs. During the summer Rotaract clubs are fairly dormant due to colleges being on summer break. In the fall Rotaract clubs are reorganizing and planning for their year. That does not mean that they don’t have big plans.

At this point our district has six Rotaract clubs. Five are located at colleges. They are Keuka College, SUNY Brockport, Elmira College, SUNY Geneseo and Hobart William Smith College. We have one community based club through the Red Jacket Rotary club.

The newest Rotaract club is SUNY Brockport. They were chartered last year and are excited about making a real difference in the world.

The SUNY Geneseo club’s returning members have already gotten started this year. They participated in the college’s week of Welcome. They tie dyed and gave out 76 t-shirts very quickly.

(continued on page 3)
District 7120 Youth Services
(continued from page 2)

Our one community based Rotaract, sponsored by the Red Jacket Rotary Club, was created by young men and women who were former Youth Exchange students and wanted to continue in the Rotary tradition. These students started by helping out with Youth Exchange events. They meet every first and third Sunday on SKYPE. Because they are not all physically located within the district, or even in the country at all times, it is difficult for them to do community based projects.

Youth Services could not exist without the tireless dedication of many Rotary volunteers. These champions of the young people and the continued message that Rotary is for all keep these programs alive and well throughout the district. We encourage you to get onto the District 7120 website and click on the “Youth Services” link to see what each of these programs is doing. Feel free to contact the Chair of each service and ask how you can help.

Perry Rotary Club Ice Bucket Challenge

President Cindy Hendrickson (on the right) and members Butch and Betsy DeGroff did the ALS ice bucket challenge just after their meeting while members of the club watched and then each contributed money to the cause. We challenge the rest of the clubs to get involved.

The International Fellowship of Rotarians

“is a group of Rotarians dedicated to promoting cycling as an opportunity for fellowship. This fellowship operates in accordance with Rotary International policy, but is not an agency of, or controlled by, Rotary International.

In 1984 the Rotary Club of Herentals in Belgium as a fund raising activity organized the first Rotarian Cycling World Championships. The club organized the races again in 1985 and 1986 but then decided that the effort was too much for a single club. Some Belgian and Dutch participants to the races got together in 1988 and decided to establish a Rotary Fellowship. The International Fellowship Cycling to Serve was ratified in that year by Evanston. The races were now organized by the club Torhout-Houtland also in Belgium. Since then the races were organized annually by clubs in various countries: • Belgium • Germany • Switzerland • France • England • Italy • The Netherlands. Entrance fees to the races are distributed as prize money to the winners to be donated to the Community Service of their clubs.

Touring activities:
Touring activities crystallized into a 4-day event over the Ascension Day weekend which was held for the first time in 1991 organized by The Rotary club of Thionville in France. This has also become an annual event which has taken place in many countries. Cycling is more relaxed, partners may participate and friendly ties have been formed over the years between the participants.

Membership: Membership in the Fellowship of Cycling to Serve is open to every Rotarian and to members of Rotaract. The annual fee is € 20 (Eurozone) / US$ 30 (USA / Canada) of which € 5 is retained in each country to organize regional events and to cover the cost of administration and mailing. The remaining funds cover the cost of the central organization.

**Make a Difference**

Travelers down the ages have tried to discover the Essence of India. To many, it has remained an enigmatic kaleidoscope. To some it has revealed ancient, abiding, universal Truths. None could remain untouched by the epic proportions of its size, its artistic heritage, or the wealth and variety of its vibrant cultures.

Since 2008, the Rotary Dream Teams come to India every year to work hands-on with humanitarian projects in the heart of India. Each year, they also take time to enjoy a slice of its many contrasting cultural flavors and landscapes. In 2015, our project is located in the Northern plains of India and presents a unique experience for those who like to Make a Difference, like the Outdoors, and cherish close interaction with distant cultures. The team will also enjoy a leisurely week in the totally contrasting state of Kerala in India’s Deep South.

On the way to and from India, there will also be an optional opportunity to extend your trip for 2-3 nights in Dubai, at extra cost.

