Work is underway by the Rotary Clubs of Washington County to organize the 2011 holiday light display "Enchantment in the Park" at Washington County Fair Park. The event was very successful in 2009 and 2010 collecting approximately 80,000 food donations that were distributed to the food pantries of Washington County. Over 7,000 man-hours are needed to make this project a success. Because of this, the Enchantment in the Park steering committee is trying to expand the volunteer base to help run the event. In this mailing, our committee is soliciting volunteer groups to help set-up the event. Another mailing will be sent the end of August soliciting volunteers to work the event itself at the end of November and December. The scheduled set-up dates for Enchantment in the Park are listed below:

Sunday, October 2	Saturday, October 8	Sunday, October 9	Saturday, October 15
Sunday, October 16	Saturday, October 22	Sunday, October 23	Saturday, October 29
Sunday, October 30	Saturday, November 5	Sunday, November 6	Saturday, November 12
Sunday, November 13	Saturday, November 19		

On these dates, we need volunteers to wrap displays with lights, lay out extension cords, set displays, set up Santa's workshop, run extension cords to the outlets, etc. There are set-up chairman assigned to each project that will give instructions to volunteers on what needs to be done on any given day.

If your organization can provide volunteers to assist with the set-up for Enchantment, please complete the bottom of this letter and return to:
