Words cannot fully describe how great our District Conference was at Oglebay. John Chamberlin did a great job in the selection of the educational programs throughout the weekend. Listening to the clubs report on their activities throughout the year is always one of the highlights of the conference. My Mom, my sister, Kathy and her husband, Roger, attended the conference on Saturday. My brother Chuck, District Governor for Lions Clubs International 2-S2 in Houston, Texas and his wife Sandy were unable to attend my conference since they had a prior State of Texas Lions Conference commitment. The Rotarians of District 7300 surpassed the bar set at your District Conference easily, Chuck, and we didn’t even break a sweat. I hope you enjoy the information I mailed you regarding a great conference.

This is my last article as your Governor. As you read the June issue of “On My Honor” there is still time to finish the race with a strong kick to the finish line. Membership remains extremely important. We need to ask our friends, neighbors, and co-workers to attend a Rotary service project or a meeting, more than once before they will commit. We cannot give up in asking. New members bring with them new ideas and service projects so vital to making a Rotary club exciting.

As you may know, our McKeesport Club dissolved and returned their charter to Rotary International on September 11, 2007; it was the second oldest club in our district and we have been looking at the White Oak area to start a new club. Already a petition group is underway because one Rotarian was talking to another at a local wine event. That talk led the first Rotarian to start the proceedings to charter a new club in his area of White Oak. We have a very active Interact Club at McKeesport High School; this new club will take over the sponsorship after it receives its charter sometime in late June. Continue talking about Rotary … you never know where the discussion will lead you.

We heard at the District Conference how a small club of ten members, Duquesne-West Mifflin, raised $45,000 to fund their scholarships for college bound students. Another club with ten members, Monroeville Sunrise, received a District Simplified Grant to complete a basketball court in their community. In keeping with the District Conference theme of “Who’s Doin’ It?”, we are surely “doin’ it” in our communities.

The Future of Rotary Is In Your Hands,

Rick Martin
District Governor
Thank You, Fellow Rotarians, for a Great Year as District Governor

“The Future of Rotary Is in Your Hands” was a great wake up call to us to ask and recruit new members, do more community and international projects, and to get us motivated to get off our duffs. In putting together my team, I was looking for Rotarians with a passion for a particular project or assignment. With the size of our district and the number of committees, the Rotarians had the freedom to accomplish their committee goals.

I would like to thank my special advisors, PDGs Mark Brilmyer, Dick Beck, Bob Rupp, and Denny Crawford, for their guidance and counsel these past two years. To my Assistant District Governors Walt Sickles, Rex Woodward, Regis Krol, Sue Kelly, Marcy McKivitz, Johnny Mock, Nina Stahlberg, Skip Gillis, Diane Belitskus, and Bob Brindley, for taking the challenge to work closely with the five clubs in your areas. You lead by example. And to PDG Jim Kunkelmann for taking over for Bob Brindley when he was hospitalized, and later passed away; his five clubs did not miss a thing. A big thank you for knowing the importance of maintaining a connection with the clubs.

Thank you to my District Treasurer Jim Sisley, my friend, my mentor, for handling the finances and keeping us on a solid financial footing. To my sister, Kathy, for her accounting expertise with Quick Books, a brotherly thank you for stepping in to help. To Harriet Sickles, District Secretary, and my friend, who helped to organize all the announcements of my official club visits, and thank you letters to the clubs after my visits; I would have drowned in the paperwork.

Communication is a key to any organization and I was truly blessed to have Sandra Rebholz handling the monthly Governor’s newsletter. It is not easy to coax articles from clubs and district officers, and your creativity in putting “On My Honor” together was outstanding. Sandra, you made it look easy even though we all know it was not. Thank you. Our new district web based Club Runner was handled by Marc Myers as the Webmaster.

John Chamberlin did a great job in handling the public relations when the G-20 Summit was in town. John, your knowledge and connections helped us through the maze to get our message out the community.

And as a first time attendee to our District Conference, John, you handled our educational programs with ease; and thank you for suggesting the theme “Who’s Doin’ It.” The accolades for a great program have not slowed down. PDG Kathy Crawford and Diane Dornenburg teamed up to chair a great conference. Thank you, again, for your leadership and to the conference committee for doing it and doing it so well. Diane and Kathy teamed up earlier with the annual Foundation dinner held on a Friday night. It was great evening with dancing following the dinner.

