My Fellow Rotarians,

November is Foundation Month on the Rotary Calendar.

MISSION:

The mission of The Rotary Foundation is to enable Rotarians to advance world understanding, good will and peace through the improvement of health, the support of education and the alleviation of poverty. The motto of the Foundation is: “Doing good in the world.”

The Rotary Foundation transforms your gifts into projects that change lives both close to home and around the world. As the charitable arm of Rotary, we tap into a global network of Rotarians who invest their time, money, and expertise into our priorities, such as eradicating polio and promoting peace. Foundation grants empower Rotarians to approach challenges such as poverty, illiteracy, and malnutrition with sustainable solutions that leave a lasting impact.

CHARITY RATING:

I am pleased to report that the Rotary Foundation recently earned a 4-star rating from Charity Navigator, the largest and most prestigious independent evaluator of nonprofits in the United States. The 4-star rating, the highest that Charity Navigator awards, recognizes sound fiscal management and commitment to accountability and transparency. This year’s top distinction marks the Foundation’s sixth straight, placing it in the top 3 percent of U.S.-based charities.

RI PRESIDENT GARY C.K. HUANG FOUNDATION STATEMENT:

The work of Rotary begins in the community, and every community has its own unique needs and concerns. While we serve in countless ways, we’ve focused our efforts in six key areas to maximize our impact. Our areas of focus not only encompass some of the world’s most critical and widespread humanitarian needs; they also reflect service opportunities in which we have demonstrated a proven track record of success.

SUSTAINING MEMBER SOCIETY AND EVERY ROTARIAN/EVERY YEAR:

Read more about what it means to give to the Foundation in District Foundation Committee Chair Jeff Krans’ article in this edition of the Grapevine, and consider joining our Sustaining Member Society by pledging to donate at least $100 per year to the Foundation.

Whatever you choose to give, an “Every Rotarian/Every Year” contribution is critical to fulfilling the mission and obtaining the goals of our charity.

FOUNDATION GOALS 2014-15:

1. To eradicate polio - let us finish the job.
2. To support Rotary’s own and only charity, The Rotary Foundation, through our continuing giving.
3. To ensure the progress of our new grant program by participation in sustainable educational and humanitarian projects.
4. To foster world understanding, goodwill, and peace by promoting and publicizing the Rotary Peace Centers program.
5. To emphasize that the future health of The Rotary Foundation is in all of our hands.

TRANSPARENT CLUB AND DISTRICT FOUNDATION GOALS:

You might be interested to know that the Foundation goals each Rotary club sets for the year are listed for all Rotarians to view on Rotary.org. Simply login to MyRotary and go to Rotary Club Central to see, in real time, the progress being made toward meeting the goals your club has established for the current Rotary year. Five year trends are also listed. Click on “District View” and you can see how the district is doing overall as well.

CONCLUSION:

Strong financial oversight, a stellar charity rating, and a unique funding model mean that the most is made of your contributions. You can be a part of Rotary’s life-changing work on many levels. You can roll up your sleeves and carry out projects in your local community, forge partnerships and work with fellow Rotarians internationally and, of course, give financially as you are able. Thank you for all you do for your community, your club, and for Rotary!

Yours in Rotary service,

DG Scott

Our Foundation Emphasis for 2014-2015

District 7120 is “This Close” to achieving the Every Rotarian Every Year (EREY) goal set by the Trustees of the Rotary Foundation. The Trustees are asking us all to contribute to the Annual Programs Fund as one of our charities of choice. The goal is to achieve an average of $100 per capita donations each year. In 2013-2014, our District 7120 average was $89.35, with 100% of our clubs having made a contribution to the Annual Fund.

When every member of a club has contributed ANY amount in their own name to the Annual Fund, and the club achieves an average of $100 per capita, the club has reached the EREY goal and receives an EREY Banner at the next year’s Foundation Brunch. Let’s make the Foundation send us Sixty-Nine Banners next year!!!