The trip this year will take place from February 12th to February 27, 2015, with Dubai an extra three days. The cost of the trip will be $4,859, an extra $225 if you wish to extend the trip for three days in Dubai.

**Avon Exchange Student (continued):**

When the news arrived that her destination was Poland, she was a little surprised and apprehensive about what the next year of her life might hold. Determined to make the best of her assignment, she began studying Polish culture and language.

Leaving Avon and arriving in Poland she was enthusiastically greeted by her new parents who quickly made her feel right at home, ironically even mimicking some of the tendencies and traits of her biological parents. School was rough at first due to the language barriers and college-like schedule. Ashley adjusted and began to thrive, encouraged by the other exchange students she connected with through the Rotary Exchange Programs. “The Rotary Exchange Program helped me make it through and was always there to help whenever I felt discouraged,” noted Ashley.

Ashely was able to experience Polish culture and had the opportunity to visit most of Europe as well. Traveling to London, Spain, France, Italy and other European countries with the other exchange students was one of the highlights of her experience. She grew to love new foods, including blood sausage and ate a few more pastries than she normally would at home. Her affection for her new family became apparent as a few tears slipped down her cheeks as she talked about the impact they had on her life. She is happy to be home but even more excited that she now has two homes, one in Avon and one in Poland. Ashley’s experience revealed the true value of the Rotary Exchange Program. The Rotary Exchange Program allowed her to discover the value of understanding another culture. Ashley reflected, “The people in Poland are just like us – filled with love and wanting to make the world better. I am so much more aware of how similar people are around the world.” Her words remind us of the Rotary commitment to build goodwill and better the lives of people not just here in Avon but around the world.
Jim Holden Receives Honor from Rochester Deaf Rotary Club
By Jack Kellogg

The Rochester Deaf Rotary Club celebrated its tenth anniversary recently. The Club was extremely grateful to the Canandaigua Rotary Club, especially Jim Holden, for their help and leadership getting the Club started. In addition to the award the Club presented Mr. Holden with a specially made ‘Uncle Jim’ cap. Mr. Holden has been very active in Rotary as a Canandaigua Club Past President, Past District Governor, and well known for the international Rotary Stop Polio Program. Mr. Holden is also a former Canandaigua Town Supervisor.

New Member at Honeoye Falls-Mendon

Nicole Briggs is the newest member of the Honeoye Falls-Mendon Rotary Family. Nicole is an active and well known member of the Community, and the representative of a Corporate Membership of the Canandaigua National Bank. We’re looking forward to sharing in her enthusiasm in all she can contribute to Rotary and our projects.

Rush-Henrietta

Lorenzo Lagana, Rush-Henrietta Rotary’s exchange student attended his first Rotary meeting and was welcomed by the club members. Lorenzo is from Italy.

Greece Rotary Welcomes New Member

Rick Antelli (left), Past President of Greece Rotary, was the official presenter as the Club welcomed its newest member, Teresa Jaycox (second from left). Also part of the induction ceremony were Patti Anthony, President Elect and Al Meluitis (right), current President of the Greece Club. The Club is always happy to welcome potential members to their Wednesday noon meetings at Ridgemont Country Club.

Greece Rotary Welcomes Bori

On August 21st Greece Rotary welcomed their newest exchange student, Bori Bernat from Hungary. Following a very long flight that started in Budapest and crossed the globe to Paris, then on to Boston and finally arriving late night in Rochester she received a warm Rotarian welcome. On hand to greet her were, left to right: Club President Al Meluitis and his wife Judy, Bori, Host family Herb Parker & his wife Ann (far right), Club members Larry Wills and Judie Van Bramer (not seen due to taking picture!). Bori has been able to fit the weekly Club meeting into her busy schedule so has already become an integral part of its membership. She started off by presenting her Home Rotary Club Flag to Club President Al Meluitis.

New Member at Pittsford Rotary

Pittsford Rotary inducted its newest and youngest member, Taylor Soong, son of Club President Grace Soong. At 18, Taylor may go on record as the youngest Pittsford Rotarian since the Club was chartered almost 75 years ago. He is currently a college student at Monroe Community College.

