

The Collegeville Fire Company was chartered in 1891 with the mission of preserving life and property from destruction by fire or other disaster, whether man made or natural, in the Collegeville Borough and neighboring municipalities. Made up entirely of volunteers, the membership includes young and veteran firefighters. They are accountants, lawyers, computer technicians, mechanics, students and business owners ... but most importantly they are your neighbors. We respond to approximately 300 calls per year for everything from odors of smoke & gas and minor questions to automobile accidents with severe injury and fires that devastate neighborhoods. We provide training in Fire Prevention and lessons to local schools and youth organizations. Few people realize that their community is under constant watch by men and women who do this work as volunteers, because they care about you and our community. This is why your support is so vital to us.

We ask that you participate in this effort by the Rotary Club to help sustain our efforts.

Visit us at www.collegevillefire.org

The Collegeville Rotary Club was founded in 1949 and has been active in our community since that day. We are proud to share the Rotary tradition of "Service above Self", supporting projects throughout the community as well as internationally. With 3 million Rotarians around the world, we are part of a force that can, and does, change the world. Please read our website for information about some of the service projects in which our club is involved, or join us at one of our meetings or social events. We meet weekly at 6 pm Wednesdays at Moorehead's Catering.

The Collegetville Fire Company and the Collegetville Rotary are working together to serve our community. We are announcing our First Annual Golf Outing on May 18, 2015 to support our Fire Company.

The venue is the breathtaking Bellewood Country Club known for its outstanding golf course and fine dining. The day will include full access to the course facilities, lunch, prizes, raffles and dinner at the elegant club house.

Please consider becoming a sponsor in our golf outing to benefit our community.