To encourage giving, we have created the District 7120 Rotary Foundation Sustaining Member Society. Become a member by agreeing to donate $100 per year for as long as you are able. Just fill a form (found on page 3) and mail it to Mahendra Shah. If you wish to make this even easier, go online at www.Rotary.org and click on the “Give” button: you can set up a quarterly contribution of $25 to the Annual Fund and have that charged to your credit card. Just email Mahendra to indicate you have done that, no other form necessary!

The Foundation Area Director who has the largest number of clubs with 100% participation in the District 7120 Rotary Foundation Sustaining Member Society by the end of June this Rotary year will receive 1,000 recognition points to use as he or she wishes. We would also encourage clubs and their members to utilize Foundation Recognition Points to name Paul Harris Fellows: for every ten sustaining members, one could be named every year as a PHF!

As The Rotary Foundation Chair John Kenny said at the Eastern Cities Fellowship Dinner, “We are all of us in this room privileged; we have a responsibility to help those not so privileged.” In my view, when you see the good work done by our Foundation, donating becomes a privilege. I look forward to sharing grant information with you all in the December issue of The Arbor, our District Foundation semi-annual newsletter. To see more of the work we have done, visit our District 7120 website, click on the Foundation page, and open previous issues of The Arbor.

Global Grant Scholars Sought

What is the Rotary District 7120 Global Grant Scholarship? Rotary International reconfigured the Ambassadorial Scholarship program to give more local district control and flexibility allowing for graduate study abroad of a selected student. For District 7120, the student can be either from our district or an international student studying at one of our area institutions and interested in graduate study outside the United States in a field related to the Rotary Foundation’s Six Areas of Focus. Our District would work with a Club in the city where the student intends to study and create a $30,000 Global Grant to support the student.

Applicants cannot be Rotarians or a family member of Rotarians. Applicants must complete our District 7120 Global Scholar Application Form (available at the Foundation homepage of the District website, [www.rotary7120.org](http://www.rotary7120.org)). The form and associated documents must be mailed to our District committee headed by Ken Steadman, chairman, no later than February 1, 2015.

Our committee will review these forms and arrange for an interview process to be held between February 9th and March 15th in the Geneva Library conference room. The selected student representing our district would then have an orientation, apply for a selected Rotary approved university program, and receive supervised distribution of $30,000 for study abroad. Students should email Ken Steadman, chairman Rotary D-7120 Global Grant Scholarship Committee, at kts5@verizon.net. They can phone him at 315-789-0720.

We need students to apply for this widely sought after grant. We will make publicity available on district web site, local newspapers and letters to college presidents. Rotarians should encourage students in our area who would make good ambassadors.

Our District is currently working with the Rotary Club of Aberystwyth in Wales supporting Jordan Shapiro, the 2013-2014 scholarship recipient, who is studying peace and conflict resolution at the University of Wales. Jordan has settled in and has made a presentation to her peers already. She has met with the club several times and is also volunteering in a local school. There are a large number of international students in her program which is enriching her experience. She recently wrote “I am getting a whole new angle on International Relations, which is really changing my perspective on the discipline and the world around me.” Anyone interested in serving on the Global Scholarship Committee should contact Jeff Krans or Ken Steadman.

Ray Isaac receives PHF at Rochester

Tuesday, November 4th Rochester Rotary welcomed their newest Paul Harris Fellow Ray Isaac (center). Ray was presented with his certificate and pin by fellow Rochester Rotarian Hank Ralston (left) and President Tracy Armstrong (right). Congratulations Ray!
Rochester Rotary would like to thank District Governor Scott and Rotarians throughout District 7120 for their support of the 89th Annual Eastern Cities Fellowship Dinner. We were so pleased you were able to share the Keynote Address from John Kenny, Chair of the Rotary Foundation and Past-President of Rotary International, 2009-2010. How wonderful to have John and his wife, June, in our company for such a great evening of Rotary fellowship. We would also like to thank District Governor Scott and Vivian - for serving as their aides.

Plans are already underway for our 90th Eastern Cities Fellowship Dinner - in the Fall of 2015. We have extended an invitation to Rotary President-elect K.R. Ravindran to join us and are hopeful he will be able to accept.