Taylor is also a Brother of the Sigma Pi Fraternity International and has over 400 confirmed volunteer hours to date. He works part-time at various restaurants locally. He believes that being a Rotarian allows him to serve the community and provide the connections which can be beneficial to his short and long term needs.
In Remembrance

Lloyd W. Peelle

Lloyd W. Peelle, age 93, of Penn Yan, formerly of Rock Stream, NY died Thursday, July 31, 2014 at the Penn Yan Manor Nursing Home. Lloyd was born October 25, 1920 in Hollis, NY, the son of the late John W.T. and Margaret Wilson Peelle. He graduated from Phillips Academy in Andover, MA in 1938, and received his Bachelors Degree in Mechanical Engineering from Cornell University in 1943. On April 10, 1943 in Odessa, NY he married the former Marcia A. Rundle, who passed away in August of 1980. He served in the U.S. Army from 1944 - 1946. Lloyd was a self employed cattle and fruit farmer, having owned Peelle Farms Inc. in Rock Stream until his retirement in 1981.

Mr. Peelle had been a very active member in several organizations. He was a former Elder of the Rock Stream Presbyterian Church, a Past Master of the Dundee Masonic Lodge # 123 F&AM, a Past President, Paul Harris Fellow, and star in many annual variety shows of the Dundee Rotary Club. He was also a past member of the Starkey Town Board. In his spare time he enjoyed downhill skiing which he took up at age 75 and enjoyed until 2007 at the age of 87.

He is survived and will be missed by his son Dr. Kenneth R. (Rosemarie) Peelle of North Andover, MA; his daughter Jennifer A. (John) Birosh of Penn Yan, NY; 3 granddaughters Brooke S. (Eric) Guthrie of North Andover, MA, Lydia C. (Jay Kethcam Secor) Peelle of Nashville, TN, Allison A. Peelle of East Syracuse, NY; 5 great grandchildren; a brother Richard (Rosemary) Peelle of Corning, NY; a sister Janet Ewing of Fort Collins, CO; and several nieces and nephews.

Burial with Military Honors was at the Rock Stream Cemetery, Old Lake Rd. Rock Stream, NY.

In lieu of flowers memorial contributions may be made to Dundee Rotary Club, 51 Seneca St. or to the Dundee Masonic Lodge 123 F&AM, 83 Bigelow Ave. Dundee, NY 14837.

Irondequoit Rotary Pays Special Tribute to Charter Member Dr. William Piarulle

A special ceremony was held at Keenan’s Restaurant in memory of the affectionately known as “Dr. Bill” who passed away February 11, 2014.

Dominick & Marilyn Fantauzzo designated Dr. Piarulle to be the recipient of the coveted Paul Harris Award. This was in recognition of his 46 years of Rotary service to the community and for the way in which Dr. Piarulle exemplified the humanitarian and educational objectives of The Rotary Foundation.

The Fantauzzo’s presented the award to Dr. Piarulle’s wife, Margaret, and his family at the Irondequoit Rotary dinner meeting attended by Rotary members, their spouses and numerous friends and associates.

During Dr. Bill’s many years of devoted service to Irondequoit Rotary he wore several hats. Besides being a founder and charter member, he was a board member for many years and held several positions including club president. He was instrumental in the formation and organization of Irondequoit Rotary’s first and only Interact Club.

Dr. Bill’s activities were not limited to Rotary. He served honorably in the military as a WWII medic and was a recent Honor Flight attendee.

During his professional career (orthodontist) Dr. Bill often (quietly) provided service to children of families who could not otherwise afford treatment. He recognized the need to build self esteem and confidence in youngsters during their trying teenage years.

Dr. Bill lived the Rotary motto in both his personal and professional life.
PHF Presentation at Belmont

Belmont Rotarian Crystal Sallazzo received a surprise during the August 20th Belmont Rotary Club meeting. Rotary Foundation Chair John Maynard awarded her with a Paul Harris Fellow pin and certificate. This is a high honor, as Mr. Harris was the founder of Rotary and his ideals for the organization were born from his desire to help others through community service.

