**Carbon Monoxide Detector Request Form  
For the Elderly and Disabled**

**This form is to be used by Needham senior and/or disabled residents to request assistance from the Rotary Club of Needham with installing carbon monoxide detectors in their home. This is a service for the protection of our senior and disabled residents, not to prepare a home for sale. Requests will be processed on a first come first served basis and is dependent on the availability of CO detectors. You will be contacted ASAP once the form is received to schedule installation.**

**How many CO detectors will I need?**

**From the Massachusetts Department of Fire Services – “Install CO alarms on every level of your home except for basements and attics that do not have habitable living spaces (i.e., family rooms, dens, etc). On levels with sleeping areas, the alarms must be placed within 10 feet of the bedroom doors.”**

**How much will this cost?**

**Detectors – A \$20 donation for each detector is requested. A typical home will require 2-3 detectors.**

**Installation - While the installation services are free, The Rotary Club of Needham appreciates your donation to this important program.**