While we encourage attendance from several districts, the overwhelming support for this dinner comes from District-7120. If you were among the more than 500 Rotarians and guests who attended this year, we hope you will share your experience with others so they can be with us for what promises to be a very special 90th Anniversary Celebration. We will share the date and details as soon as possible.

Charles F. Hess, III

Reverend Charles F. Hess, III of Corning, NY died Friday, October 24, 2014 at the Robert Packer Hospital in Sayre, PA. He was 79.

Charlie attended Penn State University and later received his Bachelor's Degree from Mansfield State College, in Social Science and Biology. He was a member of the Pennsylvania National Guard, served two years active duty in Ft. Ord, CA and served another eight years in the National Guard Reserves. He married Betty McAllister on August 3, 1958 in California. Charlie earned a Master's Degree from Colgate Rochester Divinity School in 1967 and was ordained an Elder in the United Methodist Church. As an ordained minister, Charlie served United Methodist Churches in Pennsylvania and New York: Caton, Dresden, Union Springs, Clyde, Geneva, Chemung Valley District Superintendent, Corning First from 1992 to 2000, where he retired in 2000.

As a community member, Charlie served on the board for Bethany Senior Residence in Horseheads, Dayspring in Corning, the United Way, and volunteered for Corning Meals on Wheels for 25 years.

Charlie was a Corning Rotarian and was active in events held by the club. Because of his service to the club and community, Charlie was awarded the Paul Harris Fellow in 2011.

Richard T. Brow

Mr. Richard Thomas Brow, 84, a longtime resident of Dresden, N.Y., went to be with his Lord on Friday October 17, 2014 after a long illness.

Richard was born on October 23, 1929 in Auburn, N.Y., the son of the late Reverend Dr. George Brow and the late Helen Julia (Whitaker) Brow. While growing up, he lived in many towns throughout northern New York. After graduation from high school in Boonville, N.Y., he enlisted in the United States Air Force where he served for four years in postings around the Western Hemisphere. After serving the Nation, Richard enrolled at Cortland Teacher's College in Cortland, N.Y., where he met another teacher-in-training, Ruth Elizabeth Kenyon; they fell in love and were married on June 30, 1956 in Niagara Falls, N.Y. Richard and Ruth were then hired to teach physical education in the Penn Yan Central School system. Richard later taught the sixth grade and coached baseball and basketball teams. He was named an assistant principal at Penn Yan Elementary in 1965, and then served as principal from 1970 until he retired in 1986.

Richard was a long-time and active member of the Penn Yan Rotary Club, where he was a particular advocate for Rotary Camp Onseyawa on Seneca Lake. He was a founding member of the Yates County Habitat for Humanity and a Yates-Ontario Hospice volunteer. He was a member of the St. Peter's Episcopal Church in Geneva, N.Y. He took particular pride in his hometown of Dresden, teaching generations of kids how to swim and how to play tennis, helping with the development of the Crooked Lake Canal trail between Dresden and Penn Yan, and with the help of the American Legion, the construction of the veteran's memorial in Dresden. This past May, Richard was honored for his fifty years of service to the town's annual Memorial Day activities.

Richard T. Brow was a man of many interests. He loved history, golf, fossils, gardening, and baseball, and would discuss these and any other topic with anyone who would listen. He believed deeply in the motto of Rotary, "Service Above Self", and he readily contributed his time and resources to many causes, particularly those related to education, athletics, and Seneca Lake, because "someone has to do it".

Kenny, who is currently the Rotary International Foundation Chair, is a past president of Rotary International. He met with area Rotarians at a special reception before the Eastern Cities Dinner.
Painless Fundraising

As a healthcare professional (aka Dentist), I work to minimize pain to those I treat. As my Club’s Rotary Foundation Chairperson I developed a very easy way and at same time a fun and challenging means to excite and incent our Greece Rotary Club members to give to the Rotary Foundation. I found online a relatively inexpensive coin box tubes and with use of a label making program created a label for our Polio Eradication fundraiser and later this year these coin tubes will be used for our Annual Program Fundraiser.