Penn Yan Rotary Packs Books for “Books for the World”

The Penn Yan Rotary Club worked at Penn Yan Elementary School packing 85 boxes, over three pallets of books to be shipped for use in Africa/Asia through Books for the World. Boxed and palletized they will be shipped to Houston for an estimated total cost of $570, by rail or by semi, whichever is more economical.

Jeanette Simpson, a primary school teacher at Penn Yan Elementary learned of the Books for the World project from a book reseller. The discarded books were first offered to Literacy Volunteers, then some were sold but the remainder needed to find a home other than the landfill.

Ray Griswald, of the Pen-Web Rotary Club and Rotary International District 7120 coordinator for Books for the World asked for local help packing up the books. Penn Yan Rotary Club President Sue Andersen, Christine Bergman, Stacy Wyant, Jeff and Diane Krans helped make this project a success.

For more information or to donate books contact Ray Griswald at 585-322-6320(c) or at rgris57152@aol.com.

Geneseo Rotary Supports Literacy Volunteers

International Literacy Day was September 8th. The Geneseo Rotary club showed its support to Literacy Volunteers of Livingston County by having their photo taken with the New York State Literacy statement: Literacy Leads - To Employment - To Independence - To Opportunity

The photo was taken by Club member Joyce Horner who is the Executive Director of Literacy Volunteers of Livingston County.
How a Rotary Friendship Exchange Ended up Changing the Lives of Draught Stricken People in India

by Linda Collins, Canandaigua Rotary Club

As I look down the road at our beautiful Canandaigua Lake it is hard to imagine what life would be like if we did not have clean, abundant water but for the people in some parts of drought stricken India the reality struck home when the lack of water caused the crops to dry up, the domesticated animals had to be slaughtered because they had no water to drink and wild animals started leaving the forest to look for the water that humans had. People were dependent upon the water tanks sent by the government to keep them alive. These tanks would appear irregularly and would barely provide drinking water.

Dr. Meena Borate from Rotary District 3131 in India decided to do something about this situation. The Rotary Clubs of Sakurde and Pune Hillside joined together to build wells so that when the Monsoons came the rainwater could be collected and distilled so that it would be drinkable and saved for the times when there was drought. These clubs asked Dr. Meena to contact her friends in Finland to see if they could help raise enough money to enable them to collect the rainwater and convert it to drinking water for this drought stricken area. Dr. Virpi Honkala and Dr. Matti Honkala from District 1400 in Finland were able to help but they were lacking $2,500.00.

Our Rotary District, 7120, was having a Friendship Exchange with Finland and Virpi and Matti were staying with Donald and I in Canandaigua. When they explained the problem I contacted Ken Poole, who is the Foundation Chair for the Rotary Club of Canandaigua and with his permission contacted Governor Ellen Hughes and District Foundation Chair, PDG Jeff Krans and explained the situation. Two days later the District Foundation Committee met and approved the final $2,500.00 that was needed to accomplish Rainwater Harvesting in drought prone areas of India. Dr. Meena Borate was very grateful to the Rotarians in Finland and in the United States who gave to the Annual Fund. We are changing lives every day.

Irrigation Demonstration at the Malawi Children’s Village.

Seneca Falls Rotarian, Dave Markel, recently returned from Malawi where the 1st Malawi Children’s Village (MCV) Farm Festival was coordinated by our MCV irrigation committee, Dyson, James, and Felix. Approximately two hundred farmers in the MCV catchment region attended the event.

They set up an irrigation demonstration at the MCV and showed the farmers some irrigation techniques. Seneca Falls and Clifton Springs Rotary partnered to purchase 25 Xylem Saajhi treadle pumps which arrived at the MCV the day before the farm festival.