Jeff Klink, as a first year chair for the Ambassadorial Scholars handled a reception for our scholars. Thank you for your leadership and dedication and to your scholar committee for their dedication of interviewing and selecting the best to spend a year overseas to study in their field. And thank you to PDG Bob Rupp and his committee for having the first alumni reception. The turnout of past scholar and Group Study Exchange members exceeded our expectation. Jeff and Bob, you both laid the foundation for something Bigger, Better, and Bolder in the coming years.

I liked baseball so Sid Lauther organized the registration and tickets to the Washington Wildthings. We had fun in the picnic pavilion and to see a winning game was the topping for the evening. Jim Riggio as the golf chair did a great job to make this a profitable day for our foundation.

Galdys Maharam did a fantastic job on literacy awareness, one of RI President John Kenny’s main focuses, along with clean water … and Tom Nunnally did a great job in that area.

Thank you to Stu Benson, Ralph Manning, and the other members of our District Foundation, for maintaining the financial controls.

Cindy Sakala, thank you for allowing me to become your “older brother” as we worked closely in learning about Rotary and our great District membership. You are prepared to take over and you will do a great job.

To the members of New Brighton Club, thank you for your confidence in my leadership skills and for being present at events throughout the year.

Thank you to our members of District 7300, many thanks for making this a great year.

Finally, a huge thank you to my Mom for enduring waking up and getting ready at 4:00 AM so that I was able to attend the many breakfast club meetings and then eating supper alone for way too many evenings.

My year as District Governor was a great one. The Future of Rotary Is in Your Hands.

Yours in Rotary,

Dr. Jonas E. Salk
Pittsburgh 55 Years Ago
From State Senator Way Fontana “News and Views” March 2, 2010

Did you know that one of the most important developments in medical history occurred right here in Pittsburgh 55 years ago this spring? In 1955, 38 year old Dr. Jonas E. Salk reported his success in developing a vaccination for the polio virus in human beings. His vaccine has saved millions of lives around the world, and because of this historic discovery, polio is very close to becoming only the second disease (after smallpox) to be completely eradicated from earth!

What Can Your Club Do for Haiti?
Sandra Rebholz

A District-wide search is on for used home medical equipment, such as crutches, wheelchairs, walkers, canes, et cetera, to send to Haiti. We now have a transportation partner to get all the equipment and supplies we collect delivered to Haiti ... Global Links.

What can your club do to help in this effort? Go Thrift Store shopping! Thrift stores have an incredible supply of medical equipment just sitting in their stores. They don’t sell much, and even when they do, they don’t make much on the sale. So, your club members can visit the various thrift stores in your area, and ask them to donate their supplies to our Rotarians Helping Haiti project.

For pick-up assistance, contact Green Tree Rotarian Craig Esterly, at 412 628-0836 or cesterly@sdasset.com.

SPECIAL GSE TEAM TO GHANA

A special proto-type Future Vison GSE Team is currently in Ghana. This started by Mary Jo Geyer talking with Bunt Singh at the Oakland Rotary Club. Mary Jo Geyer from University of Pittsburgh worked hard with the Rotary Foundation to adopt the GSE into this International Cross-Diseases Conference on Disability Prevention in the Developing World. Georgia Petropulos Muir, President-Elect of the Oakland Rotary Club attended this conference as the Team Leader. Our district funded this project. A more detailed report will be in the July Issue of the Monthly District Governor’s Newsletter from Mary Jo Geyer and Georgia Petropulos Muir.

**Ambassadorial Scholars**

Jeff Klink

Wow! The past year has gone by very quickly. It seems like just yesterday that I was accepting applications from outbound candidates to interview for travel this fall. Now summer is here, and our five Ambassadorial Scholars are about to begin their adventure of a lifetime. Our Scholars who were abroad will be returning to us to tell us all about their journeys. And, our hosted Scholars will be returning to their homelands to tell their districts and Rotarians what it was like to study and live in our great city of Pittsburgh.