My challenge to club members: All I asked was that the member put any coins he /she had after lunch into the box during the time the fundraiser was running. At the end of the period, they were asked to turn in the box/s; the coins in the boxes would then be weighed and counted individually so each member would receive credit at the Rotary Foundation for the donation by use of a Multi-donor form. Gift certificates ($25.00) to a restaurant were given to: members donating the most total coins; the most weight of a coin box given or the most non-coin (i.e. checks).

Over the last number of years we were able to collect separately over $2,000.00 for Polio and also APF.

Geneva Rotary Grant Funds Lochland Garden

Lochland School will use a Geneva Rotary Club grant to start a gardening program for 22 residents. Lochland is venturing into small-scale gardening with the intention of selling to the community,” Carrie Fiorilla, chief operating officer, explained. “Lochland will start by assembling a greenhouse for year-round growing of vegetables and fruits, such as lettuce and strawberries.”

Carrie Fiorilla (left), chief operating officer of Lochland School, watches as Geneva Rotary Club President Kelly LaVoie cuts the ribbon for Lochland’s new greenhouse.

In a recent ceremony outside the new greenhouse on the Lochland campus, Geneva Rotary President Kelly LaVoie presented a check for $750 to Fiorilla and CEO Dominic Christopher. Several Lochland residents and Geneva Rotarians also attended the presentation.

Fiorilla said the grant will go for gloves, shovels, rakes, hoes and seeds, as well as laying the cement pad for the greenhouse.

LaVoie praised the Lochland greenhouse project as a great example of the types of projects Geneva Rotary funds through its grants program. In 2014, Geneva Rotary awarded 17 grants for a total of $16,479.

Besides the greenhouse, Fiorilla said, land on campus will be tilled for growing vegetables that require more space, including corn, pumpkins and squash. Also planned are raised beds for easier access by residents, including those who require wheelchairs, she added. “Residents will learn not only how to grow vegetables, but also to market them at a small vegetable stand on the Lochland campus and at Farmer’s Markets,” said Fiorilla. “Residents will gain experience working as a team from planting seeds to harvesting the mature produce to sell. Community members will benefit by purchasing locally grown produce, but more importantly by directly interacting with residents they will discover the abilities of differently-abled people.”

Watkins-Montour Rotary announces “Students of the Month”

Watkins Glen High School:

September - Abigail Rundle - Senior, President of the National Honor Society and Student Council, and a member of the cheerleading squad. She plans to attend Elmira College or Wells College and pursue a degree in Psychology or Sociology

October - Jesse Bloodgood - Senior, musically gifted honoree has been involved in the school's Band, Music Club and plays, and in his church's Strings Group and Choir. He has also been recognized for his performances at school talent shows. He has played his music publicly at such locales as Seneca Lodge, the House of Hong and Captain Bill's.

Odessa-Montour High School:

September - Hailie Searles - Senior, is second in her class academically, a member of Wood's Leadership Cabinet, a 4-year member of Student Council (and a representative on the state council), a 3-year member of National Honor Society, a tutor, an active member of her church and 4-H, and a 3-sport athlete in soccer, basketball and track. She plans to attend Corning Community College before transferring to a four-year school.

October - Frank Wood - Senior, a "hard-working" Top 10 student who excels at difficult courses, and as a person who "sets an example for the younger students" while getting along well with everybody. Wood has been a member of the school bowling and Envirothon teams, and in charge of the lighting at school plays. He is a member of his church's Youth Group, and last year took a mission trip to Haiti. He plans to attend Clarkson University on a scholarship to study Mechanical Engineering.

Bath Rotarians Clear Roadside of Litter
By Elaine Tears

Left to right are some of the Rotarians who took part in the roadside project: Al Johnson, Robin Lattimer, Joe Rumsey, Dave Stewart, and Bill White. Absent from the photo were Joe Latham, Randy Lehman, Dave Peterson, and Don Snyder.

Three times a year Bath Rotarians don orange safety vests, work gloves, and heavy footwear to pick up litter along the on and off ramps of I-86 Exit 38, as part of New York State’s Adopt-A-Highway program. For several years the local Rotarians have participated in this program which not only helps to provide an aesthetically pleasing roadside but also provides great satisfaction to the Rotarians themselves.

