**ABOUT THE COURSE...**

Yarmouth's Bass River Golf Course is one of Cape Cod's best and oldest courses. Opened in 1900 as a private nine hole club, the course has grown and flourished over it's 100 plus years. In 1914, the noted golf course architect Donald Ross was commissioned by the club to redesign the course.

Wide fairways and traditionally small undulating greens make the course both a pleasure and a challenge to play. At Bass River the emphasis is on shot making as the player contends with breezes off the water, as well as the subtleties of a classic turn of the century Ross design. Water views, superb conditioning and a friendly staff all make for a memorable day of golf.

Dear Friends,

The Rotary Club of Yarmouth has been working hard to make our community a better place to live. Each fall for the past 25 years we have hosted this golf tournament to raise funds that are used throughout the year to assist those families in need. Hundreds of thousands of dollars have been redirected back into the mid-Cape area and every penny has been used here, at home, to serve our fellow citizens.

Here are a few examples:

- ◆ Over \$20,000 raised for scholarships in 2012
- ◆ Clean-up projects for the elderly and disabled
- ◆ Christmas party for children living in motels
- ◆ Weekly support of Meals on Wheels program
- ◆ Dress A Live Doll program through Salvation Army
- ◆ Support of local scouting programs and school activities

And the list goes on! The monies we raise at this tournament truly have a significant impact on local families and organizations in need. And you make it happen!

This year's tournament will be held at Bass River Golf Course. The shotgun start begins at 10:00 a.m. and heavy hors d'oeuvres will be served after play. We hope you will join us this year and bring your family after play to the clubhouse. As always, there will be excellent food, good friends, great prizes and a lot of laughs.

Yours in service to the community,

Stephen Albright