A new Xylem Saajhi treadle pump was used in the demonstration and the farmers are looking forward to using the new treadle pump. Currently there are nineteen irrigation sites in the MCV catchment region and several sites are now "self sustaining" which is a key factor for the ongoing success of the irrigation program.
Dansville Rotary Club was chartered May 11, 1922, sponsored by the Elmira Rotary Club with the 1st meeting held at the Foster Hotel. The club’s 1st President was William H. Miller, followed by Herbert Kehew and the 3rd President was Clair Bateman. The 1st community project undertaken by the club was sponsoring a community playground and swimming pool, assuming a debt of $4500.00, which was the birth of the Rotary Field now known a Babcock Park. The Park was officially deeded to the Village in May of 1925.

Ninety-four years of Community Service certainly has demonstrated how the Club truly walks the talk of “Service Above Self”. The purpose of this article, which we intend to be presented on a regular basis, will define some of the activities that the Rotary Club feels makes our community a better place to live.

Fellow Rotarian Bill Kelly accepted his certificate celebrating 67 years in the Dansville Rotary Club. He also just celebrated his 93rd birthday.

A few of the Rotarians gathered in March of this year presenting the 1st payment of $5000 to the capital campaign for the hospital’s Emergency Department expansion. Shown accepting the check is Amy Pollard, CEO of the hospital (and a Rotarian) presented by Chris Gunn, last year’s President of Dansville Rotary and Jon Shay, co-chair of the campaign. In the last 8 years the Club has completed 1 pledge of $25,000 to the surgical expansion, $25,000 to the Library renovation and in 4 years will complete another $25,000 pledge to the hospital.

Twice a year the Club does a 2 mile stretch of highway cleanup on Route 36 going from exit 4 of 390 to the entrance of Stoney Brook Park. The effort usually produces a pickup full of trash.

Nancy Wolfanger (right) accepted her “Rotarian of the Year” plaque at their change over dinner - presented by outgoing president Chris Gunn (left) and this year’s co-presidents Jon Shay and Jenni Leuzzi (not pictured).

Clare VanDurme, along with President Jon Shay, displays one of the string back packs that contributions from the Rotary Club purchased for every one of the 123 campers who will attend the genesee valley Rotary Camp the week of August 17th. GVRC is one of the largest ongoing efforts by Rotary each year with various fund raisers that help support the camp. The camp is actually supported by 12 different Rotary Clubs in this area. The camp is run totally by a huge group of volunteers with a very large number of Dansville residents.

Rotarian Edgar Schmidt, Honorary Rotarians Jeff Gunn and his daughters Jessie and Sam help the club at its annual Thanksgiving Dinner. Each year the Club assisted by Chef Steve Crary at Scovill’s offers a free thanksgiving Dinner to everyone who applies. Steve has graciously donated his time to prepare all the food which is donated by the Rotary Club. Last year alone 300 dinners were prepared.

Bath Rotarians Grocery Shop For Seniors  
By Elaine Tears

For several years the Bath Rotary Club and members of the Haverling Interact Club have been participating in Project Care’s program of Shopping for the Elderly. During the months of July through September local Rotarians comb the aisles of Tops Friendly Market in Bath looking for the items on the shopping lists, provided by seniors who are unable to get to the store to do their own weekly grocery shopping. After the checkout procedure is completed, the Rotarians deliver the items to the seniors and often spend a few minutes conversing with them. Joél Brazie, the Bath Rotary Club Project Care Chair, remarked, “This program not only satisfies the needs of the senior but also provides great satisfaction to the Rotarians”.

Project Care, sponsored by the Steuben County Office for the Aging and supported by the United Way of the Southern Tier, is a community action program which reaches out to seniors age 60 and over with solutions for grocery shopping, transportation for appointments, referrals for simple home repairs, occasional chores, safety checks, and other assistance, agreed upon by the senior and Project Care. The program’s mission is to assist seniors in the greater Bath area to remain in their homes as long as possible through grassroots' networks of local volunteers, neighbors helping neighbors, and screening and training of volunteers. Volunteers are found in area churches, schools, community service organizations, and the community-at-large.