Legislation to formalize New York State’s Adopt-A-Highway program which encourages individuals, organizations, or businesses to clean up highway roadsides was passed in 1990. Approximately 5000 miles of the state’s highway roadsides have been adopted; the segment of highway, designated for each group, is usually about two miles in length. Today all fifty states have some type of Adopt-A-Highway program because there is a need for litter free highways in spite of the reality that roadside beautification simply cannot compete with highway safety for diminishing public funds.

Greece Rotary Lap Robe Project

The Greece Rotary Club partnered with Lap Robe’s for Veteran’s organization recently for a major sewing project. Basically, Greece Rotary provided the funding (partially through a Rotary District 7120 Grant) and volunteers to sew; Lap Robes for Veteran’s coordinated the project and the Veteran’s participating in Honor Flight Rochester will be the recipients of the lap robes (small quilts) for their spring flights. In addition to helping to make the lap robes members will be at the airport next Spring to help hand out the lap robes to the Veteran’s who are returning from a trip to Washington D.C. to see their memorial sponsored by Honor Flight Rochester. Forty Volunteers spent the day last Saturday cutting, sewing, ironing, quilting .... the whole process to create a quilt depicting each veterans branch of the service.

The project originated two years ago when Nancy VanAppledorn, head of the Lap Robes Organization, spoke to the Greece Rotary. After a second visit to the Club, Greece Rotarian Kim Masiello had an idea. Instead of just giving a donation, why not help to make lap robes. Always interested in community service, the members agreed. And this successful event was organized.

The St. Lawrence Church in Greece provided their Parish Hall for the event. Volunteers and friends of Rotary as well as quilters from the Lap Robe program made over 100 lap robes, enough to sponsor three Honor Flights in the Spring of 2015.

Bath Rotary Club Helps Promote Literacy for all Third Graders at Two Local Schools

By Elaine Tears

During the month of October, Vicki Anderson, Dictionary Project Co-Chair for Bath Rotary, along with other Bath Rotarians, including Becky Stranges, Dictionary Project Co-Chair, delivered copies of student dictionaries to all third graders at the Vernon E. Wightman Primary School in Bath and the Campbell-Savona Elementary School in Savona. The books will inspire the students to learn and to sense a pride of ownership. Its usefulness extends beyond the spellings, pronunciations, and definitions it lists.

Exchange Student meets World Renowned Artist

Rotary Youth Exchange Student Anita Dorado Quezada, a 17-year-old Bolivian native and currently a senior at Livonia High School, had a rare opportunity to meet world-renowned Bolivian artist Roberto Mamani while he was on a short visit to the Rochester area. Anita, who herself is an accomplished artist, never thought she would have an opportunity to meet Señor Mamani, least of all during her year more than 4,000 miles north of her home in La Paz, her country's capital.

Anita is currently hosted by the Livonia Rotary Club. John Connelly, the club’s Youth Exchange Officer, worked behind the scenes with the Fairport family that was hosting the Bolivian artist to arrange the surprise visit for Anita.

In the photo above, the pair are holding one of Mamani’s recent paintings. As a gift to Anita, the artist did a quick sketch of her in one of his books which he then autographed for her.

Pittsford Interact Members Welcome Honor Flight Heroes

Honor Flight is a non-profit organization created solely to honor America's veterans for all their sacrifices. The organization transports our heroes to Washington, D.C. to visit and reflect at their memorials at no cost to the veterans. Currently, the focus is bringing veterans of World War II to the National World War II Memorial, and any veteran with a terminal illness. They are generally escorted by volunteer guardians, who help them on the flight and around D.C. They are often met by cheering crowds in D.C. or upon their return flight home.

This year, with a long waiting list of World War II Veterans, Honor Flight flew seven missions. Hundreds of residents welcomed home this year's final Honor Flight Rochester on Sunday, October 19th including Pittsford Rotary's Interact Club. The school bus that transported the students left Sutherland High School at 10:30. It's a 48-person passenger bus and was filled to capacity. The students, who wore their yellow Interact shirts were supervised by Interact Chair, Pat Mallery. Rotarian and Pittsford School Superintendent, Mike Pero, Rotarians Grace Soong and Nat Garfield, also joined the students to applaud, welcome and cheer our heroes.