I want to thank everyone involved with the program in the last year, from Governor Rick, for his support, to all of you who hosted a student, listened to a speech, or simply helped out with kind words of advice to our scholars or candidates; you helped our district shine and you made my job easy. Thank you, again.

Now the cycle begins anew. Applications are due at the end of the month (July 1st). If you or your club haven’t gotten involved with this most rewarding of Rotary programs, come on, I dare ya’. You’ll really enjoy it. Those of you who have expressed a desire to be on our selection committee, host a student, or provide a program for your club, a new year is beginning, and I’ll be calling you. Thank you in advance.

And, finally, thank you Governor-Elect Cindy, for allowing me to continue to chair this committee for another year.

**RYLA … Exciting Opportunity for Students**

We’re down to the wire for accepting applications for this summer’s RYLA program at LaRoche College.

The program begins June 25 through July 1, 2010, at LaRoche College. Applications are to be submitted to the District Secretariat by fax to: 412-429-7300, or by e-mail to: district.secretariat@rotarydistrict7300.org. The cost of the program is $400; the club contributes $250 per student and the student’s contribution is $150. However, there are funds available for students who are not financially able to contribute. Call 412 429-7300 for further information.

The RYLA curriculum includes personal development, moral, ethical identifications, philosophy of leadership and problem solving. LaRoche will award a $5,000 scholarship each year for four years, if any of the students who attend RYLA continue their education at LaRoche College.

**Rotarians Seeking Employment …**

**Rotarians Seeking Employees**

With the current economy as it is, many Rotarians are being displaced from their jobs. In an effort to help our fellow Rotarians, District 7300 will post their resumes on the District 7300 website. This will allow networking opportunities for Rotarians seeking employment as well as for Rotarians seeking to hire qualified staff.

Send your resumes to Webmaster Marc Myers: webmaster@rotarydistrict7300.org for posting.

**Unique Opportunity to Hire Proven Employees**

Due to the sale of All-Pak, people with following job skills are available immediately: Records Management Specialist, HR Assistant, Employment Coordinator, IT intern and a Customer Service Specialist. For further information, contact Denny Crawford at crawfordd@all-pak.com or 412-257-3000.

For information on 365 Critical CUSTOMER Care™ training, contact John Chamberlin, of the Pittsburgh Rotary Club: john.chamberlin@rockpaperscissorschute.com.

Our District Conference at Oglebay Resort
Rick Martin

Enjoy the pictures on starting on page 10. The leadership of my co-chairs, PDG Kathy Crawford and Diane Dornenburg was awesome. Kathy asked John Chamberlin to handle the educational programs with able assistance from advisors PDG Mark Brilmyer and Debbie Tawney-Newsom. John brought a fresh approach, since this would be his first conference. The programs for Friday and Saturday morning were excellent … fun, and full of vital information. We started with two former Ambassadorial Scholars and a current one as our speakers at the Foundation Dinner on Thursday evening. Rotary International Presidential Representative, Brenda Cressey, gave her opening remarks. After the Friday morning highlights of our clubs, the afternoon featured the golf outing and free time. Brenda Cressey delivered her main speech on Friday evening. Her talk touched the strength of our clubs and thanked the members for “doin’ it” in their communities. Saturday morning we had as our first presenter, Doreen Welsh, US Airways Flight Attendant on the “Miracle on the Hudson” plane crash. After her inspiring talk, there was not a dry eye in the audience. It was followed by a new member panel discussion. Our Youth Exchange students entertained us before lunch. Saturday afternoon was our annual meeting followed by the memorial service. Throughout the two days, we had a service project of packing meals for the local food bank. After dinner, we heard Brenda Cressey give a recap of her weekend, followed by my remarks. We had a theater performance by “No Name Players”. The Future of Rotary Is In Your Hands was visibly in show this weekend as we achieved Bigger, Better, and Bolder.

