What is the difference between RLI and PETS?

RLI is a general education program, which starts well before Rotarians may wish to take on more demanding club leadership roles. It ensures Rotarians have a good grounding in Rotary whilst developing their greater leadership skills

PETS, like most R.I. Training programs is "job specific". It prepares incoming club presidents for that role.

Why do we need a Leadership Institute?

Rotary's strength depends on the quality, education, and leadership of its Rotarians. Leadership skills in a voluntary organization differ from those required in a business environment. Equally, it is difficult, in the busy schedule of most clubs, to learn enough of the exciting world of Rotary with its over 1.2million members in over 160 countries.

Clubs want the best, most skilled Rotarians possible to lead with vibrancy, confidence and enthusiasm. The RLI combines these two facets to ensure development of strong leadership skills coupled with sound Rotary knowledge.

The Rotary Leadership Institute

The Rotary Leadership Institute (RLI) is a series of fast-paced, interactive, one-day courses offered to refine a Rotarian's leadership skills and increase their base of knowledge in Rotary.

Courses are topical, interactive, and geared Rotarians who want to be more knowledgeable and effective leaders in their clubs.

Topics covered during the RLI courses include:

- Leadership
- Rotary beyond the club
- Introduction to The Rotary Foundation
- Team Building
- Running Service Projects
- Goal Setting
- Membership
- Running Meetings
- Analysing a Rotary Club
- Public Relations
- and much, much more

Rotary Clubs are encouraged to select **at least two candidates** for **RLI** annually.

Participants return to their club with:

- Confidence
- Enthusiasm
- New contacts
- Fresh ideas
- An increased understanding of their potential as Rotarians
- And valuable skills impacting their potential leadership in the club

Recognition

RLI offers a leadership course consisting of Parts I, II, & III in three full non-consecutive days.

Those attending each of the three course days for the full duration will receive recognition in the form of a special pin and certificate. Once 'graduates' have completed the three days, they may be invited to take part in a Graduate Program. The Graduate Program is tailored to the specific needs of participants.

District-wide

The program will be conducted within the geographical area of each pair of **Groups** in the District. This will save participants time and cost of travelling and will put the program within easy reach of Rotarians in all parts of the District.