Former Belmont Rotarian Returns for Presentation

The Belmont Rotary Club recently welcomed an old friend. Mary Kay Worth dressed in traditional African garb, shared stories and observations of her month in Africa.

Mary Kay was a former Belmont Rotarian and is now a member and President of the Olean, NY, Rotary Club. Her original poetry, books, and mementos of her trip enhanced her slide presentation. This program was educational and entertaining. We were so glad to have her visit us and share this life changing experience with our members and guests.

Thank you, Mary Kay!
Livonia Rotary Launches New Youth Recognition Program

On November 4th, at the Livonia Rotary Club’s weekly meeting, past president John Connelly announced that the club was inaugurating a new award program that would recognize students at Livonia High School who demonstrate academic excellence, outstanding leadership skills, and a commitment of service to the community.

Chris Peck, the club’s president, endorsed the Youth Merit Award idea that Connelly had proposed to him a few months ago. The hunt was on for the first Livonia student deserving of the award. Emily Carll, a senior who lives in the town of Conesus, was the overwhelming choice. Emily is the daughter of Robert Carll and Jodi Horwitz.

She is the current president of the Student Council, treasurer of the National Honor Society, and a state board member and representative of the New York State Council on Leadership and Student Activities. Earlier this year, Emily was the recipient of the University of Rochester’s Frederick Douglass and Susan B. Anthony Award for her “leadership and dedication to community action and her demonstrated commitment to understanding and addressing difficult social issues.”

After graduation next June, Emily plans to spend a “gap year” before entering college, living abroad as a Rotary Youth Exchange student. In a couple of weeks she will learn which country she will be living in throughout the 2015-2016 school year. After her return to the U.S. in August 2016 she intends to go to a major university, majoring in International Relations.

“We see these Youth Merit Awards going to deserving students on a monthly or bi-monthly basis,” Peck said. “A side benefit of this program,” he added, “is that my fellow Rotarians and I will become more aware of who these student leaders are and what they plan to do with their lives.”

Social Media Seminar

By David Boyer

Saturday, November 8, 2014 was the second annual breakfast Social Media Seminar which was held at Peppermints Restaurant in Avon - the location where Avon Rotary Club meets. This was an important session to assist many clubs to see the value of adding a stronger social media presence to their Public Image media activity.

Rotarian graphics specialist Bob Green (left) of Rochester Deaf Rotary and “Media Barker” Tom Brown (right) of Elmira Rotary led the breakfast seminar. Bob’s presentation was on the graphic guidelines that have been issued by Rotary International. Eventually all Rotary clubs need to use the new “Rotary Branding” in their Public Image public relations outreach. Bob offered to help or answer questions about new Rotary Graphics and branding guidelines at rgreen07@rochester.rr.com. Tom Brown showed compelling evidence as to why it is a good idea to use Facebook, Twitter, Pinterest and the like to communicate Rotary activity and community service awareness to a wider audience. Tom can be reached at TomBrown@MediaBarker.com.

Dave “Bippy” Boyer (left) met PP Elliott Blauvelt, Jr. (right) of Horseheads Rotary. After cartoonist Bippy mentioned he admired editorial cartoonist and fire fighter Eugene “Zim” Zimmerman (1862-1935) of Horseheads, Elliott invited Dave to see one of the largest collection of Zim caricatures of notable people from the early 20th century. (cont’d on Pg. 15)
Social Media Seminar (continued):

These signs show examples of new clear usage of the Rotary Wheel, "The Rotary Four Way Test", Rotary branding and themes in an easy to ready format for anyone to better understand "The Rotary Service Story".

DO SOCIAL MEDIA! 2014-2015 Rotary District 7120 Governor Scott MacDonell from Clifton Springs Rotary consulted with DGE Bill Gormont of Greece Rotary to announce that soon there will be a new "Social Media Usage" award for Rotary clubs in District 7120, probably presented at the next annual Rotary District Conference.