GSE Team
Hola from Argentina!
Team Member Michele Petruccelli

Hola Sandra! We are truly having the time of our lives in a once in a lifetime opportunity. The people are so incredibly gracious and hospitable. They welcome us with open arms and are so proud of their country and want to share all they can and learn as much as they can from us. We have seen the amazing mountains of Ushuaia, the glorious wood of Tolhuin, the industry of Rio Grande and the great city of Rio Gallegos. We have eaten amazing food - lot of meat and empanadas. Listened to amazing music and seen several demonstrations of folk dance and tango. We have been graciously welcomed into homes and treated like royalty. We have hiked Glaciers, run by the lakes and crossed the Straight of Megellan by ferry. We have visited many local businesses and learned so much. This is beautiful country with even more beautiful hearts of the people!

I am so appreciative and honored to be a part of the GSE and cannot thank the Rotary enough!

Rotarians in Korea are making a difference
By Antoinette Tuscano
Rotary International News – 8 April 2010

Korean Rotarians were active in a wide range of projects last year that helped advance the mission of The Rotary Foundation, including helping to turn remnants of the Korean War into a lasting symbol of peace.

Several Korean clubs collected empty gun cartridges to be melted down and used to make a 37.5-ton bell that is now the central feature of the World Peace Bell Park in Hwacheon-gun. Cartridges from conflicts in 29 other countries, including Ethiopia, Israel, and the Philippines, were also used in the bell.

The park, near the demilitarized zone between North and South Korea, was dedicated during a ceremony in May attended by former Soviet President Mikhail Gorbachev.

With the help of Rotary Foundation Matching Grants, Koreans in District 3640 also funded heart surgeries for 240 children through Gift of Life International. Districts 3630 and 3650 funded heart surgeries for 134 children from Mongolia. Gift of Life is run through the efforts of Rotary clubs worldwide.

Other projects that Rotarians in Korea participated in last year contributing to The Foundation's mission of advancing world understanding, goodwill and peace included:

- Sending a 19-member team organized by District 3690 on a National Immunization Day in Meerut, Uttar Pradesh, India, to vaccinate children against polio.
- Organizing a festival on 24 October in Seoul City Hall Square to promote Rotary and its programs. Rotaractors handed out What’s Rotary? wallet cards and information about the End Polio Now campaign during the event, which drew more than 10,000 people and raised almost US$1,000.
- Providing medical equipment and an ambulance to Cagayan de Oro City Hospital in the Philippines through a $48,000 Matching Grant project between the Rotary clubs of Daegu-Dongshin, Daegu, and West Cagayan de Oro, Misamis Oriental.
- Cleaning up the Keumgang River with the help of 120 volunteers from the Rotary Club of Ogcheon, Chungcheongbug. The Rotarians removed about 2 tons of garbage from the river.

2010 Council on Legislation Leaves Its Mark on Rotary

Representatives to the 2010 Council on Legislation enacted a number of monumental measures, including a fifth avenue of service for New Generations, making E-clubs a permanent part of Rotary, and minimal dues increases.

Governor’s Newsletter Editor: Sandra Rebholz

June … the final issue of “On My Honor”. It’s a bitter-sweet time for me. I have truly enjoyed putting the newsletter together for you this year, and I loved getting all of your kudo messages every month, sometimes for several days after it was published. The sweet part is that I will now have some free time to enjoy my personal life. Still, it was a labor of love for my fellow Rotarians and I’m happy to know you enjoyed it.

I was delighted to hear that I had received an award for “On My Honor” at the District Conference. My nephew was graduating Virginia Tech that week end, and so I had to miss the conference. The Journalism Award was awarded to me in absentia … but I experienced the thrill of receiving such a prestigious award a few days later.

To all of you who sent in your columns, articles and photos that made the newsletter such a success, thank you so much. And to the others, well, I guess I’d better make good on my threat:

And so, my year as District Newsletter Editor ends. The incoming District Newsletter Editor is Lenore Wetzel, of the Forest Hills Rotary Club. We met for lunch recently, and she is anxious to serve as Editor for the 2010-11 Rotary year.

Every good wish,
Lenore!