East Rochester Fire Department Appreciation Dinner.

The East Rochester Fire Department recently held an appreciation dinner for the East Rochester Rotary Club for their donation of three new Automated External Defibrillators (AED) the value which exceed over $1700.00. Keeping with tradition the East Rochester Rotary donated the very first two AED units to the East Rochester Fire Department over twenty years ago which at that time cost around $3,500.00.

The picture of officers from both organization was taken in front of East Rochester Fire Department’s new fire engine no. 323. Pittsford Rotary Supporting Haccamo

Rotary Club of Pittsford provides funding assistance to disabled children and adults who attend summer camp programs conducted by Camp Haccamo. This year, the 2-week program was held at Sunshine Camp in Rush-Henrietta.

Pittsford Rotary also sponsored Carnival Night on Thursday, August 13th by providing snow cones, pop corn and cotton candy to the campers. Rotarian Bruce Spector (at left) cooked the not-so-difficult but sticky cotton candy, whereas, Rotarian Grace Soong and her daughter, Victoria, prepared and served snow cones. Fairport and Irondequoit Rotarians also attended the event to lend their support.

Eagle Scout Project
For Disabled And Elderly

Alex Pennise is a 17 year old Eagle Scout candidate who came to the Victor-Farmington Rotary Club to discuss and seek support for his project to make life a little easier for the disabled and elderly. He recently attended a meeting of the club to discuss his project that involves creating a paved walkway at a Town of Farmington park in Pumpkin Hook. He conceived the idea of a paved walkway, 250 feet long and 5 feet wide that would allow access to the playground area for the elderly and disabled.

A friend told Alex of a returning disabled serviceman from Afghanistan, in a wheelchair, who, because of the terrain was unable to proceed from the parking area to the playground area so he could be with his children. Alex had personally seen older persons with similar problems unable to be with their grandchildren. He decided something needed to be done.

A member of Scout Troop 60 in Victor, Alex began his project with several fund raising efforts to raise the approximate $4,000 needed to build the pathway. These included collecting cans and bottles for deposit return funds; a special event night at a local restaurant; bake sales; contributions from friends, family and local organizations; etc. He also received valuable assistance from the Town of Farmington and local businesses.

Avon Rotary’s Annual Visit to GVRC-
Genesee Valley Rotary Camp

By: Laurie Vonglis

Avon Rotarians and guests traveled South to Camp Sam Wood. As we arrived we were greeted by our host, Avon Rotarian Ernie Wiard who also prepared our picnic dinner. We visited and roamed the camp, enjoying the peaceful setting and various trails. We could hear the chatter and laughter of the campers and counselors enjoying their dinner. Once we were seated and feasting, we watched as the campers passed by, taking a break before the night’s entertainment began. This is when it really hits home, all the work involved to make this camping experience happen for the 118 children this week. The amount of love, caring and dedication is inspiring and setting this example, leading the charge, is Director Brian Bartalo. Brian spoke with us and gave us some highlights of the week. (He’s been involved since 1981) At his side was Avon Rotarians David Henehan and Ernie Wiard, both serving many years on the GVRC Board of Directors. As guests here it’s clear to see that this is one of the greatest organizations Avon Rotary supports!

Another Avon Rotary Adventure
By: Laurie Vonglis

Earlier this summer many of us paddled down the Genesee River for a 10 mile trek beginning in the Southern Tier. We had so much fun we planned another one! Sunday September 7th, a beautiful warm sunny day Avon Rotarians and family members paddled on the pristine Hemlock Lake. We didn’t spot a bald eagle but the company of this group provides a variety of entertainment.

Our new exchange student, Tabita, did a great job kayaking for the first time! Other Interact students participated as well. It was a very enjoyable day to officially end the Summer and get us geared up for the club’s next big fund raiser… The Avon Rotary Auction – November 15th.

At the District Golf Tournament

Three Avon Rotary golf foursomes enjoyed a warm sunny day, participating in the annual District Golf Tournament. Thanks to all that organized the day -- we sure had fun!