Pittsford Rotarians Distribute Dictionaries to 3rd Graders

From October 27th through October 30th, The Rotary Club of Pittsford distributed dictionaries to all 3rd graders in the Pittsford Central School District and St. Louis School. This project has created a lot of goodwill in the community and is often the most memorable contact of community families with the Pittsford Club. The key is a letter from Club President Grace Soong, that is sent home with each student receiving a dictionary. Teachers also encourage the students to write a thank you note to the Rotarians. Typically, 600 dictionaries are purchased for this project; 60 dictionaries are distributed at St. Louis, 50 are sent to Haiti, and the balance is distributed among the five Pittsford Elementary schools.

Pictured above - Harold McAulliffe talking to students while Steve Wilterdink distributes dictionaries - photo was taken at Thornell Elementary School on October 28th.

(Provisional) Southeast Rochester Rotary

Assisting in forming the new club is PDG Jack Best (above) as well as PDG Glenn Balch.

DG Scott MacDonell and Vivian met with members of the Provisional Southeast Rochester Rotary on November 3rd at Boulder Coffee. Pictured above with Scott and Vivian were - left to right - (l-r) Lee Loomis - Area 8 AG, Quentin Brooks, Larry Burnette and Joshua Bauroth on the right.
Honeoye Falls-Mendon Makes Contribution for “dugouts”

Club Community Service Director Mike Roberts (2nd from left) presented a check on behalf of the Honeoye Falls-Mendon Rotary Club to Kerynn Killenbec and Fiona Swaenepoel for $250.00 for HFL Girls Youth Softball new dugouts at the Monroe Street Park that will benefit young girls in the Honeoye Falls, Mendon and Lima community. Rotary Disco

By: Jake Ayers

On September 13th - 8 Avon Rotarians took a trip back to the 70’s and participated in the 2nd annual Mt. Morris Disco. Outfitted with our disco dresses, afros, and bell bottoms, Avon Rotarians was well represented at the event. Rodney and Donna George won the biggest prize of the night - a flat screen TV! Terry Lemen and Heather Ayers fought it out in the ‘Simon Says’ competition with Terry taking first place. And, I was lucky enough to carry out the tradition, set by our very own Kirk Vanderbilt, of Avon Rotarians winning 1st prize for best 70’s outfit.

We had a great time learning a few dances from the 70’s and ended the night with a late night snack at Denny’s in Geneseo where we entertained the wait staff and carried on the fun! All in all, it was a great night with a great group of people supporting a fellow Rotary club and all the great charities they support. We are already looking forward to next year, and hope more Avon Rotarians can make the event! Get your costumes ready.

GREAT JOB MT. MORRIS ROTARY.

Pittsford's Pasta Supper Draws Hundreds of Voters

Pittsford's annual Election Night Pasta supper makes for a great teambuilding exercise. Pete Crooker and Don Henderson, co-chairs of the Pasta Super, have done it again! They broke-up the volunteers into several groups: cooks, servers, delivery, clean-up, set-up, take-out, wait staff and ticket sellers.

Above - Volunteers were feverishly busy preparing meals for take out and drive up guests.

Pictured above is PDG Chuck & Marian Turner being served by Pittsford’s President Grace Soong and her helpers.

Pittsford Rotarian Craig Kunkle (center blue cap) worked with several energetic Interact students who together helped fill hundreds of drive up and take out pasta dinner orders.

Lima Rotary Inducts a New Member.

The Lima Rotary Club is pleased to welcome a new member to their club. At their November 13th meeting they inducted Charlie Johnson into their Rotary family. Charlie, who resides in Lima, is the Zoning officer for both Lima and Honeoye Falls communities. His vocation is a licensed architect which gives him great insight so he can help the residents of these communities with any questions about requests for zoning changes.

In the October 2014 issue of the Grapevine you may have seen on page 23 that there was a note stating that there was a hidden gavel in the Grapevine - and to see if you could find it.

Congratulations to Bill Gormont as he was the first to email me that he had found it - actually he had to make a second try to find it (on page 8). He will soon receive his prize.

See if you can find it in this issue of the Grapevine. It looks like the one at the left - it may be smaller or larger.

Just email me as soon as you find it - hselleck@empacc.net - in the subject line of your email enter “I found the gavel”!

Good Luck