Note: The deadline is June 20 [for events between the 20th and the end of the month, send the articles and photos as soon as possible after the event … but no later than the 2nd or 3rd of the month]. Please remember to include the “who, what, when, where, why and how” in your articles, as well as names of people in your photos, left to right. Send to: 2010-2011 District Newsletter Editor Lenore Wetzel, editor@rotarydistrict7300.org .
Changing of the Guard

Cindy Sakala, District Governor-Elect

Happy New Year! Yes, I know it’s only June, but Rotary celebrates New Year’s Day on July 1st. As we “pass the baton” in our clubs and in the District, continuity and communication issues must be addressed. It’s very important to update your club contacts and officers on the www.rotarydistrict7300.org website. It’s critical to hold a final board meeting with old and new officers to make the transition a smooth one, and to carry on with the planning of your Rotary club’s activities.

At the District level, we’ve established the District Secretariat to help with the transition. Our first point of contact will remain the District Secretary, Sandra Rebholz. The District phone number and address are the same: 412-429-7300 and Rotary District 7300, PO Box 44305, Pittsburgh, PA 15205. There are significant changes in key committees, and some turnover of Assistant District Governors. This information is available on the website.

Sandra will be stepping down as the Governor’s Newsletter Editor in order to serve as the President of the Green Tree Rotary Club. Lenore Wetzel, a Graphic Designer from the Forest Hills Rotary Club, will step in as the new Editor. Please direct your newsletter information to Lenore:

Our beloved Bob Brindley used to handle the Speaker’s Program for the District. That will now be in the capable hands of John Ballance from the McCandless Rotary Club. If you have a good speaker to recommend for the list, please contact John:

The approaching “New Year” means that I’ll soon start my official visits to the clubs in District 7300. Every Past District Governor has told me that this is the highlight of their year. I look forward to meeting you in person very soon.

Happy New Year!

Yours in Service,

Cindy Sakala

PDG Bunt Singh was presented with Rotary International District 7300’s prestigious Lifetime Achievement Award at the 2009-2010 District Conference.

New Kensington 100% Paul Harris Fellow Club
Robert Arbuckle

The New Kensington Club has reached a major milestone that very few clubs in the District or in the world achieve. PDG Bob Arbuckle, Club Foundation Chair, has processed 19 new Paul Harris Fellows this year. As a result, The New Kensington Club is now a 100% PHF Club!! Thanks are due to President Debbie Vingin, all of the members of the Club who made financial contributions, Paul and Jean Elder, and an anonymous member of the Club who provided matching funds. Most importantly, thousands of people next door and around the world will have a better life because of this achievement.

Editor’s Note: To date the 100% Paul Harris Fellow Clubs are: Turtle Creek 17-Jun-98, Beaver Falls 11-Nov-98, Crafton-Ingram 11-Mar-99, New Brighton 22-Sep-99, Quaker Valley 22-Sep-99, Moon Township 01-Aug-09, Greater McKees Rocks 25-March-10, Monroeville Sunrise 28-May-10 New Kensington [Pending Certification].

The Constant in Rotary – The Rotary Foundation

June brings with it the start of summer, with high school and college commencements, back yard barbecues, weddings, summer picnics, swimming pool openings, and all the things most of us look forward to, particularly after our most recent winter.

June also brings to an end another Rotary year, and with that usually comes a whole new slate of officers for every club, a new District Governor, and a new Rotary International President, with new emphasis and a new theme. But, in the seventeen plus years that I’ve been in Rotary (and that’s a drop in the bucket compared to many in our district), the one thing that has remained constant with Rotary is The Rotary Foundation and the work that it does throughout the world.

Kath and I were recently in Evanston, Illinois, at Rotary International headquarters. Let me tell you, if you truly want a feeling for what Rotary is and what Rotary does, take the time to visit Rotary International headquarters. In the front of the building is a statue dedicated to polio eradication and the role that Rotary has played. When you walk around the building, you meet people who live Rotary every day. You can see a replica of Paul Harris' original office and see where he started it all. There are quotes from Arch Klumph, the founder of The Rotary Foundation and pictures and displays of Rotary’s good works from around the world.

