FAIR**

Rotary Pit Stop

2013 Flyer

City of Tea Tree Gully, Civic Park
North East Road, Modbury

Saturday 26th October 10am—3.00 pm

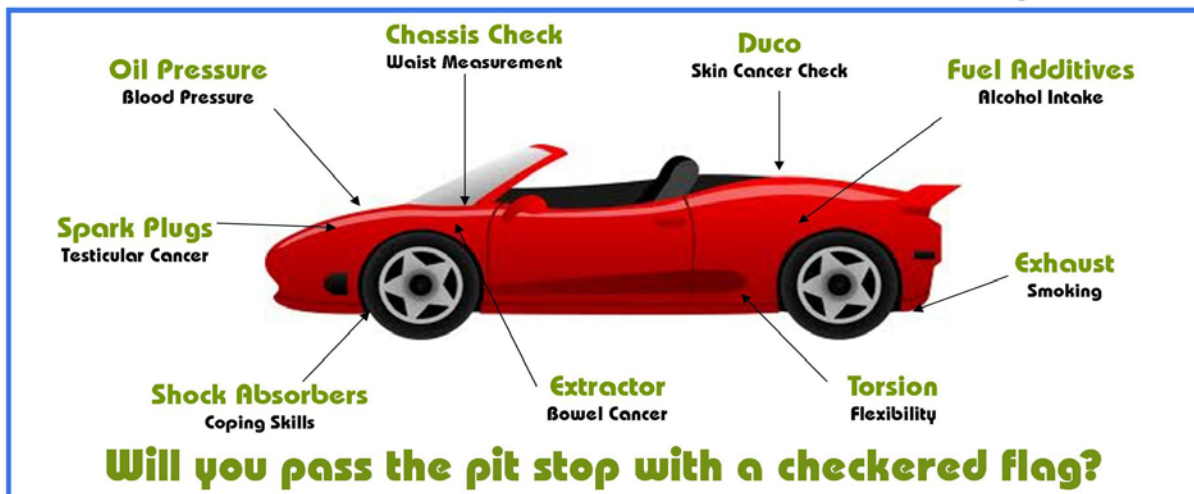

Rotary Pit Stop is a **free** health check-up for men of all ages and provides an effective means of raising men's awareness of health issues. Pit Stop is based on a mechanical concept, likening parts of the body to an car. For instance, as you progress through the nine pit stops you can have your *chassis* (waist measurement), your *fuel additives* (alcohol intake), and your *duco* (skin cancer check) checked and so on. Everyone who completes the pit stop receives a show bag of valuable health information and a free raffle ticket to win some terrific prizes!

Rotary Pit Stop WILL BE HOSTING A UNIQUE DISPLAY OF **NEW RELEASE HOLDEN CARS, VINTAGE HOLDEN CARS, VINTAGE SPEED CARS AND TQ'S** THANKS TO EVENT SPONSOR, **PLAZA HOLDEN.**

LOOK OUT FOR FANTASTIC FAMILY ENTERTAINMENT AND THE DELICIOUS ROTARY BBQ!
