Directions & Parking:

You may wish to consult your favorite internet mapping service for directions. Generally, from Route 2 Westbound, take exit 31 B - Route 12 North for about 3 miles and just past Pelletier's Building Supply (blue building on left), turn right to go over the railroad overpass. At the next light, turn left onto Main Street and continue to the top of the common, turn right onto Mechanic Street (Route 31). St. Camillus Church is the white church on the right after the Getty station but before Burbank hospital.

Parking is extremely limited. We have arranged for our guests to park at St. Camillus Church at 333 Mechanic Street and shuttle to the home site. Please enter the St. Camillus Church parking lot at the far entrance, past the church and rectory. Look for the black and white Habitat for Humanity PARKING sign and park near there.