The thing that struck me most was that, without the constant of The Rotary Foundation, the things that Rotary does wouldn’t get done. So, as our Rotary year comes to a close, please make sure that you’ve fulfilled your commitment to The Rotary Foundation. Make sure that you have given at least $100 this past year to the Annual Giving campaign. Support the Bill and Melinda Gates Polio Challenge, become a Paul Harris Fellow or, better yet, join the Paul Elder Chapter of the Paul Harris Society by pledging $1,000.00 per year for ten years. Or, complete a codicil to your will and leave money to The Rotary Foundation -- what better way to have your memory live on and at the same time, possibly reduce the tax burden to your heirs? Kath and I are strong believers in The Rotary Foundation and its high integrity, dedicated stewardship, strong conservative investment principles and its focus on changing the world for the better. So please be a part … support YOUR ROTARY FOUNDATION. Thank you.

Do You See What I See?

Do you see what I see? Is your club involved in and making a difference in your community? Does your club have well run meetings in an attractive location with an active business agenda and an interesting speaker?

If so, there’s no reason not to bring top quality individuals to one of your meetings. Well-run meetings will demonstrate the good work that Rotary is doing in your community and around the world.

I see Rotary represented by busy and dedicated professionals, business and community leaders who are working to make their communities and indeed the world a better place because their Rotary activities. I see Rotarians as those who take responsibility to change things for the better.

I see a huge, well run international organization that has gained the respect of well-known figures such as Bill Gates, Itzhak Perlman and Mia Farrow. I see an organization that is active in over 200 countries and territories and growing at a good pace.

I see an organization that has no peer in its dedication to helping others. I see an organization that is dedicated to world peace through educational scholarships, various international exchange programs and countless service projects.

Try to see what I see and then go out and recruit top quality individuals in your community to become active in your local Rotary club. The future of Rotary is in your hands.

Karl Ohrman is a past president of Pittsburgh Rotary. He has served as Assistant District Governor under a number of past DGs and is currently serving as District Membership Chair. He is open to speaking to all Rotary clubs in the district about the excitement of Rotary.

Interact: Future Rotarians

“The future of Rotary is in your hands” ... what a challenge to us in the service to our youth! Truly, we must pass the baton to the next generation. There is a wonderful vehicle in place to do this ... not only in our district but throughout the world. It is Interact -- the high school based service club within the high school sponsored by the local Rotary club.

-- Betty Dunn, District Interact Chairman
Member, Forest Hills Rotary Club

Interact Letter to District Governor Rick Martin

Dear District Governor,

On behalf of the McKeesport Area High School Interact Club, I would like to thank you for sponsoring us so we would be able to go to the Ethics Symposium at Duquesne University. It was a great experience for all of us. Once again, I would like to thank you for sponsoring us at McKeesport Area High School.

-- Donald Korinko and the Interact Club

Focus on Literacy

Gladys Maharam

Congratulations go to several District 7300 Clubs who have been presented with RI 2009-10 Literacy Awards for their efforts to promote literacy. The certificates presented by DG Rick Martin at the recent District Conference acknowledge each club's significant support of literacy that "has helped strengthen individual dignity and self-worth of people, thereby strengthening the foundations of international goodwill, understanding, and peace."

The 10 clubs honored were: Carnegie-Collier, Forest Hills, Green Tree, Penn Hills, Lawrenceville, New Kensington, Oakmont Verona, New Brighton, Swissvale and North Boroughs.

National Veterans Wheelchair Games Coming to Pittsburgh

Pittsburgh is the proud host of the 31st annual National Veterans Wheelchair Games. Slated for the first week in August 2011, this event—which is co-sponsored by the Paralyzed Veterans of America and the VA Pittsburgh Healthcare System—introduces veterans in wheelchairs to a wide variety of sports and encourages them to pursue an active, healthy lifestyle. With more than 500 athletes on the roster each year, the Games command the national spotlight and stand apart as the largest annual wheelchair sporting event in the world.

Progress for Rotary's US$200 Million Challenge for polio eradication

As of May, 2010, Rotarians have raised about $127.4 million for Rotary's US$200 Million Challenge. These contributions will help Rotary raise $200 million to match $355 million in challenge grants received from the Bill & Melinda Gates Foundation. The resulting $555 million will directly support immunization campaigns in developing countries, where polio continues to infect and paralyze children, robbing them of their futures and compounding the hardships faced by their families. As long as polio threatens even one child anywhere in the world, children everywhere remain at risk. The stakes are that high.
