

RETURNING AUTHORISED PD267s TO VOAN APPLICANTS

- VOAN organisations have been notified about the importance of keeping the VOAN secure to prevent illegitimate usage
- The Records Release Unit has advised VOAN organisations to endorse the 'Volunteer Authority' section after the applicant has had their PD267 application form and 100 Point identification authorised at a police station
- The endorsed PD267 is then forwarded to the Records Release Unit by the organisation
- Police personnel are therefore advised to return authorised PD267s to VOAN applicants (no payment is required for VOAN volunteers)

Thank you
