2010 COMMUNITY SERVICE GRANTS PROGRAM

The Rotary Foundation of Washington was established in 1922 as an incorporated, not-for-profit organization to engage in works of charity. The Foundation collects, holds and administers funds to carry out this function.

The Rotary Club of Washington DC Community Service Grants Committee reviews applications for funding requests and makes recommendations for approval to the Foundation's Board, which has final authority for approval. Money is awarded to projects that demonstrate need for small capital items or "seed" money for special services that provide direct and tangible benefits principally within the District of Columbia.

PLEASE NOTE:

In the process of considering your application, a representative of your organization may be invited to meet with the Grants Committee, or a Rotary representative may request an opportunity to visit your organization. These meetings, if required, will be held after the application deadline. We anticipate that decisions will be made by April 30, 2010. All decisions are final and may not be appealed. Decisions and invitations for successful applications to an awards luncheon will be conveyed to applicants at that time.
