Rotary Mariners Special Event:

Tour of the **Coast Guard Joint Harbor Operations Center**

Did you know all vessel traffic on Puget Sound is monitored in the state of the art U.S. Coast Guard Joint Harbor Operations Center and Vessel Traffic System at Pier 36? Join us for a tour of this facility, learn about Coast Guard’s current missions and responsibilities in the Pacific Northwest, and enjoy a walking tour of the base to include a tour of the Coast Guard’s high speed response boats.
